Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Licensee:	L & J Ventures, Inc.	**MJ License #:**		15790

Form MJ-16: Proposed New Marijuana Product

Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

Product Description: Details must include the color, shape, and texture.	Heavy Hitter Oil has a consistency of a thick sticky liquid that takes the shape of its container. Heavy Hitter Oil ranges in color from clear to dark amber.
Ingredients:	N/A
Standard Production Procedure and Detailed Manufacturing Process:	In measured combinations CO2 Oil, Winterized Oil, Distillate or other approved Scorpion Grass concentrates will be prepared for loading into applicators. Concentrates will be homogenized prior to loading. Homogenized mixture is then loaded into applicators via metered syringe which will insert a measured amount of concentrate into each applicator. Selected concentrate, solvent used, and any terpene addition (such as; tea, thyme, cannabis, spanish sage, citrus fruits etc.) will be cleared indicated on label.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.

Section 4 – Proposed Product Packaging and Sample Label

Enter information for the packaging and labeling of the marijuana product for which you are seeking MCB approval.

Packaging Description: Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565. Please include photos, drawings, or graphic representations.	Up to 7 grams of Heavy Hitter Oil will be packaged into a plastic or glass applicator. The applicator will then be packaged into a mylar bag, box, plastic container, cardboard tube, or blister package. The product's complete packaging will be resealable and child resistant. Retail stores will ensure purchases are in opaque exit bags. The total THC content will range from 50-99% with the actual THC content listed on the label per the testing results. Up to five (5) pounds of Heavy Hitter Oil will be stored in sanitized food-grade containers for wholesale sales and in-house use with their respective labels and test results.
Sample Labels: Provide sample labels showing how the labeling requirements set forth in 3 AAC 306.570 will be met.	**License Number:** 15790 **Batch/Lot Number:** 000BA8675 **Net MJ Weight:** 0.5 gm **Tested By:** ABC Testing **License Number:** XXXXX **Heavy Hitter Oil** **Strain:** Mint **Retailer:** Scorpion Grass **License Number:** 15788 **Total THC:** XX% **CBD:** XX% **CBN:** XX% Cannabis Company SCORPION GRASS Established 2017 **THCA:** XX% **CBDA:** XX% **METRC #:** 3688750000364511 15AB **Microbial Test:** **Pesticides:** **Herbicides:** **Fungicides:** **Residual Solvent Test:** **Contaminants Test Result:** **Alaska Safety Warning:** Marijuana has intoxicating effects and may be habit forming and addictive. Marijuana impairs concentration, coordination, and judgment. Do not operate a vehicle or machinery under its influence. There are health risks associated with consumption of marijuana. For use only by adults twenty-one and older. Keep out of the reach of children. Marijuana should not be used by women who are pregnant or breast feeding.

As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.
