Re: Retail Marijuana Store license #30783

Dear applicant,

AMCO has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-02 Premises Diagram** (these are the same questions/requests I posed in notice for 30782.
  - I did not see in your MJ-02 Diagram 2 (the outline of legal right to possession), and Diagram 4 (aerial view of the entire lot and surrounding properties).
  - The area marked as "Not In Project" what is this area and what is it being used for?
  - The image below is from your MJ-02 in this application, and the same information appears in a couple of diagrams. It is confusing that you have the name and license numbers from prior applications. Please fix it.

LICENSEE:	DON BROOKS
DOING BUSINESS AS:	BARELY LEGAL, INC.
PREMISES ADDRESS:	1036 EAST 4TH AVENUE
CITY:	ANCHORAGE
STATE:	ALASKA
ZIP:	99501

LICENSE NUMBER/TYPE: 16966 - MARIJUANA CULTIVATION
LICENSE NUMBER/TYPE: 17053 - MARIJUANA RETAIL STORE

- **Food Safety Permit Application**
  - When this application was first put in the queue back in November, I asked that you please submit your food safety permit application to Department of Health with the Muni and asked for a copy of it. I did not find that you ever provided us with a copy of that application, please provide me a copy of it when you send in your corrections.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. That deadline is August 17, 2022.

Respectfully,

Jane P. Sawyer, Regulations Specialist
