Alaska Marijuana Control Board

Form MJ-15: Operating Plan Change

What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. **The required $250 change fee may be made by check, cashier's check, or money order.**

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☐ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☑ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
  - Amending an approved product
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

Section 2 – Summary of Changes

Provide a summary of the changes for which you are requesting approval.

This is a request to add an additional ingredient (Alaska Hemp Program-approved hemp concentrate) to previously-approved products. The requested changes would permit the licensee the option to offer a version of all of these products that includes an Alaska Hemp Program-approved hemp concentrate (such as CBD or CBG) in the ingredients. The affected previously approved products are: Canna Caps, Alaskan Rescue Balm, Honey Stix, Cherry Gum Drops, FEEHO, Distillate, Sea Salt Caramels, Strawberry Rhubarb Lollipops, Tangerine Dream Chews, Vanilla Bean Marshmallows, Vape Pen, and Cold Creek Tincture.

The only substantive changes made to these products are to include Alaska Hemp Program-approved hemp concentrate in the ingredients list and production process sections.

-Note 1: Because some of these products were approved several years ago on various versions of the old MJ-05 and MJ-16 forms, the licensee is providing current MJ-16 forms for all of the products, instead of just the changed sections. This will allow AMCO to have full, current information on each product.

-Note 2: AMCO previously approved a form MJ-15D to increase the THC content in each of the edible products contained in this application. For ease of review and to minimize future confusion, those approved THC content changes have been included on the attached MJ-16 forms.

Section 3 – Declarations

Read each statement below, and then sign your initials in the corresponding box to the right: Initials

The proposed changes conform to all applicable public health, fire, and safety laws. CI

I understand that any temporary approval granted by the director is pending a final decision by the MCB; therefore, any investment I make, based upon temporary approval, is at my own risk. CI

As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.
