Marc,

I am reviewing the license transfer application mentioned in the subject line. It's not necessarily incomplete, but I do have a request and a couple of questions/statements.

- Please provide fingerprint card for a criminal background check (we received the fee for it but not the card). Your last background for a license was October 2019. Regulations call for a background check for a license transfer application, unless there is background record within the last 12 months of putting your application in the queue. This one will also be used for the license transfer application for 15916.
- Please, DO NOT file a change of officials for the LLC with Division of Corporations (a separate state agency) until and if the board approves the transfer application. Please let Ryan know of this.
- Please look at the lease I attached here which is what was submitted for the 2021-2022 renewal of the license, will there be a new lease when and if this transfer is approved by the board?

That's all I have for you on this application.

Thank you

Jane P. Sawyer, Regulations Specialist
