RE: Higher Altitude Manufacturing #11304

Higher Altitude Manufacturing, a marijuana product manufacturing facility, is requesting approval of amendments to three of their already approved products, Chocolate Chip Cookie Bites, Milk Cookie Bites, and Brownie Bites. They are requesting additional packaging sizes. Instead of just 10 cookies per package, they are changing their packaging options to 2, 4, or 10 cookies per package. Instead of 10 brownies per package, they are changing their packaging options to 4 or 8 brownies per package.

Temporary approval was granted.
