Re: Retail Marijuana Store license #30395

Dear applicant,

AMCO has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **Proof of Possession for Proposed Premises**
  - Should there not be an 'S' (for South I am assuming) in the address 708 Alaska Street, Suite A on the lease? I looked it up in the Mat-Su Borough property database because of this being a sublease, and it did not pull up without the 'S'. I want to make sure we have the correct address in our system that matches up with the lease.

- **Applicant's Residency**
  - This question is for each of you, Lacey and Robert, will you be applying for the PFD this year? And if you are, is it possible you can apply now, and then let me know when you have. If you are not applying for the PFD this year, I need to know as well.
    Please do not send me personal identifiable information by email.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. That deadline is May 8, 2022.

Respectfully,

Jane P. Sawyer, Regulations Specialist
