

MEMORANDUM

TO: Robert Klein, Chair, and
Members of the ABC Board

DATE: October 16, 2017

FROM: Erika McConnell
Director, ABC Board

RE: The Porterhouse Grill #5569
Restaurant or Eating Place –
Public Convenience

The applicant has been seeking a Restaurant or Eating Place – Public Convenience license. His first petition did not meet the regulatory requirements of 3 AAC 304.335 in that he submitted 138 valid signatures collected over a 149 day period, when he was required to submit 702 valid signatures collected within a 90 day period.

In addition, the applicant falsified dates on five petition pages. AS 04.11.320(a)(8) requires the board to deny a new license if the application contains false statements of material fact (as the board did in 2015 when this applicant submitted an application with a false statement of material fact relating to criminal history).

The applicant was permitted to collect and submit signatures for a second petition. In this submittal, he attested to a requirement of 402 valid signatures, but only submitted 362 valid signatures.

Additional explanation and documentation, as well as correspondence with the City of Soldotna, is attached.

Dear ABC Board,

As requested, we have prepared the attached map showing all of the parcels within a one-mile radius of the movie theater. According to the Matanuska-Susitna Borough tax records, we have identified 217 residential homes within this radius. The assumption used for past petitions was that there be, on average, one adult over the age of 21, per household. Therefore, you will need to obtain a minimum of 111 signatures, representing 51% of permanent residents in the area. *

Sincerely,

Bert Cottle
Mayor

Director Letter to Porterhouse

ALCOHOL & MARIJUANA CONTROL OFFICE

Mr. Steve Drolet
The Porterhouse Grill

Soldotna, AK 99669

Re: Application for License #5569 for The Porterhouse Grill

Dear Mr. Drolet:

You have applied for a Restaurant or Eating Place – Public Convenience license from the Alcoholic Beverage Control Board.

As you know, the criteria for an REPL public convenience license requires that you show community support by submitting a petition signed by a majority of the residents 21 years of age or over who reside within one mile of the proposed premises (3 AAC 304.335(a)(2)). The regulation provides no guidance on how to calculate this number of residents. The Kenai Peninsula Borough provides land use data that indicates the number of parcels within the one-mile radius that are being used for residential purposes. The Alaska Department of Labor and the US Census provide population information for the City of Soldotna. These sources indicate that there are over 800 properties within the one-mile radius that are developed with a residential use (single-family home, duplex, multi-family structure), that the average number of persons per household in Soldotna is three, and that the approximately 69.7 percent of the population of Soldotna is 21 years of age or over.

The number of parcels is not firm, as there is no guidance regarding parcels that are partially inside and partially outside of the one-mile radius. Additionally, we do not have information regarding the number of dwelling units on each parcel. A conservative estimate assumes 802 parcels as you have attested to, and that each parcel has only one dwelling unit (even though we know this to be inaccurate). Using this information, we can extrapolate that given 100 percent occupancy of all the applicable parcels, 1,677 people 21 years of age or older live within the one-mile radius. You have indicated that there are many properties that are for sale or rent, although we have no exact number or percentage. Estimating conservatively (meaning working towards a lower number), a 25 percent

vacancy rate would leave 1,258 people 21 years of age or older within the subject area. This estimate concludes that your petition would need 630 valid signatures in order to meet 3 AAC 304.335.

The City of Soldotna originally indicated that 1,403 people 21 years of age or older reside in the subject area and 702 valid signatures would be needed on the petition (Stephanie Queen letter, 2/27/17). After the September 13 ABC Board meeting, the City of Soldotna indicated that they would be satisfied with 500 valid signatures (Stephanie Queen letter, 9/13/17). When asked if fewer than 500 signatures would be acceptable, the City of Soldotna responded with an email containing the following statements (Mark Dixon email, 9/19/17):

- We have no legal basis to be concerned with the number or the validity of the signatures...
- By requiring the municipality to establish a “number”, it places our administration in an adversarial position with our business owners. That is not acceptable when we are trying to create a business friendly environment. The only reasonable answer is for our administration to no longer provide the “number” required.

You submitted a second petition (as your first submitted petition did not contain enough valid signatures) on August 30 (26 pages) and September 8 (2 pages). While this petition contained 552 signatures, only 362 signatures were valid in that they were by people who indicated they lived within one-mile of the proposed premises.

After I informed you of this, I received additional correspondence from the City of Soldotna stating the following (Mark Dixon email, 10/3/17):

- Unfortunately, both [preparing the petition and reviewing the petition] are premised on an estimate provided by the City which has no real basis in fact or science.
- It [the estimate of residents] is merely a guess required from a well-intended regulation with many unintended consequences. The intent is show community support for the applicant’s business with an arbitrary one mile radius, which like the number provided by Ms. Queen has no basis in fact or science that one mile is a predictor of community support especially when communities are mobile.
- The City of Soldotna finds that the number of signatures provided within the one mile radius to be a reasonable estimate of the number of 21 year old residents in that area.
- No one can accurately determine the exact number of adults over 21 in a one mile radius.

Mr. Dixon calls into question whether or not the petition process can truly show community support. While that is a valid question and the ABC Board has decided to re-evaluate the regulations that define “public convenience,” the regulation is the law today and must be followed.

You have submitted two signed and notarized documents. The first states that under penalty of perjury, the number of residents 21 years of age or older who live within one mile of your restaurant is 1,403 and that 702 signatures are required, and that all information including signatures you submitted is “true, correct, and complete.” The second document states that under penalty of perjury, the number of residents 21 years of age or older who live within one mile of your restaurant is 802, that your petition totals 500 signatures, and that all information, including the signatures, is “true, correct, and complete.” Neither of these documents appear to be accurate.

While I understand that an exact number of residents who are 21 years of age or older who reside within one mile of your restaurant cannot be determined with certainty, the information available to us does allow us to create a very credible estimate, which is greater than 500. Your second declaration was that 402 signatures were required. Neither of these numbers have been achieved. **Therefore I cannot issue you a temporary license.**

I will bring your application to the ABC Board at their next meeting for the board’s consideration. At this time, the next ABC Board meeting is scheduled for November 13. It is possible the board may hold a special meeting before November to consider a different issue—if that is the case, I will do my best to schedule consideration of your application at the special meeting.

Dear Ms. Oates:

I understand the owner of the Porterhouse Grill restaurant, located at 44619 Sterling Highway in Soldotna, is in the process of applying for a Restaurant/Eating Place designation and public convenience license. The purpose of this letter is to provide an estimate of the number of City of Soldotna residents, 21 years of age or older, living within a 1-mile radius of the restaurant.

The smallest geographic unit for which we have population data, is the census block level. Using our Geographic Information System (GIS) and census block data, I estimate there are approximately 2,012 city residents (including children) living within a 1-mile radius of the restaurant. Of these, we estimate approximately 69.7% are 21 years of age or older.

I would therefore estimate the number of city residents 21 years of age or over, who reside within a 1-mile radius of 44847 Sterling Hwy., is 1403 persons.

Consequently, 702 signatures would be required to achieve the requirements of 3 AAC 304.335.

Please feel free to contact me if you have any questions about this estimate, and thank you for an opportunity to provide input.

Sincerely,

Dear Ms. McConnell:

On September 13th, I attended (telephonically) the informal conference between Steve Drolet, owner of the Porterhouse Grill in Soldotna, and the ABC Board. The meeting was regarding his application for a restaurant eating place / public convenience license for his restaurant located at 44619 Sterling Highway in Soldotna, and a request to revisit the board's previous determination from their July meeting.

It is my understanding that Mr. Drolet has submitted more than 500 new signatures to the ABC Staff, for consideration. He testified to the Board that his method of obtaining signatures was to go door-to-door in neighborhoods located within 1-mile of his restaurant. He indicated that many properties are vacant, either listed for sale or possibly had owners who are 'snow birds' and gone for part of the year. He also encountered properties posted with 'No Soliciting' signs.

I believe that all these situations exist, as he describes. Therefore, it is not unreasonable to expect the actual population living within 1-mile of his business to be lower than our original estimate.

Mr. Drolet believes the signatures he has provided are sufficient to exceed the 50% threshold, established in Alaska Administrative Code for public convenience licenses. **We ask that you deem his petition complete, and finalize the review process in a timely manner.**

[Proposed 3 AAC 304.335.docx](#)

Good morning Ms. McConnell:

We have no legal basis to be concerned with the number or the validity of the signatures obtained by the Porterhouse Grill. Under 3AAC 304.335, the only obligation on the municipality is to approve or disapprove the application. The City of Soldotna approves the application itself for issuance of a public convenience license.

At some point in history, an obligation was created on the municipality to establish a number of signatures required under 3AAC 304.335{2}. As you know, there is no standard for determining a "number" and that "number" is derived by municipalities differently, but all using available public information, yet interpreting it in different ways..

By requiring the municipality to establish a "number", it places our administration in an adversarial position with our business owners. That is not acceptable when we are trying to create a business friendly environment. The only reasonable answer is for our administration to no longer provide the "number" required. We will advise our business applicants on the methods of calculating number of residents 21 years of age or over and will assist them in developing the application. We will also cooperate and assist your office as we have done in the past, since we all have the same overall objectives in mind.

As you are aware, the City of Soldotna has been very concerned about the process and limitations in providing our restaurants with a license to serve beer and wine. We have a concentrated city boundary serving up to 10 times our population. Our business district serves the majority of the central peninsula region, yet the liquor license laws discourage responsible business owners from locating within our city where we have law enforcement and other services, yet it encourages location in areas where such services are scant. We also know that restaurants are drivers in our economy and have a positive, not a negative effect on alcoholism. The current system is upside down and I applaud the ABC Board for opening up the regulation to be re-written.

The City of Soldotna has proposed that the burden of determining public convenience be shifted from your office to the municipality. It only makes sense for the municipality closest to the public to determine if in fact the public would be "convenienced" by the issuance of a license. Our proposal is to take the language from SB 76 and insert it into 3AAC 304.335. Please see attached. SB76 is intended to repeal public convenience licenses. Once passed, the administrative part will remain the same; the only difference is that the authority shifts from the Administrative Code to the Alaska Statutes.

The City of Soldotna respectfully requests to be a part of the re-write of 3AAC 304.335. We are closer to the issue than most and can provide a municipality's insight on the issue.

Thank you for your time, patience and understanding in this matter. Please feel free to contact me at your convenience to discuss this matter in more detail.

Dear Ms. Queen and Mr. Dixon,

Thank you for your letter. I know this is a complicated and difficult situation, but I am concerned about setting a precedent of a local government not making a numerical determination of adults within the required mile radius.

Your letter states that you are confident that the number of adults in the surrounding radius is lower than your original estimate, and you also state that you are aware that he has submitted more than 500 signatures. I am wondering if you are concerned with how many of the signatures submitted by Mr. Drolet are valid. I will be validating the signatures to determine how many signors live within a mile of the proposed licensed premises. If, like last time, he has submitted many invalid signatures, the number could drop significantly below 500. I will let you know as soon as I've validated the signatures.

As you may have heard at the meeting, the ABC Board has opened a regulations project to rewrite the regulations on public convenience licenses, so hopefully these types of situations will not occur in the future.

Thank you,

Dear Ms. McConnell:

I am in receipt of your October 2, 2017 correspondence to Steven Drolet and the accompanying marked up petitions. It appears that all have put a lot of work into preparing the petition and in reviewing the petition. Unfortunately, both are premised on an estimated provided by the City which has no real basis in fact or science. It is merely a guess required from a well-intended regulation with many unintended consequences. The intent is show community support for the applicant's business with an arbitrary one mile radius, which like the number provided by Ms. Queen has no basis in fact or science that one mile is a predictor of community support especially when communities are mobile. The City of Soldotna finds that the number of signatures provided within the one mile radius to be a reasonable estimate of the number of 21 year old residents in that area. This is supported by the fact Mr. Drolet had employees and volunteers walk door to door to every residence in that one mile radius and beyond. It is hard to believe that walking door to door did not find at least 50 percent of the adult residents home. No one can accurately determine the exact number of adults over 21 in a one mile radius. That number is a moving target which changes day to day as people move, die or attain their 21st birthday. Yesterday's number is no longer valid today and today's number is out of date tomorrow.

So whatever number the City provided earlier is no longer a valid number today. The City therefore determines that the number of verified signatures more than meets the requirements of the regulation.

I also mention that the sheer number of signatures outside the one mile radius further support the intent of the regulation to determine if there is community support.

I thank you for your work and effort. I hope this letter makes your determination easier.

Director Report to ABC Board
July 11, 2017 Board Meeting

MEMORANDUM

TO: Robert Klein, Chair, and
Members of the ABC Board

DATE: July 11, 2017

FROM: Erika McConnell
Director, ABC Board

RE: The Porterhouse Grill #5569 Restaurant
or Eating Place – Public Convenience

Mr. Steve Drolet moved his restaurant, The Porterhouse Grill, from Sterling to Soldotna. As Soldotna did not have any restaurant or eating place licenses available due to population limits, Mr. Drolet applied for a restaurant or eating place – public convenience license under 3 AAC 304.335. This section of regulation requires that the license applicant show community support for the issuance of a license over population limits by submitting a petition signed by a majority of the residents 21 years of age or over who reside within one mile of the proposed premises. The local governing body must also approve the application.

3 AAC 304.115(a) states:

If required by statute or regulation, a petition is a necessary part of an application for a new license, and for renewal, transfer, or relocation of an existing license. An application submitted without the required petition is incomplete. All petitions must be on forms prescribed by the board. Petition signatures must be obtained within the 90-day period immediately preceding the submission of the application. After an application has been filed, no additional signatures may be added to the petition, and no signatures may be withdrawn.

The application was first submitted on March 28, 2017. It was returned on March 30 as significantly incomplete. A second application was submitted on April 10 but has not yet been deemed complete. Corrections to the application were being made in mid-June.

The file has a letter from the Director of Economic Development and Planning at the City of Soldotna, dated February 27, 2017, calculating the approximate number of residents within a mile of the proposed premises, and the number of those residents likely to be 21 years of age or older. Based on those calculations, Mr. Drolet was told that he needed to get 702 signatures.

The applicant began collecting signatures for the petition on December 21, 2016. I do not know how many signatures were turned in with the April 10 application. It appears that the office has been

flexible with the timing of accepting petition signatures, as Mr. Drolet was provided (unfortunately incorrect) information regarding the remaining number of signatures he needed to collect. Petition pages were submitted over time, and somehow, the file ended up with multiple duplicate pages. It appears neither Mr. Drolet nor my office kept track of the number of signatures very well.

I began to review the situation about mid-June when the examiner working on the application was out for an extended period of time. A closer look at the signatures provided so far revealed that a great percentage of the signors did not live within a mile of the proposed licensed premises. Mr. Drolet and I met on June 19 and reviewed the situation. I reminded him of the regulatory language and sent him an email later that day stating that if he was to get all corrections to his application and petition signatures in by June 23 (the board meeting deadline), only signatures collected after March 25 could count, and of those that had been submitted since that date, only 20 were valid. The applicant was unable to submit the required number of valid signatures by June 23 so I deemed his application incomplete. Mr. Drolet has requested to appeal this decision pursuant to AS 04.11.560.

It is unfortunate that the applicant did not keep better track of the signatures he collected, and I regret that my examiner did not do a better job evaluating the signatures. It is true that my office told Mr. Drolet on May 24 that he only needed 78 more signatures, but it appears she counted duplicate pages and also did not eliminate signatures of people who lived outside the one mile radius around the proposed licensed premises. In actuality, the total number of petition signatures submitted (between December 21, 2016 and April 30, 2017, which is 130 days) is 518, and a great many of those are not from people who live within the required one mile radius. My office has evaluated the 115 signatures received between March 25 and June 23 (90 days) and only 20 are valid.

Recommendation: Uphold the director's decision of an incomplete application

Director Report to ABC Board
September 13, 2017 Board
Meeting

MEMORANDUM

TO: Robert Klein, Chair, and

DATE: September 13, 2017

RE: Request for Informal Conference with
ABC Board by The Porterhouse Grill
#5569 Restaurant or Eating Place –
Public Convenience

At the July 11, 2017, board meeting, the applicant appealed the director's decision that his restaurant or eating place – public convenience license application was incomplete. The board voted 2-1 on a motion to deem the application complete and approve the license. The motion failed pursuant to AS 04.06.060. The applicant has requested an informal conference with the board.

Timeline of Application

- Sometime last summer or fall, Mr. Steve Drolet moved his restaurant, The Porterhouse Grill, from Sterling to Soldotna. He could not transfer his REPL (#5417) to Soldotna, due to population limits.
- Mr. Drolet applied for a restaurant or eating place – public convenience license under 3 AAC 304.115 and .335.
- Based on calculations by the Director of Economic Development and Planning at the City of Soldotna, the required number of valid signatures for the petition required by 3 AAC 304.335 is 702.
- The applicant began collecting signatures for the petition in December of 2016.
- The application was first submitted on March 28, 2017. It was returned on March 30 as significantly incomplete. A second application was submitted on April 10; an incomplete letter was sent on April 20 (email failure) and April 27 and corrections to the application were still being made in mid-June.
- On May 22, 2017, an email was sent from the AMCO licensing examiner to the applicant stating that 626 signatures were received and only 78 more signatures were needed to reach 702. The latest signature collected is dated April 30. No signatures were submitted after May 22.
- On June 5, the applicant was informed that he had until June 9 to provide all documents needed for a complete application or else the application would be returned.
- A closer look (in mid-June) at the signatures provided to date revealed that a large percentage of the signers did not live within a mile of the proposed licensed premises.
- Mr. Drolet and I met on June 19 and reviewed the situation.

- Ultimately 702 signatures of residents within one mile of the proposed licensed premises, collected within a 90 day window, were not submitted.
- Mr. Drolet appealed my decision of an incomplete application pursuant to AS 04.11.560.
- As noted above, the board denied the license on July 11.

After the July meeting:

- Mr. Drolet contacted the Governor's Office who made inquiries to me about the situation.
- A thorough search of all correspondence between AMCO and the applicant found that the licensing examiner threw away some petition pages that were outside the 90 day window, so the board was not made aware of the total number of signatures turned in to the office.
- The missing signature pages were discovered attached to an email sent to Mr. Drolet in late April.
- Ultimately 975 signatures were collected over a **149** day period (December 2, 2016, to April 30, 2017).
- Of those 975 signatures, **138** have a listed address within one mile of the proposed licensed premises, as required by 3 AAC 304.335.
- I discovered that in April, Mr. Drolet resubmitted five petition pages in which he falsified the dates of pages submitted in March, presumably in order to keep within the 90 day window.
- The Governor's Office advised Mr. Drolet to contact the City of Soldotna to discuss the required number of signatures, to start the signature collection process over from the beginning, and to validate all signatures before sending them to AMCO.
- On August 30, Mr. Drolet submitted 27 new petition pages. If each page contains 20 signatures (the max per page), the total number submitted would be 540.
- I have informed Mr. Drolet that at such time as he submits the required number of signatures (still 702 to my knowledge), AMCO will begin a review to see whether the signatures are valid (3 AAC 304.115).

Recommendation: Do not reconsider the board's July decision to deny the license.

A. The Members have formed the Company as an Alaska limited liability company under the Alaska Revised Limited Liability Company Act. The purpose of the Company is to conduct any lawful business for which limited liability companies may be organized under the laws of the state of Alaska. The Members hereby adopt and approve the articles of organization of the Company filed with the Alaska Secretary of State.

B. The Members enter into this Agreement to provide for the governance of the Company and the conduct of its business, and to specify their relative rights and obligations.

ARTICLE 1: DEFINITIONS

Capitalized terms used in this Agreement have the meanings specified in this Article 1 or elsewhere in this Agreement and if not so specified, have the meanings set forth in the Alaska Revised Limited Liability Company Act.

"Agreement" means this Operating Agreement of the Company, as may be amended from time to time.

"Capital Account" means, with respect to any Member, an account consisting of such Member's Capital Contribution, (1) increased by such Member's allocated share of income and gain, (2) decreased by such Member's share of losses and deductions, (3) decreased by any distributions made by the Company to such Member, and (4) otherwise adjusted as required in accordance with applicable tax laws.

"Capital Contribution" means, with respect to any Member, the total value of (1) cash and the fair market value of property other than cash and (2) services that are contributed and/or agreed to be contributed to the Company by such Member, as listed on Exhibit A, as may be updated from time to time according to the terms of this Agreement.

"Exhibit" means a document attached to this Agreement labeled as "Exhibit A," "Exhibit B," and so forth, as such document may be amended, updated, or replaced from time to time according to the terms of this Agreement.

"Member" means each Person who acquires Membership Interest pursuant to this Agreement. The Members are listed on Exhibit A, as may be updated from time to time according to the terms of this Agreement. Each Member has the rights and obligations specified in this Agreement.

"Membership Interest" means the entire ownership interest of a Member in the Company at any particular time, including the right to any and all benefits to which a Member may be entitled as provided in this Agreement and under the Alaska Revised Limited Liability Company Act, together with the obligations of the Member to comply with all of the terms and provisions of this Agreement.

"Ownership Interest" means the Percentage Interest or Units, as applicable, based on the manner in which relative ownership of the Company is divided.

"Percentage Interest" means the percentage of ownership in the Company that, with respect to each Member, entitles the Member to a Membership Interest and is expressed as either:

A. If ownership in the Company is expressed in terms of percentage, the percentage set forth opposite the name of each Member on Exhibit A, as may be adjusted from time to time pursuant to this Agreement; or

B. If ownership in the Company is expressed in Units, the ratio, expressed as a percentage, of:

- (1) the number of Units owned by the Member (expressed as "MU" in the equation below) divided by

- (2) the total number of Units owned by all of the Members of the Company (expressed as "TU" in the equation below).

$$\text{Percentage Interest} = \frac{MU}{TU}$$

"Person" means an individual (natural person), partnership, limited partnership, trust, estate, association, corporation, limited liability company, or other entity, whether domestic or foreign.

"Units" mean, if ownership in the Company is expressed in Units, units of ownership in the Company, that, with respect to each Member, entitles the Member to a Membership Interest which, if applicable, is expressed as the number of Units set forth opposite the name of each Member on Exhibit A, as may be adjusted from time to time pursuant to this Agreement.

ARTICLE 2: CAPITAL CONTRIBUTIONS, ADDITIONAL MEMBERS, CAPITAL ACCOUNTS AND LIMITED LIABILITY

2.1 Initial Capital Contributions. The names of all Members and each of their respective addresses, initial Capital Contributions, and Ownership Interests must be set forth on Exhibit A. Each Member has made or agrees to make the initial Capital Contribution set forth next to such Member's name on Exhibit A to become a Member of the Company.

2.2 Subsequent Capital Contributions. Members are not obligated to make additional Capital Contributions unless unanimously agreed by all the Members. If subsequent Capital Contributions are unanimously agreed by all the Members in a consent in writing, the Members may make such additional Capital Contributions on a pro rata basis in accordance with each Member's respective Percentage Interest or as otherwise unanimously agreed by the Members.

2.3 Additional Members.

A. With the exception of a transfer of interest (1) governed by Article 7 of this Agreement or (2) otherwise expressly authorized by this Agreement, additional Persons may become Members of the Company and be issued additional Ownership Interests only if approved by and on terms determined by a unanimous written agreement signed by all of the existing Members.

B. Before a Person may be admitted as a Member of the Company, that Person must sign and deliver to the Company the documents and instruments, in the form and containing the information required by the Company, that the Members deem necessary or desirable. Membership Interests of new Members will be allocated according to the terms of this Agreement.

2.4 Capital Accounts. Individual Capital Accounts must be maintained for each Member, unless (a) there is only one Member of the Company and (b) the Company is exempt according to applicable tax laws. Capital Accounts must be maintained in accordance with all applicable tax laws.

2.5 Interest. No interest will be paid by the Company or otherwise on Capital Contributions or on the balance of a Member's Capital Account.

2.6 Limited Liability; No Authority. A Member will not be bound by, or be personally liable for, the expenses, liabilities, debts, contracts, or obligations of the Company, except as otherwise provided in this Agreement or as required by the Alaska Revised Limited Liability Company Act. Unless expressly provided in this Agreement, no Member, acting alone, has any authority to undertake or assume any obligation, debt, or responsibility, or otherwise act on behalf of, the Company or any other Member.

ARTICLE 3: ALLOCATIONS AND DISTRIBUTIONS

3.1 Allocations. Unless otherwise agreed to by the unanimous consent of the Members any income, gain, loss, deduction, or credit of the Company will be allocated for accounting and tax purposes on a pro rata basis in proportion to the respective Percentage Interest held by each Member and in compliance with applicable tax laws.

3.2 Distributions. The Company will have the right to make distributions of cash and property to the Members on a pro rata basis in proportion to the respective Percentage Interest held by each Member. The timing and amount of distributions will be determined by the Members in accordance with the Alaska Revised Limited Liability Company Act.

3.3 Limitations on Distributions. The Company must not make a distribution to a Member if, after giving effect to the distribution:

A. The Company would be unable to pay its debts as they become due in the usual course of business; or

B. The fair value of the Company's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if the Company were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of Members, if any, whose preferential rights are superior to those of the Members receiving the distribution.

ARTICLE 4: MANAGEMENT

4.1 Management.

A. **Generally.** Subject to the terms of this Agreement and the Alaska Revised Limited Liability Company Act, the business and affairs of the Company will be managed by the Members.

B. **Approval and Action.** Unless greater or other authorization is required pursuant to this Agreement or under the Alaska Revised Limited Liability Company Act for the Company to engage in an activity or transaction, all activities or transactions must be approved by the Members, to constitute the act of the Company or serve to bind the Company. With such approval, the signature of any Members authorized to sign on behalf of the Company is sufficient to bind the Company with respect to the matter or matters so approved. Without such approval, no Members acting alone may bind the Company to any agreement with or obligation to any third party or represent or claim to have the ability to so bind the Company.

C. **Certain Decisions Requiring Greater Authorization.** Notwithstanding clause B above, the following matters require unanimous approval of the Members in a consent in writing to constitute an act of the Company:

- (i) A material change in the purposes or the nature of the Company's business;
- (ii) With the exception of a transfer of interest governed by Article 7 of this Agreement, the admission of a new Member or a change in any Member's Membership Interest, Ownership Interest, Percentage Interest, or Voting Interest in any manner other than in accordance with this Agreement;
- (iii) The merger of the Company with any other entity or the sale of all or substantially all of the Company's assets; and

- (iv) The amendment of this Agreement.

4.2 **Officers.** The Members are authorized to appoint one or more officers from time to time. The officers will have the titles, the authority, exercise the powers, and perform the duties that the Members determine from time to time. Each officer will continue to perform and hold office until such time as (a) the officer's successor is chosen and appointed by the Members; or (b) the officer is dismissed or terminated by the Members, which termination will be subject to applicable law and, if an effective employment agreement exists between the officer and the Company, the employment agreement. Subject to applicable law and the employment agreement (if any), each officer will serve at the direction of Members, and may be terminated, at any time and for any reason, by the Members.

ARTICLE 5: ACCOUNTS AND ACCOUNTING

5.1 **Accounts.** The Company must maintain complete accounting records of the Company's business, including a full and accurate record of each Company transaction. The records must be kept at the Company's principal executive office and must be open to inspection and copying by Members during normal business hours upon reasonable notice by the Members wishing to inspect or copy the records or their authorized representatives, for purposes reasonably related to the Membership Interest of such Members. The costs of inspection and copying will be borne by the respective Member.

5.2 **Records.** The Members will keep or cause the Company to keep the following business records.

- (i) An up to date list of the Members, each of their respective full legal names, last known business or residence address, Capital Contributions, the amount and terms of any agreed upon future Capital Contributions, and Ownership Interests, and Voting Interests;
- (ii) A copy of the Company's federal, state, and local tax information and income tax returns and reports, if any, for the six most recent taxable years;
- (iii) A copy of the articles of organization of the Company, as may be amended from time to time ("Articles of Organization"); and

- (iv) An original signed copy, which may include counterpart signatures, of this Agreement, and any amendments to this Agreement, signed by all then-current Members.

5.3 Income Tax Returns. Within 45 days after the end of each taxable year, the Company will use its best efforts to send each of the Members all information necessary for the Members to complete their federal and state tax information, returns, and reports and a copy of the Company's federal, state, and local tax information or income tax returns and reports for such year.

5.4 Subchapter S Election. The Company may, upon unanimous consent of the Members, elect to be treated for income tax purposes as an S Corporation. This designation may be changed as permitted under the Internal Revenue Code Section 1362(d) and applicable Regulations.

5.5 Tax Matters Member. Anytime the Company is required to designate or select a tax matters partner pursuant to Section 6231(a)(7) of the Internal Revenue Code and any regulations issued by the Internal Revenue Service, the Members must designate one of the Members as the tax matters partner of the Company and keep such designation in effect at all times.

5.6 Banking. All funds of the Company must be deposited in one or more bank accounts in the name of the Company with one or more recognized financial institutions. The Members are authorized to establish such accounts and complete, sign, and deliver any banking resolutions reasonably required by the respective financial institutions in order to establish an account.

ARTICLE 6: MEMBERSHIP - VOTING AND MEETINGS

6.1 Members and Voting Rights. The Members have the right and power to vote on all matters with respect to which the Articles of Organization, this Agreement, or the Alaska Revised Limited Liability Company Act requires or permits. Unless otherwise stated in this Agreement (for example, in Section 4.1(c)) or required under the Alaska Revised Limited Liability Company Act, the vote of the Members holding at least a majority of the Voting Interest of the Company is required to approve or carry out an action of the members.

6.2 Meetings of Members. Annual, regular, or special meetings of the Members are not required but may be held at such time and place as the Members deem necessary or desirable for the reasonable management of the Company. A written notice

setting forth the date, time, and location of a meeting must be sent at least ten (10) days but no more than sixty (60) days before the date of the meeting to each Member entitled to vote at the meeting. A Member may waive notice of a meeting by sending a signed waiver to the Company's principal executive office or as otherwise provided in the Alaska Revised Limited Liability Company Act. In any instance in which the approval of the Members is required under this Agreement, such approval may be obtained in any manner permitted by the Alaska Revised Limited Liability Company Act, including by conference call or similar communications equipment. Any action that could be taken at a meeting may be approved by a consent in writing that describes the action to be taken and is signed by Members holding the minimum Voting Interest required to approve the action. If any action is taken without a meeting and without unanimous written consent of the Members, notice of such action must be sent to each Member that did not consent to the action.

ARTICLE 7: WITHDRAWAL AND TRANSFERS OF MEMBERSHIP INTERESTS

7.1 Withdrawal. Members may withdraw from the Company prior to the dissolution and winding up of the Company (a) by transferring or assigning all of their respective Membership Interests pursuant to Section 7.2 below, or (b) if all of the Members unanimously agree in a written consent. Subject to the provisions of Article 3, a Member that withdraws pursuant to this Section 7.1 will be entitled to a distribution from the Company in an amount equal to such Member's Capital Account.

7.2 Restrictions on Transfer; Admission of Transferee. A Member may transfer Membership Interests to any other Person without the consent of any other Member. A person may acquire Membership Interests directly from the Company upon the written consent of all Members. A Person that acquires Membership Interests in accordance with this Section 7.2 will be admitted as a Member of the Company only after the requirements of Section 2.3(b) are complied with in full.

