This is a notice to you as a licensee that you are being issued a notice of violation for the purposes described in 3 AAC 306.806(e). A description of the violation is as follows,
NOTE: This is not an accusation or criminal complaint.

On 10-30-25, an inspection was conducted at your facility. Approximately 25 items were counted and compared to METRC. Unit items selected for inventory showed large discrepancies between what was on hand versus what was showing in METRC. It was learned that the facility is not pushing its sales to METRC everyday at closure of the business, as stated in the regulations, but rather two or more days later. Chris Parker, manager, stated whey would be ensuring this violation would not occur in the future.

Your attention is directed to 3AAC 306.330: Marijuana inventory tracking system which reads in part, "(c) A retail marijuana store shall reconcile each transaction from the retail marijuana store's point-of-sale system and current inventory to its marijuana inventory tracking system at the close of business each day."
