Here are all the requested corrections.
We never took pictures of the envelopes with public notices that got sent out.
I asked if "photocopies of the postmarked envelopes would work for proof"
i was told "I can't say definitively that photocopies of the postmarked envelopes would work without looking at them"
So this did not take place. Instead I got a list of all the addresses we sent a notice to and provided a stamped receipt from the post office as proof.
I also had a couple of the Village Council members help me with this process who are mentioned in attached letter

MJ-12 Narrative

In the attached maps titled Map#1, Map#2, and Map#3. The red lines represent all road systems located with 5 miles of the proposed establishment and this being the area that signatures were obtained from all residents who were available who live within that 5 miles. There are only 2 roads within 5 miles of the establishment. The Alaska Hwy and Northway Rd. We attempted to get signatures from every resident within the 5-mile radius illustrated on the attached maps. This was done by us going door to door to request signatures. Chaaiy Albert and Lorraine Titus board members of the local tribal council Northway Village Council assisted us with accomplishing this task to ensure that there are in fact 70 individual Permanent Residents within that 5 mile radius area.
