Subject: RE: #11547 dba Cloudberry Cannabis #11635 dba Cloudberry Cannabis dba Salmonberry Farms - Transfer Needed

Good afternoon, Regina,

My formal decision is that the ownership change referenced below will require a transfer of ownership, subject to approval by the board.

This application does contain a change in the controlling interest of the marijuana establishment license which requires an application for transfer of license to another person under 3 AAC 306.045. Under 306.045, "A person may not receive or transfer a marijuana establishment license or a controlling interest in a marijuana establishment license issued to a partnership, including a limited partnership, a limited liability company, a corporation, or a local government, without applying for and receiving the written consent of the board.

Transfer of a license includes a sale of all or part of the interest of an individual owner."

Thank you,

Kevin Richard

Cloudberry believes that this application is properly handled as a non-controlling transfer, as submitted.

Please bring this application to the attention of the Director of AMCO for a formal decision. If our application is rejected, we will need a written decision from the Director in order to ask the Board of AMCO to review it.

Thank you, Lily A. Shimek, general partner, #11547 and #11635
