RE: Mercy Tree of Alaska lic. 11118

Mercy Tree of Alaska, a standard marijuana cultivation facility, is requesting approval of its updated MJ-01 and MJ-04 on updated forms. Because of the number of changes, the licensee submitted full updated applications but not everything is changing, some things are staying the same as previously approved by the board. The licensee submitted a summary of the changes which is attached.
Licensee is responsible for chemicals used on the plant. Temporary was approved.
