Re: Southeast Alaska Laboratories LLC, License #10512
Request for New Scientific Director (MJ-06)

Dear Mr. Zielinski:

The Environmental Health Laboratory (EHL) Laboratory Certification Program (LCP) has reviewed MJ-06, the proposal for Olivia Bingham serving as the Scientific Director at Southeast Alaska Laboratories LLC in Juneau, Alaska. The EHL LCP does find she appears qualified for the position per the requirements provided in 3AAC306.630(b)(3). The EHL LCP can further assess her qualifications in more detail during the onsite audit conducted as part of the application approval process.

If you have any questions or require additional information, please feel free to contact me at (907) 375-7799 or DECLabCert@alaska.gov.

Sincerely,

Steven R. Crupi
Quality Systems Manager
Environmental Health Laboratory