ARTICLE 8: DISSOLUTION

8.1 Dissolution. The Company will be dissolved upon the first to occur of the following events:

- (i) The unanimous agreement of all Members in a consent in writing to dissolve the Company;

- (ii) Entry of a decree of judicial dissolution under Section 405 of the Alaska Limited Liability Company Act;
- (iii) At any time that there are no Members, unless and provided that the Company is not otherwise required to be dissolved and wound up, within 90 days after the occurrence of the event that terminated the continued membership of the last remaining Member, the legal representative of the last remaining Member agrees in writing to continue the Company and (i) to become a Member; or (ii) to the extent that the last remaining Member assigned its interest in the Company, to cause the Member's assignee to become a Member of the Company, effective as of the occurrence of the event that terminated the continued membership of the last remaining Member;
- (iv) The sale or transfer of all or substantially all of the Company's assets;
- (v) A merger or consolidation of the Company with one or more entities in which the Company is not the surviving entity.

8.2 No Automatic Dissolution Upon Certain Events. Unless otherwise set forth in this Agreement or required by applicable law, the death, incapacity, disassociation, bankruptcy, or withdrawal of a Member will not automatically cause a dissolution of the Company.

ARTICLE 9: INDEMNIFICATION

9.1 Indemnification. The Company has the power to defend, indemnify, and hold harmless any Person who was or is a party, or who is threatened to be made a party, to any Proceeding (as that term is defined below) by reason of the fact that such Person was or is a Member, officer, employee, representative, or other agent of the Company, or was or is serving at the request of the Company as a director, Governor, officer, employee, representative or other agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise (each such Person is referred to as a "Company Agent"), against Expenses (as that term is defined below), judgments, fines, settlements, and other amounts (collectively, "Damages") to the maximum extent now or hereafter permitted under Alaska law. "Proceeding," as used in this Article 9, means any threatened, pending, or completed action, proceeding, individual claim or matter within a proceeding, whether civil, criminal, administrative,

or investigative. "Expenses," as used in this Article 9, includes, without limitation, court costs, reasonable attorney and expert fees, and any expenses incurred relating to establishing a right to indemnification, if any, under this Article 9.

9.2 Mandatory. The Company must defend, indemnify and hold harmless a Company Agent in connection with a Proceeding in which such Company Agent is involved if, and to the extent, Alaska law requires that a limited liability company indemnify a Company Agent in connection with a Proceeding.

9.3 Expenses Paid by the Company Prior to Final Disposition. Expenses of each Company Agent indemnified or held harmless under this Agreement that are actually and reasonably incurred in connection with the defense or settlement of a Proceeding may be paid by the Company in advance of the final disposition of a Proceeding if authorized by a vote of the Members that are not seeking indemnification holding a majority of the Voting Interests (excluding the Voting Interest of the Company Agent seeking indemnification). Before the Company makes any such payment of Expenses, the Company Agent seeking indemnification must deliver a written undertaking to the Company stating that such Company Agent will repay the applicable Expenses to the Company unless it is ultimately determined that the Company Agent is entitled or required to be indemnified and held harmless by the Company (as set forth in Sections 9.1 or 9.2 above or as otherwise required by applicable law).

ARTICLE 10: GENERAL PROVISIONS

10.1 Notice. There are no representations, agreements, arrangements, or undertakings, oral or written, between or among the Members relating to the subject matter of this Agreement that are not fully expressed in the Organizational Documents. This Agreement may not be modified or amended in any respect, except in a writing signed by all of the Members, except as otherwise required or permitted by the Alaska Revised Limited Liability Company Act.

10.3 Governing Law; Severability. This Agreement will be construed and enforced in accordance with the laws of the state of Alaska. If any provision of this Agreement is held to be unenforceable by a court of competent jurisdiction for any reason whatsoever, (i) the validity, legality, and enforceability of the remaining provisions of this Agreement (including without limitation, all portions of any provisions containing any such unenforceable provision that are not themselves unenforceable) will not in any way be affected or impaired thereby, and (ii) to the fullest extent possible, the unenforceable provision will be deemed modified and replaced by a provision that approximates the intent and economic effect of the unenforceable provision and the Agreement will be deemed amended accordingly.

10.4 Further Action. Each Member agrees to perform all further acts and execute, acknowledge, and deliver any documents which may be reasonably necessary, appropriate, or desirable to carry out the provisions of this Agreement.

10.5 No Third Party Beneficiary. This Agreement is made solely for the benefit of the parties to this Agreement and their respective permitted successors and assigns, and no other Person or entity will have or acquire any right by virtue of this Agreement. This Agreement will be binding on and inure to the benefit of the parties and their heirs, personal representatives, and permitted successors and assigns.

10.7 Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all of the Members signed the same copy. All counterparts will be construed together and will constitute one agreement.

[Remainder Intentionally Left Blank.]

IN WITNESS WHEREOF, the parties have executed or caused to be executed this Operating Agreement and do each hereby represent and warrant that their respective signatory, whose signature appears below, has been and is, on the date of this Agreement, duly authorized to execute this Agreement.
