# Form MJ-15: Operating Plan Change

**What is this form?**

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. **The required $250 change fee may be made by check, cashier's check, or money order.**

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

**The form(s) that I am requesting board approval to change is:**

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☐ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☐ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental

**This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.**

## Section 2 – Summary of Changes

**Provide a summary of the changes for which you are requesting approval.**

**Good Titrations would like to amend the MJ28b - On Site Operating Plan Supplemental to remove the second ID check/point of entry to the licensed on-site consumption area outlined in section 2.3. An MJ-14 will be simultaneously submitted.**

Good Titrations would also like to amend Section 4.1 to update the limit of edibles from 10 mg THC per person per day to 25 mg of THC per person per day, add allowance of concentrates, not more than .3 grams, by use of vaping device, per person per day

Section 5.1 - remove "It is Good Titrations' policy that all marijuana and marijuana products purchased for onsite consumption are for onsite consumption only." and add allowance of customers to remove unconsumed products from the consumption area with regulatory packaging per 3 AAC 306.345.

Changes to Sections 4.1 and 5.1 reflect the recent regulation changes.

## Section 3 – Declarations

# Form MJ-28b: Onsite Consumption Endorsement Operating Plan

**2.3. Describe how you will prevent access by persons under the age of 21 to your consumption area:**

Good Titrations will refuse entrance to any person who does not produce a form of valid photo identification showing that person is twenty-one (21) years of age or older. A valid form of identification includes; (1) an unexpired, unaltered passport; (2) an unexpired, unaltered driver's license; instruction permit, or identification card of any state or territory of the United States, the District of Columbia, or a province of Canada; and (3) an identification card issued by a federal or state agency authorized to issue a driver's license or identification care. At no time will a person under the age of twenty-one (21) be permitted to remain on the premises. If a Good Titrations' staff member suspects that a person is a minor, the staff member will refuse access and have the individual escorted off the premises. A designated staff member will request from all customers a government-issued, photo ID and will thoroughly examine the ID before allowing entrance into the consumption area. There is one point of entry (shown on diagram) The point of entry shall have staff monitoring the door and shall ensure a person's ID is valid and the person is over the age of 21 before allowing entry into the consumption area.

**2.4. Describe how the consumption area shall be isolated from the other areas of the retail marijuana store:**

Good Titrations consumption area will be isolated from the other areas of the retail marijuana store in the following ways: 1. The consumption area is in a designated area on the opposite side of the facility and 2. The consumption area is manned by a Good Titrations' staff member and further secured by a secured door that is clearly labeled "Onsite Consumption Area".

You must be able to certify the statement below. Read the following and then sign your initials in the box to the right: Initials

**2.5. The proposed area(s) for consumption are clearly identified on Form MJ-02: Premises Diagram or MJ-14: Premises Diagram Change that is submitted with this application.** ST

| Answer "Yes" or "No" to the following question: | Yes | No |
|---|---|---|
| **2.6 Will the consumption area be outdoors?** | ☐ | ☑ |

**If "Yes", describe the outdoor structure(s) or the expanse of open or clear ground and how it is fully enclosed by a sight-obscuring wall or fence:**

**If "Yes", describe the neighboring uses and state why an outdoor consumption area is compatible with the surrounding area:**

## Section 3 – Ventilation

**Ventilation (3 AAC 306.370(d)(1)(B))**

If you are proposing an indoor marijuana consumption area, where consumption by inhalation will occur you must be able to certify the statements below.

| Read the following and then sign your initials in the box to the right: | Initials |
|---|---|
| **I certify that I have attached to this form ventilation plans that:** | |
| **3.1 Show a ventilation system for the marijuana consumption area that is separate from the remainder of the retail store** | ST |
| **3.2 Signed and approved by a licensed mechanical engineer.** | ST |
| **3.3 Sufficient to remove visible smoke.** | ST |
| **3.4 Consistent with all applicable building codes and ordinances.** | ST |

## Section 4 – Overconsumption

**Monitoring Overconsumption (3 AAC 306.370(d)(1)(C))**

**4.1. Describe the policies and procedures that will be used to monitor overconsumption of marijuana or marijuana product:**

Good Titrations will train all retail staff to ask particular questions when a customer is purchasing marijuana or marijuana products for consumption in the consumption area. A budtender will use best efforts and the information available to help, if possible, the customer understand their tolerance levels so that the customer does not over consume. Good Titrations' employees will also be trained on quantity limitations for onsite consumption, and signs of impairment or over-consumption while in the consumption area. Good Titrations will not sell more than one gram of marijuana bud or flower to any one person per day and no more than 25mg of THC per edible product to any one person per visit. Good Titrations will also sell concentrates, up to .3 grams to be consumed in the consumption space by a vaping device as described in 306.370. If a Good Titrations' staff member suspects that a customer has over-consumed, the staff member will assist the customer in arranging a ride (such as taxi/lyft/uber etc) to meet the customer and make sure that the customer gets into the vehicle.

## Section 5 – Repackaging or Disposal

**Repackaging or Disposal (3 AAC 306.370(d)(1)(D))**

**5.1. Describe how you will dispose of or repackage unconsumed marijuana or marijuana product in accordance with 3AAC 306.740 and 3AAC 306.345:**

Good Titrations has a disposal plan for marijuana bud/flower and marijuana edible waste that is not consumed and left behind in the consumption area. The marijuana bud/flower or edible waste will be immediately collected by a staff member and stored in the marijuana waste locked container for three days prior to rendering it unusable by mixing with compostable and non-compostable materials such as: food waste, cardboard, paper, yard waste, vegetable oil etc.( as per MJ-03 operating plan supplemental). Customers wishing to take unconsumed products from the onsite consumption area home will be able to do so by having a Good Titrations staff member package unconsumed products in accordance with 3 AAC 306.345. Good Titrations will collect all non consumed marijuana and products that are left behind and dispose of them in accordance to 3AAC 306.740. Notice to customers of this policy will be provided to customers prior to their purchase of product in the onsite consumption area.
