Staff Rec.: Deny the renewal with 30 day abeyance for licensee to submit applications for waivers of operation for 2016 and 2017

Background: Two beverage dispensary licenses exist at 815 Frontage Road in Kenai. License #204, George's Nightclub, is owned by G & P, Inc., a corporation owned 100% by George Pitsilionis. License #3032, Pizza Paradisos, is owned by George Pitsilionis. The premises diagrams of both licenses are attached.

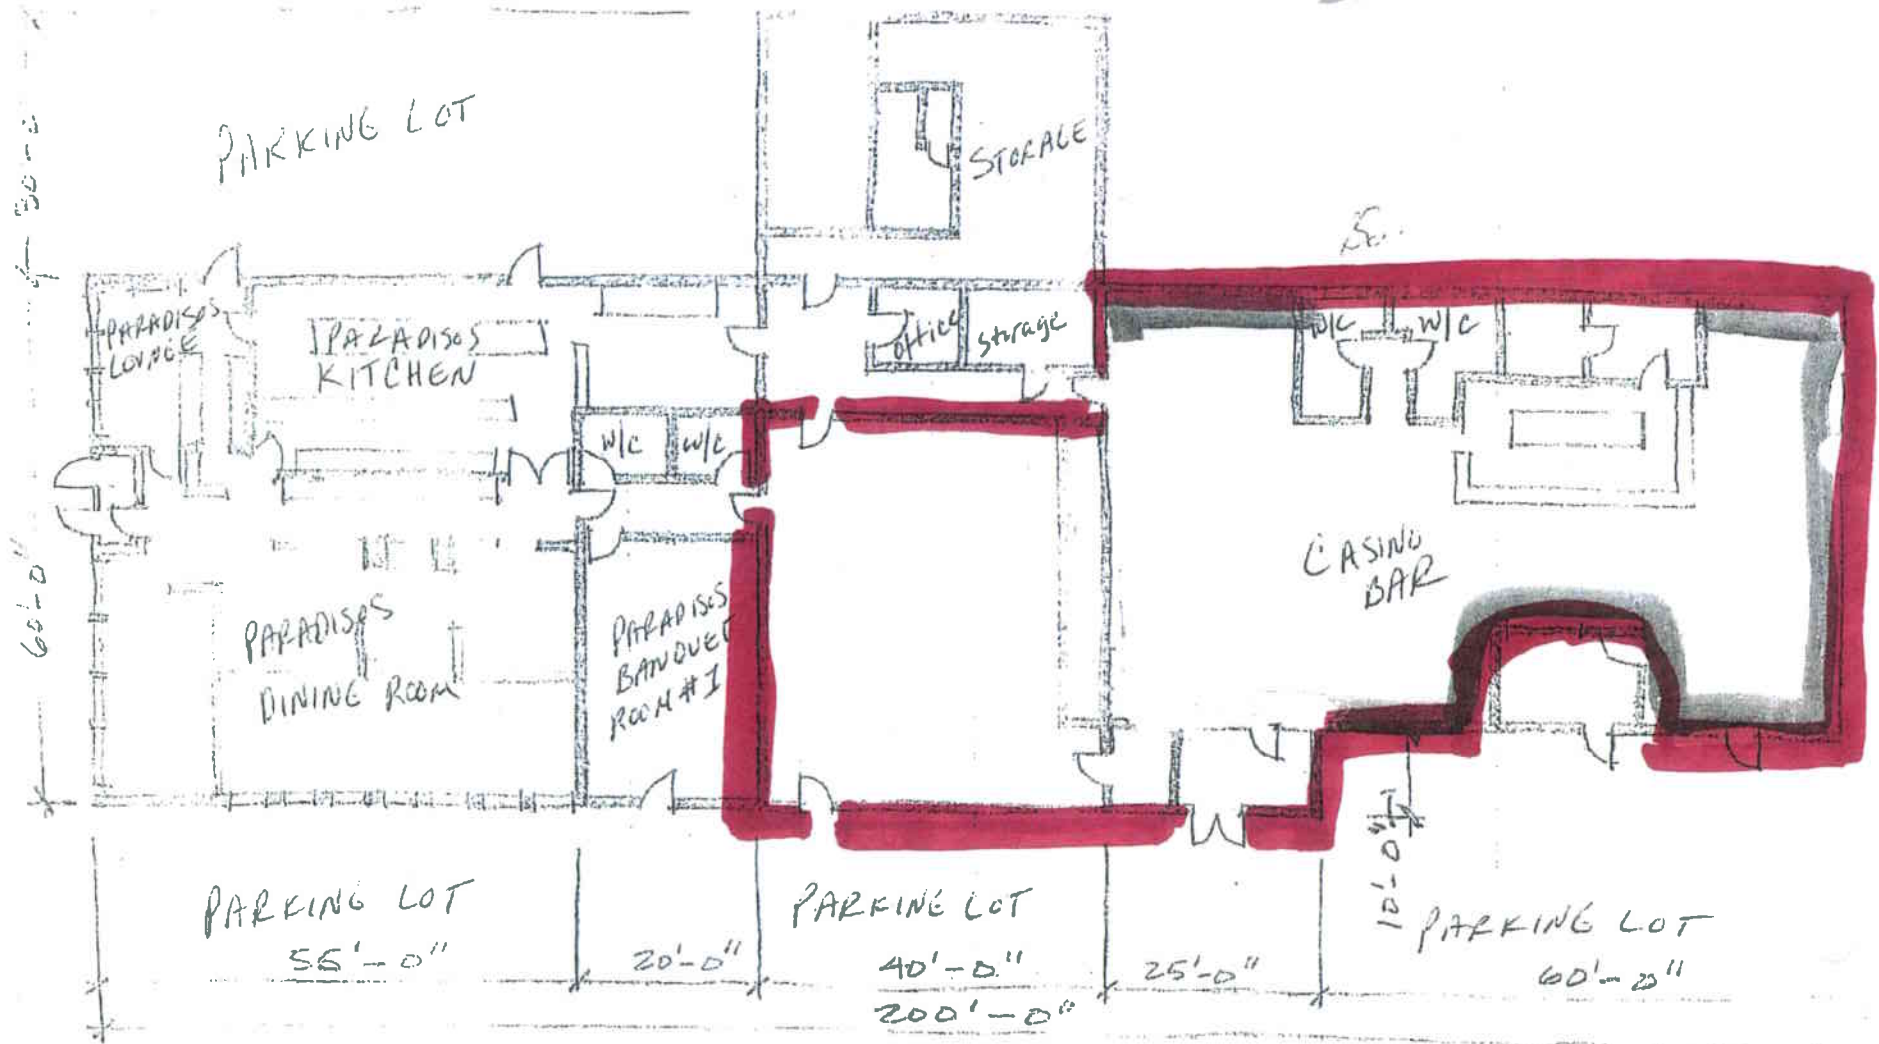

In the renewal application for license #204, the licensee indicated that the license was only operated to meet the minimum requirements, in both 2016 and 2017. Investigation by AMCO Enforcement shows that the license was not operated for a minimum of 8 hours per day for 30 days each year.

In 2016, the license appears to have been operated solely as a banquet room with fewer than 30 events that year. The licensee was issued an NOV in January of 2017 for obtaining alcohol from license #3032, which is a violation of AS 04.16.172. It appears from Enforcement's investigation that this license was not operated as a separate business from license #3032 in 2016.

For 2017, the licensee has not provided the minimum proof required by 3 AAC 304.170(j) of operating for a minimum of 30 eight-hour days.

RE: Lic# 204, George's Casino Bar, Proof of Minimum Operating Requirements Investigation

AMCO Case # AB18-0414

The purpose of this memo is to document my findings on my investigation into the AB-30: Proof of Minimum Operating Checklist submitted to AMCO by the licensee. I was assigned this investigation on 03/22/2018.

The licensee submitted AB-30 forms for 2016 and 2017 operating years. I reviewed the information submitted with each application.

2016 AB-30: QUESTIONS AND RESPONSES

1. I am attaching photos showing the signage displayed at my establishment during all hours of operation, of sufficient size and visibility to show the premises was open for business, and stating my business name and hours of operation:

Requirement was not met. Licensee submitted a photograph of a sign taped to what appears to be a panel door which simply read: "George's Casino." There was no indication of the hours of operation or the days the business was open on the sign. I requested photographs of any additional signage that may have been posted at the premises however the licensee has not provided any further photographs to date.

2. I am attaching a list of the variety of malt beverages, wines, and distilled spirits (as appropriate) that were offered for sale at the licensed premises during all hours of operation:

Requirement was not met. Licensee did not provide a list of the variety of malt beverages, wines, and distilled spirits (as appropriate) that were offered for sale at the licensed premises during all hours of operation. I requested such list from the licensee's agent who submitted the AB-30.

The licensee has not provided the requested information to date.

3 I am attaching a record of all purchases of alcoholic beverages made by this license for resale on the licensed premises of this establishment:

Requirement was not met. The only documentation for purchases of alcoholic beverages the licensee submitted with this AB-30 was an invoice from Pizza Paradisos Inc., billed to G&P dated 12/30/2016. The invoice listed a line item for "Alcohol Purchases" with a "Price Each" of \$48,211 and an "Amount" of 48,211.00. There was also a line item for Labor- "Servers & Bar Tenders" with a "Price Each" of \$15,015.00 and an "Amount" of \$15,015.00 and supplies- "Paper Goods" for a "Price Each" of \$1,685 and an "Amount" of \$1,685.00. The invoice also reads "Out-of-state sale, exempt from sales tax" line item price of 0.00% and amount of \$0.00.

When I asked the licensee's agent to explain the invoice and if that was submitted to show the alcohol purchased by George's Casino for all of 2016 I received no reply to date.

In a letter from the licensee's agent, Lori Woitel, Woitel stated "Much of the liquor used was purchased through Pizza Paradisos to be sold in the Casino during 2016."

