MEMORANDUM

TO: Chair and Members of the Board

DATE: August 16, 2023

FROM: Samuel Carrell, OLE
Jane P Sawyer, PC

RE: Alaska Wild Coyote, Inc.
DBA: Alaska Marijuana Gardens #12125; AMG Concentrates #12471

These are applications to change ownership (not to be confused with license transfer) under 3 AAC 306.040 within Alaska Wild Coyote, Inc. affecting Standard Marijuana Cultivation Facility LIC#12125 Alaska Marijuana Gardens, and Marijuana Concentrate Manufacturing Facility LIC#12471 AMG Concentrates.

The change is removing Armando Gonzalez (35%) with Evanjelina Gonzalez becoming 100% owner of Alaska Wild Coyote, Inc. An ownership change application is not usually one the board considers; this type of application is approved by the director. In this case, however, the director requests the board consider these applications because the ownership of the corporation has been controversial in the last couple of years. One of those issues being Armando being removed from the Division of Corporations records before the change being filed with and approved by AMCO.
