

MEMORANDUM

TO: Alcohol Beverage Control Board

DATE: January 10, 2018

FROM: James Hoelscher, Enforcement Supervisor

RE: Enforcement Report, Alcohol

AMCO Enforcement has hired our Criminal Justice Technician I, Jason Davies, on January 1st, 2018. This position was much needed and provides essential admin support for Enforcement. His duties include issuing handler cards, tracking advisories and NOV's, tracking statistics, managing the written order database, and managing fingerprints and backgrounds checks. I am optimistic the addition of Mr. Davies will assist AMCO Enforcement in being more efficient and afford us the ability to be more proactive in enforcement of the alcohol and marijuana programs.

We are currently working with Department of Health and Social Services, Tobacco Enforcement Program, to reinstate our compliance/shoulder tap program. This is in the final stages and we are awaiting a memorandum of understanding between both departments to move forward with the compliance check program.
