Re: Conversion of Standard Marijuana Cultivation Facility License #19204 to Limited Marijuana Cultivation Facility

Dear applicant,

The AMCO Office has reviewed the documents submitted for the license type conversion of the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-29b License Conversion Application**
  - Section 1:
    - Please include "Building B" in the Premises Address.
    - Please remove Willow Community Council from the Local Government 2 box, and just leave it blank or write "N/A". The Local Government 2 box is for communities with two local governments such as, the City of Fairbanks and the Fairbanks North Star Borough.

- **MJ-00 Application Certifications**
  - Please submit an MJ-00 for Peter Walsh.
  - For William's MJ-00, to be consistent with the rest of the application, in Section 1, please correct the License Type to say, "Limited Marijuana Cultivation Facility".

- **Miscellaneous**
  - Instead of requesting for you to submit and MJ-29c License Conversion Operating Plan Change, and because your most recent MJ-15 Operating Plan Change was approved by the board, I am not asking for corrections to your Operating Plan with this Conversion Application. However, for our office's purposes, would you mind adding a clarification to Page 2, Section 4 of the MJ-04 (attached in the email)? For all of the sentences that start with, "2 @..., 1 @..., 3 @...", please correct them to say something along the lines of, "2 tables @..., 1 table @..., 3 tables @..."

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis
