NOV explanation

Explanation of violation of license 11519: limited Cultivation Facility

I received 2 NOV's regarding delinquent excise tax (see attached, thanks)
I was $110,000 behind at my worst, last August.

As I sit here today (June 29th 2021), I owe $38,000 and I am driving up to Anchorage tomorrow (June 30th) to satisfy that in it's entirety.

I am pleased to announce I'll have no more delinquency with the department of revenue.
I am also pleased to announce we have not been late on current excise tax payments in almost a year, on top of paying almost $10,000/month for the payment plan.

I've been in open and constant communications with Erin, whom is no longer with the DOR, but Clairabelle has been most helpful in regards to helping me get this plan set up and satisfied.

It has been a long hard road, and like I've been saying:
We've come a long way, but still have a long way to go. I very much look forward to what the coming years brings our way!

#SmokeWell and thank you for your patience while I wrap my head around this business in this industry!

Subject: Re: NOV Delinquency in Tax 11519

Hey Jason, I just wanted you to know that I just spoke with Clairabelle with the DOR and we discussed how I will have this payment plan paid off in its entirety next month:June 2021 (Which Is one month faster then the payment plan allowed for!).

So I'll be current and caught up and owe nothing to the DOR in the after of June and forever more, which I am so proud and excited about!

Thank you for your help and I hope you have a great day.
