Re: Limited Marijuana Cultivation Facility License #14099

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of ownership for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-17c License Transfer Application**
  - Section 6: Please read the statements provided, and then sign your initials in the box to the right of the statements.
  - Please refer to the requested corrections below under MJ-07, MJ-08.

- **MJ-07 Public Notice Posting Affidavit**
  - Because the public notice is the MJ-17c, and the MJ-17c was signed and notarized on February 10, 2020 (after the posting period had ended), a true copy of the application (signed and notarized) could not have been posted. Based on the discrepancy listed above, after correcting the MJ-17c, please repost the MJ-17c at both, the location of the proposed premises and another conspicuous location for ten days, and then submit a new MJ-07 completed and signed in front of a notary after the posting period has ended.

- **MJ-08 Local Government Notice Affidavit**
  - Because the public notice is the MJ-17c, and the MJ-17c was signed and notarized on February 10, 2020, a true copy of the application (signed and notarized) could not have been submitted to the local government on January 6, 2020. Based on the discrepancy listed above, after correcting the MJ-17c, please notify or re-notify (I see that you notified the City of Palmer, but our database shows that the Borough is your local government) the Matanuska-Susitna Borough and the Fishhook Community Council by submitting to them the MJ-17c, and then submit a new MJ-08 completed and signed in front of a notary.

- **Proof of Possession for Proposed Premises**
    - In the Section labeled, 1. Premises and Term, it discusses an attached map, but there is not a map attached. Please either attach the map or correct that wording.
    - Because the Transfer has not been effectuated, and essentially, the current licensee should still have legal right of possession to the premises, please correct the commencement dates on the lease. If preferred, the lease can say something along the lines of, "effective not earlier than the effectuation of the transfer.", or something similar.

- **Alaska Residency**
    - James, please follow up on the status of your PFD with the Permanent Fund Dividend Division, and then update us with the resolution.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis
