Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01, Sec 4: remove initials from the certification regarding marijuana testing facility.**
- **MJ-04, Sec 6: remove the initials in this section because they marked "no". In the explanation box for this section, they state that Tok is 6 miles away, but didn't we see on the petition diagram that they were right by the junction by a bunch of businesses and potential residential areas?**

- **Mj-04, Sec 8.2: provide a sample label**

- **MJ-07 Public Notice Posting Affidavit – Please repost for 10 days you listed the driveway of the Premises you must repost in a nearby store or post office and then recertify the form.**

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents

which must be found to be complete within 90 days of the date of this letter. I would like to get this deemed complete if you get the corrections back and I can deem it complete by November 25, 2022 I can get you on the agenda for December 13th and 14th the next board meeting.l You can email us at marijuana.licensing@alaska.gov.
