Product Name:	Hash Chocolates		
Product Type:	Edible		
Perishable: Yes/No	Yes	**Shelf Life:** If perishable.	Up to 1 year.

Product Description: Details must include the color, shape, and texture.	The Chocolate will range in color from light brown to dark brown. The product will be shaped into our Red Run brand "mark", which are the double "R"s. The product's texture will be hard and smooth.
Ingredients: This box is not applicable to marijuana concentrates.	1. Chocolate 2. Decarbed Cannabis Oil 3. MCT Oil 4. Lecithin
Standard Production Procedure and Detailed Manufacturing Process:	Heat will be applied to the chocolate to render it into a liquid form. The Cannabis Oil, MCT Oil, and Lecithin will all be heated and combined then added to the chocolate and mixed together in a manner ensuring even distribution. Finally, the mixture is poured into custom Red Run molds and put into the fridge to harden. Chocolates will be individually wrapped in red foils.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.	 *Center line denotes the Demarcation line embedded within the middle of each chocolate. Each piece, the Left "R" and the Right "R" are an individual serving size of 5mg.

Alaska Marijuana Control Board

Form MJ-15d: Previously Approved Edible Product THC Limit Change

What is this form?

This form is required for all licensed marijuana manufacturers seeking to add the option of 10 milligrams (mg) per serving/100mg per package to their licensed manufacturing facility's currently approved products' THC content limit as described under 3 AAC 306.560, unless otherwise approved by the board.

The required $250 change fee may be made by check, cashier's check, or money order.

This form is the only required application to solely add the option of 10mg THC per serving/100mg THC per package (individual servings in a package may not be greater than 10 mg) to any of your current approved marijuana edible products. If any other changes are being requested, they must be requested on form MJ-15: Operating Plan Change.

This form must be completed and submitted to AMCO's main office prior to changing THC content in edibles. The licensed manufacturer's production of their currently approved edibles containing THC may not be altered unless and until the director has given approval.
