MEMORANDUM

TO: Chair and Members of the Board

DATE: October 9, 2020

FROM: Jane P. Sawyer
Regulations Specialist

RE: Alaska Skunkworks, LLC
License 13776

Alaska Skunkworks, LLC, a standard marijuana cultivation facility, is requesting approval of their updated MJ-01 and MJ-04. At the time of this memo, the licensee was still in Active-Pending Inspection status and was ready to call enforcement for an inspection.

The updated MJ-01 and MJ-04 were reviewed and they seem to be in line with what the board approved for them before and in general. Licensee confirmed there were no changes to the premises diagram due to the updated MJ-01 and MJ-04. Temporary was approved.
