To Whom It May Concern,

1) The Airport Restaurant is a family owned and operated business. Being in the Unalaska Port of Dutch Harbor airport terminal, we do play a key role in encouraging tourism. When passengers and visitors arrive, they step off the plane they are greeted by our restaurant and bar.

When people prepare to leave, our establishment serves as an area for people to gather as they bid farewell to friends and family and to Dutch Harbor.

We offer a full service menu that includes ethnic foods as well as All-American favorites such as pizza and burgers. We have many visitors who swear by our Phad Thai ordering multiple portions to bring back to their families in Anchorage. Our soups are a beloved necessity to warm up with to those who have been out in the harsh weather we often experience.

Being a family establishment we try to provide a warm and welcoming ambiance for all to enjoy. We do this hoping to provide a positive lasting impression of our establishment and our small community.

2) This facility was constructed in the airport terminal. We are located directly beyond the doors of the boarding area which spells convenience for travelers. The Airport Restaurant plans on putting work into esthetically improving conditions in our facility with paint and new flooring in the coming year.

3) The Airport Restaurant, LLC is a family owned and operated business. Tuyen Dinh and Thuy Tran Dinh are often present in the operations. Lisa Tran is manager of the facility along with a dedicated crew.

4) No room rentals are offered to the traveling public.

a) N/A

b) Yes, the facility is within an airport terminal

5) Yes, the facility has 21 tables for dining.
