Received! I had everything ready to go yesterday in case it came back before I was done for the day, so unless I come across something wild while deeming it complete—the next email you will receive from me will be the completion notice
when I'm done deeming this and putting it on the agenda! Woohoo!!

If you don't have it by 9am (because deeming takes forever), please call me.

Randi-
Oopsie. I thought I'd sent this to you but it looks like this file didn't go out with the last batch. Lease now resubmitted with signature page attached as originally intended; Standard "landlord won't take the pot" verbiage is in there- line item 15. Hopefully, with this resubmission, you can mark this application "complete" and forward them on for board approval. Hope your week is off to a good start. Please let me know if there is anything else you need!

Thanks!

Subject: Re: 26645 Ski Bunny Buds Incomplete New Application 011421

Good Afternoon,
Thank you for your letter regarding Ski Bunny Buds, LIC#266456, dated 1/14/2021.
Regarding the MJ-01:
Please find “ski bunny signed MJ-01 for resubmission.pdf” attached. Section 3.7 is now inclusive of the verbiage specified. Thank you for making that one so easy. Also, section 7.5 had been modified and 7.7 has been amended to be more accurate and consistent with the MJ-02 diagram(s).
Regarding the MJ-02:
This building is a new, single-story detached garage/shop being constructed on the licensees personal property, adjacent to his home. There is no bathroom within the facility, and the licensees will need to exit the cultivation and walk to the home to use the restroom. There will be a water supply and handwash sink available in the

licensed premises and it is now show in the amended MJ-02 diagrams. Please find them attached.
Regarding the MJ-07:
The licensees did post the public notice at the proposed premises and at another conspicuous location, I just sent you the unsaved file. I apologize for the oversight and hope you will accept the filing of the attached original MJ-07. Should this be unacceptable, the licensee presently had the public notice reposted and will be prepared to sign and file a fresh MJ-07 before the final submission date for the upcoming board meeting.
Regarding Proof of Residency:
I have requested both licensees file for their 2021 PFD and provide proof of filing/eligibility status and will provide you documentation once I am in receipt. Since this application was filed in 2020- can you use their 2020 eligibility status for verifying residency? Nothing's changed… Could this keep them from making the board meeting?
Please advise as to the MJ-07 and proof of residency. I'll provide additional follow up and documentation as necessary.
Thank you!

Ski Bunny MJ-07 for submission.pdf

Good Afternoon,
Thank you for your letter regarding Ski Bunny Buds, LIC#266456, dated 1/14/2021.
Regarding the MJ-01:
Please find "ski bunny signed MJ-01 for resubmission.pdf" attached. Section 3.7 is now inclusive of the verbiage specified. Thank you for making that one so easy. Also, section 7.5 had been modified and 7.7 has been amended to be more accurate and consistent with the MJ-02 diagram(s).
Regarding the MJ-02:
This building is a new, single-story detached garage/shop being constructed on the licensees personal property, adjacent to his home. There is no bathroom within the facility, and the licensees will need to exit the cultivation and walk to the home to use the restroom. There will be a water supply and handwash sink available in the licensed premises and it is now show in the amended MJ-02 diagrams. Please find them attached.
Regarding the MJ-07:
The licensees did post the public notice at the proposed premises and at another conspicuous location, I just sent you the unsaved file. I apologize for the oversight and hope you will accept the filing of the attached original MJ-07. Should this be unacceptable, the licensee presently had the public notice reposted and will be prepared to sign and file a fresh MJ-07 before the final submission date for the upcoming board meeting.
Regarding Proof of Residency:
I have requested both licensees file for their 2021 PFD and provide proof of filing/eligibility status and will provide you documentation once I am in receipt. Since this application was filed in 2020- can you use their 2020 eligibility status for verifying residency? Nothing's changed… Could this keep them from making the board meeting?
Please advise as to the MJ-07 and proof of residency. I'll provide additional follow up and documentation as necessary.
Thank you!
