Members of the ABC Board

DATE: April 6, 2017

FROM: Erika McConnell  
Director, ABC Board

RE: Gold Miners Lodge Restaurant  
and Motel. #4380 and #4526

In its renewal application, Gold Miners Lodge Restaurant and Motel did not provide information showing it met the minimum operating requirements found in 3 AAC 304.170(j).—see attached memo from Investigator Hamilton.

The City of Houston has submitted a valid protest of the application in accordance with AS 04.11.480 and 3 AAC 304.145, for lack of compliance with 3 AAC 304.170(j), specifically being open for 30 eight-hour days.

Recommendation:

Deny the renewal applications for lack of meeting minimum operational requirements per AS 04.11.330(a)(3) and 3 AAC 304.170(j), and, unless the board finds the protest to be arbitrary, capricious, and unreasonable, for local governing body protest per AS 04.11.480(a) and 3 AAC 304.145, or require a waiver of operations application for 2016.

RE: Gold Miners Lodge, License  
#4380 & #4526

On 1-31-17, BRE Christina Thibodeaux advised me that Gold Miners Lodge licenses 4380 and 4526 had operated only 30 days in both 2015 and 2016.

Goldminer Lodge Licensee provided some documentation to establish they were open. A flier advertising Safe bus Riders Ward was given which indicated a ten dollar credit from June 4<sup>th</sup>-30<sup>th</sup>, no year. A Craigslist advertisement advertising the business for sale; no year provided. A picture of the front door depicting open daily, 6pm -2am, this month only. It does not indicate what month. Another photo depicts a small variety of spirits and a cooler with non-alcoholic beverages. A final picture depicts an empty dining room.

Mat-Su Test lab, LLC results for 2015 and 2016 were submitted. City of Houston, Alaska Sales Tax Return was submitted for July 2, 2015 to Sept 30, 2015. It appears total sales recorded was \$300 with a tax liability of \$5.88. A 2016 Sales Tax Return for 4-1-16 to 6-30-16 was submitted with total sales of \$310.00 and a tax liability of \$6.08. A transient Accommodations Tax Return quarter ending September 30, 2016 was submitted with a tax liability of \$12.50. Transient Accommodations Tax Return for 2016 indicates no tax liability.

One receipt for \$250.00 dated 9-1-15 for lodging was submitted along with two register receipts dated 9-1-15 and 9-24-15. The register receipts do not indicate what was sold.

Five sales receipts were provided for 2016, dated 6-1-16, 6-3-16, 6-10-16, 6-15-16 and 6-28-16. Again the receipts do not indicate what was sold.

After reviewing 3AAC304.170(j)(1)-(2)&(4)-(7) Gold Miner Lodge did not comply with #(6) of minimum operating requirements. Regarding #(1), it is not clear which month they are referring to as being operated for posted hours. In regards to #(2), only a small amount of spirits was depicted in the photo they sent, wine was not displayed nor were beer for sale depicted. In regards to #(7), the register tape is not zeroed out each night which could be an indication of no operating those nights.

No purchases from distributors was provided further indicating it is questionable they operated for the full 30, 8 hour days.

In looking at the totality of the documents submitted compared to what is required, it does not appear they met the burden as required in 3AAC304.170(j).

**Reviewed by Mayor:**

**Attachment(s):**

- Application Notice
- Liquor License 4526 Application
- Staff referrals under HMC 5.08.020

**Summary statement:**

Gold Miners Lodge Restaurant and Motel has applied for renewal of liquor license #4526. State law requires local governing bodies to review requests pertaining to liquor licenses within their municipalities. The City may waive the right to protest or may file a protest to a request.

Before taking action on a liquor license application, the Mayor shall provide for a public hearing before the City Council. Within 15 business days after the referrals under HMC 5.08.020, the Mayor shall schedule each liquor license application for consideration by the City Council at its next City Council meeting and send written notice to the applicant.

A review of the referrals relating to liquor license application has been completed. Staff did not find any adverse findings in accordance with HMC 5.08.

Based on other factors as allowed under Houston Municipal Code (HMC) 5.08.030 (C) the Mayor recommends the following action:

	<b>WAIVE THE RIGHT TO PROTEST</b>
<b>X</b>	<b>PROTEST</b> the issuance of the license for the following factor(s). (HMC 5.08.030).
	➤ Staff referrals.
	➤ Concentration of other licenses of the same and other types in the area.
<b>X</b>	➤ Other factors.
<b>X</b>	HMC 5.08.030 (C) (3) Any other factors the City Council determines are relevant to a particular application, including a reasonable expectation that the applicant will exercise the license for the duration of the term of the license.
<b>X</b>	AS 04.11.330 (3) the applicant has not operated the licensed premises for at least 30 eight-hour days during the preceding calendar years.
	<b>CONDITIONS</b> recommends the <b>issuance</b> of the license with the following condition(s). (HMC 5.08.030).
	➤
	<b>SUSPENSION OR REVOCATION</b> request a suspension or revocation of the license pursuant to AS 04.11.370;

If the City Council protests an application or recommends conditions on which the application shall be granted, the City Council shall state on record the reasons for its decisions, and the Mayor shall notify the Board and the applicant in writing of the decision.

Reasons for protest:

Due to the amount of total sales reported and sales tax remitted in 2014 on March 18<sup>th</sup>, 2015 The City Council requested from the applicant;

- What days they were open in 2014.
- How often they plan on being open in 2015 and 2016.

On April 7, 2015, the applicant provided a plan to the City Council.

**The City of Houston requests the AMCO Board investigate compliance under AS 04.11.330 that the business was opened 30 days 8 hours a day.**

In 2015 and 2016 the total amount of total sales reported and sales tax remitted does not reflect the plan that was provided to the City, or that the applicant exercised the license in accordance with HMC 5.08.030 (C) (3) and AS 04.11.330 (3).

If the City Council finds that the basis for its decision to protest an application, or to recommend conditions on which the application should be granted, no longer exists, the City Council may rescind its decision and direct the Mayor to notify the Board and the applicant of the decision.

**Administration recommendation:** Take action on Action Memorandum 17-06.

## Gold Miners Lodge Restaurant and Motel LLC

Issuance of a liquor license at our establishment encourages tourism because we have a restaurant, motel and dry RV parking. Our establishment is 1 hour north of Anchorage and provides the ideal rest stop for the hundreds of thousands of people who pass by on their way to Denali State Park.

The tourist likes having the option to order an alcoholic drink with their meal.

We recently remodeled the restaurant, as we stated in our last liquor license renewal application with new flooring, fresh paint inside and out, a new door and new lettering on the restaurant.

(2)

As managing members Brian and Sandra Gauthier operate the facility for which the liquor license is being applied.

We offer 10 room motel to the traveling public, which currently is in the process of being remodeled.

4 rooms are kitchenettes and we do not stock alcoholic beverages in these guest rooms.

We are not located within an airport terminal.

We currently do not offer additional amenities but for the 2017 season and beyond we are looking into providing

**Subject:** Re: Request for information

Gold Miners Lodge was open for business the 30 days in a row in 2014 as required by the ABC Board between Oct. 18th & Nov. 20th.

The reason we had so little taxes turned in was in proportion to the very few customers we had during the 30 days open for business and maintenance.

For 2015 & 2016 we are praying to have our best years ever. We intend to open at least for the summers and if we are able to lease it out with option to buy perhaps we can open yearly.

Brian and I live on the property full time and are always available when we are not working at our places of employment in the valley.

We are up to date on our property taxes and all the licenses required by the State, Borough and City of Houston. We also had the 5 year well survey performed and approved and is paid in full for the state requirements.

Once our remodeling is completed we plan to open in May. We plan to hire two new employees if we do not lease it out.

Please call if you have questions anytime, 892-2468.

Thank you!

Good Morning Brian and Sandra,

I had a council member request the following information.

What days were they open in 2014? Please list. The amount of total sales reported and sales tax remitted was very minimal, and these amounts were for all sales, including meals, lodging and alcohol.

How often do they plan on being open in 2015 and 2016?

Thank you!
