Alaska Marijuana Control Board

# Form MJ-16: Proposed New Marijuana Product

**What is this form?**

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

**Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.**

## Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

## Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

| | |
|---|---|
| **Product Description:** Details must include the color, shape, and texture. | Simple Syrup ranges from a light yellow to medium brown translucent color to a beautiful agave (rich amber) color and is smooth and thick. A little of this syrup goes a long way as we infuse it with distillate. Simple Syrup is viscous in nature and takes the shape of its container. |
| **Ingredients:** | Sugar or Brown Sugar or Agave, Water, natural flavoring (see attached flavor list), acacia gum (optional), vegetable glycerin (optional), preservatives (such as: sodium benzoate, acetic acid(vinegar), malic acid, citric acid, potassium sorbate, lecithin, modified food starch, arabic gum, sorbitol and ascorbic acid (optional),Cannabis Concentrate (Cannabis Concentrate will consist of either; crumble, shatter, rosin, kief, wax, tincture, natural fat extraction butter or cannabis oil) Actual Cannabis Concentrate used in production will be clearly indicated on the final product label. |
| **Standard Production Procedure and Detailed Manufacturing Process:** | Boil all ingredients together until they thicken, cool and then pour into an airtight container. |
| **Depiction:** Provide a photograph, drawing, or graphic representation of the expected appearance of the final product. | |

## Section 4 – Proposed Product Packaging and Sample Label

Enter information for the packaging and labeling of the marijuana product for which you are seeking MCB approval.

**Packaging Description:**
Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565. Please include photos, drawings, or graphic representations.

Simple Syrup's intended use is in-house for production of approved (and proposed) Higher Altitude Manufacturing products or sold wholesale to other licensed manufacturers. Simple Syrup will be stored in sanitized clear high temperature air-tight containers. THC will range from 25-99% with the final testing facility results indicated on the label.
The labels will have the actual THC % of the batch as well as recommended serving for tea batches and juices. The label will also have the date the syrup was made along with a use by date.
Simple Syrup may also be packaged in clear 4 oz glass or plastic bottles. Each bottle will hold 50 mg of THC with 5 mg servings marked on the labels. 1 single serving is .4 oz - 5 mg of THC 10 servings per bottle 50 mg of THC total. THC levels may increase to 10 mg of THC per single serving with 100 mg of THC per bottle with the approval of the AMCO edible limit regulation change.

**Sample Labels:**
Provide sample labels showing how the labeling requirements set forth in 3 AAC 306.570 will be met.

**Produced By:** Higher Altitude Manufacturing
**License Number:** 11304
**Product Name:** Simple Syrup **Strain:**
**Batch/Lot Number:** **Gross Weight:** **Net MJ Weight:** **OZ( g)**
