Re: Retail Marijuana Store Application #32368

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. My coworker Regina sent you corrections for the cultivation license I will use these, so you don't have to send them twice.

Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.

- **MJ-02 Premises Diagram**
  - **Diagram labeled A201 Please outline the entire licensed premises. Your labels are fine.**
  - **Diagram 2 Right of possession diagram (if you are using one of the diagrams submitted this needs to be labeled as such.**

- **The other concern I have is your DBA the Marijuana Control Board may not approve your DBA because calling yourselves a dispensary. In the past they have discouraged retail stores from using Dispensary. They may ask you to change your DBA. If we get the corrections by end of day Monday, we can deem your application complete and get you on the agenda for September 21, 22, 2022**

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Audrey Saylor, Occupational Licensing Examiner
