	Packaging – multipack	April 2022	23	Board	I need to relisten to the board meeting. Look at Jame's memo and advisory. What is the issue?...not sure it needs a regulation.. could just be a matter of interpretation. When the regs talk of "packaging" in .500, it refers to a single product whether the single product is packaged in one serving or packaged in multiple servings. This could just be guidelines. 6.2.23 readdressed by board who are asking for memo for august meeting. Draft for Board discussion at Aug. 2023 meeting.
