Product Name:	Moose Milk		
Product Type:	edible beverage		
Perishable: Yes/No	Y	**Shelf Life:** If perishable.	6 months, frozen

Product Description: Details must include the color, shape, and texture.	This is a white cow milk with THC-infused MCT oil. It will be liquid and need refrigeration. Moose milk will come in several flavor varities: plain, vanilla, cinnamon, almond, chocolate, strawberry, eggnog, mint, horchata, chai, golden, and coffee.
Ingredients: This box is not applicable to marijuana concentrates.	Whole milk, THC-infused MCT oil, flavor addition (cane sugar, cacao powder, cinnamon, heavy cream, eggs, strawberry powder, flavor oil (mint, strawberry, almond), turmeric, black pepper, chai spice), organic bourbon flavor powder, coffee
Standard Production Procedure and Detailed Manufacturing Process:	Measure milk, mix with THC-infused MCT based on potency of infusion; stir into milk, mixing thoroughly to evenly distribute THC. Bring temp up to 160 degrees F to pasturize for 15 seconds. Add flavor additions. Quarantine and label batch for testing. Pour infused milk into serving bottles, label and store for sale.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.	

Section 7 – Proposed Product Packaging and Sample Labels

Review the requirements under 3 AAC 306.520, 3 AAC 306.565, and 3 AAC 306.570.
Attach a completed copy of this page for each proposed marijuana concentrate or marijuana product.

Product Name:	Moose Milk
Product Type:	edible beverage

Packaging Description: Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565.
