Good Morning Mr. Crocher,

The Alaska State Fire Marshall office has been notified that you applied for a Retail Marijuana Store license (#32759). Our office is responsible for verifying that your building is in compliance with fire and safety code and ordinances. Unfortunately, "Northern Emerald" and/or 2803 S. Old Glenn Hwy., Building 2, Palmer are not in our records. Is there another name and/or address that the building may have had an existing plan review? If not, a full plan review must be accomplished (note, this is separate from your AMCO application). Please go to the Alaska State Fire Marshal's plan review portal https://st-alaska-ak.smartgovcommunity.com/Public/Home, create an account and apply for a full plan review.

If you have any questions, please contact me at the number listed below.
