Hello,

I am reviewing your new application for a marijuana cultivation facility, mentioned in the subject line.

The only two things I have for you are:

- Please renew you state business license. It is expired. https://www.commerce.alaska.gov/cbp/businesslicense/Search/LicenseDetail?l=539845&n=2111864
- This question is for each Steven and Courtney, will you be filing for the PFD this year? And if you are, is it possible you can do it now and then let me know when you have done so. If you are not filing for PFD this year, I need to know as well. Please do not send me personal identifying information by email, I do not need it.

Thank you
