Good afternoon, Nicholas,

We have reviewed your new application for a marijuana cultivation facility, mentioned in the subject line.

This is a notice that your application is incomplete. The notice details the deficiencies, how to fix them, and a deadline to complete your application before it is considered not complete and you start over.

Please read the notice in its entirety, and if you have any questions, do not hesitate to call us.

Licensing examiner Audrey Saylor will be your contact for this application. She is currently in training, but both her supervisor Carrie Craig and I will be guiding her.

Audrey's direct line is 907-310-6776. Email her at marijuana.licensing@alaska.gov

If you need copies of your application, we are happy to send them to you; we want to make sure you receive this email and notice first.

Respectfully,
