

MEMORANDUM

TO: ABC Chair, Klein and Members of the Board **DATE:** April 15, 2015
FROM: Cynthia A. Franklin, Director **SUBJ:** Authorization to arm
Amanda Bean

Chair Klein and Members of the Alcoholic Beverage Control Board:

I am requesting your delegated approval to arm our new ABC Investigator stationed in Fairbanks, Amanda Bean, pursuant to the provisions provided for in 3 AAC 304.505(b).

Given the very recent date of hire, the Department of Public Safety Commissioner has not yet had the chance to give his written concurrence granting peace officer powers for Investigator Bean in accordance with the provisions set forth in AS 04.06.110 and AS 17.38.085. Therefore, I am requesting delegated authority for Investigator Bean to be armed contingent upon the approval of the Commissioner of the Department of Public Safety.

Amanda Bean has year and a half of law enforcement experience in Alaska, serving as the Police Officer for the City of North Pole. Amanda Bean holds a Basic Police Officer certification from the Alaska Police Standards Council.

Thank you in advance for your consideration.