I checked the AMCO Enforcement files and discovered Inv. Hamilton performed an inspection of George's Casino on 12/28/2016. During his inspection he learned from Joanna Pitsilionis that George's Casino was operated mainly as a banquet room. Pitsilionis told Inv. Hamilton the functions held did not last 8 hours nor were there more than 30 events all year. Investigator Hamilton also learned they wheeled a portable bar stocked with alcohol into George's Casino, from the adjoining but separate licensed premises, Pizza Paradisos.

Subsequent to Inv. Hamilton's inspection of George's Casino on 12/28/2016 he issued a Notice of Violation to the licensee on 01/13/2017 for violation of 3 AAC 304.170- Waiver of annual operating requirement and minimum operating requirements. Inv. Hamilton also issued a Notice of Violation on 01/13/2017 to the licensee, Pizza Paradisos, license # 3032, for removing the alcohol from its licensed premises.

As a beverage dispensary licensee, George's Casino is restricted by AS 04.16.172 to only being able to purchase their alcoholic beverages from a licensed wholesaler, package store, brewery, winery or distillery. Since Pizza Paradisos, license 3032 is a beverage dispensary license it was a violation for George's Casino to purchase its liquor from that licensee.

4. I am attaching cash register/point of sale system receipts showing all alcoholic beverage transactions on the premises of this establishment.

Requirement not met. The licensee did not provide cash register / point of sale system receipts showing all alcoholic beverage transactions on the premises. The licensee only provided part of a 2016 Income Tax return for G&P, Inc and a report from a book keeping software dated 03/07/2018 titled "Pizza Paradisos Inc" , "Profit & Loss by Class January through December 2016" , "G&P."

I asked the licensee for additional information and received no additional information to date.

5b. I am attaching documentation showing that seating was provided on the licensed premises of my beverage Dispensary for at least one-half of the maximum number allowed by the occupancy permit.

Requirement not met. No documentation was submitted with the 2016 AB-30 form.

CONCLUSION OF FINDINGS FOR 2016 AB-30

Based on the information submitted with the AB-30, Investigator Hamilton's findings on 12/28/2016 and the lack of cooperation from the licensee in providing additional requested information I have determined the licensee did not meet the burden of proof of required under 3 AAC 304.170(j).

2017 AB-30: QUESTIONS AND RESPONSES

1. I am attaching photos showing the signage displayed at my establishment during all hours of operation, of sufficient size and visibility to show the premises was open for business, and stating my business name and hours of operation:

Requirement was not met. The licensee did submit photographs of signage with this AB-30. The signs in the photographs did not however have the business name on them. Of the two sign photographs provided, one shows what looks like a paper sign taped to something that reads "BAR WILL BE OPEN FRIDAY & SATURDAY 9PM TILL 3:00 AM." The second photo is of a sign that has all seven days of the week listed with blanks next to each day to write in the hours of operation. The only days with hours written on it are for Friday and Saturday. The hours for Friday and Saturday are written as "9:00 PM TO _____" Based on the posted hours in the sign with complete hours of operation the business was only open for 6 hours a day two days a week. Additionally, neither sign indicates the business name on the photographs submitted. If the business was operated for only 6 hours two days a week it would not have met the requirement of being operated for (30) 8-hour days during the year.

There was also a picture of a sign mounted on the outside of a building which read "George's Night Club" provided with no hours of operation. I asked for clarification on the signs in the photographs and hours of operation.

The licensee has not provided the requested information to date.

2. I am attaching a list of the variety of malt beverages, wines, and distilled spirits (as appropriate) that were offered for sale at the licensed premises during all hours of operation:

Photographs of signs were submitted listing a variety of malt beverages, wines and distilled spirits offered for sale. I asked for clarification on which premises the photographs signs represented. To date I have not received a response.

3 I am attaching a record of all purchases of alcoholic beverages made by this license for resale on the licensed premises of this establishment:

Requirement not met. The George's Casino Bar did a DBA name change in October 2017 from George's Casino Bar to George's Nightclub. The licensee provided copies of invoices from alcohol distributors Southern Glazer's of Alaska (12/2017- 01/2018) and Odom Corporation (12/2017 -1/2018.) The licensee also provided copies of invoices for non-alcoholic beverages purchased from Coca-Cola Bottling of Alaska from 11/2017 – 01/2018. All of these submitted invoices list George's Nightclub as the customer.

The licensee provided ten scanned copies of generic yellow invoices. The invoices all appear to have "Pizza Paradisos" or "Paradisos" handwritten on them under "Name." 8 of the invoices have cash register receipts stapled to them which have "Country Liquor" printed on them. The scanned copies submitted are of poor quality and difficult to read in their entirety. From what I can determine the invoices appear to be listing alcoholic beverages and have dates ranging from January 2017 through July 2017. Woitel stated in her letter accompanying the AB-30 "During 2017 liquor was purchased on an as needed basis from Country Liquor."

Although Country Liquor cash register receipts have been stapled to the invoices, the invoices all seem to have Paradisos Pizza listed on them, not George's Casino Bar or George's Nightclub.

I asked for clarification on what the yellow invoices represented and emphasized I needed a record for ALL alcoholic beverages purchased for George's Casino Bar or Night Club. I also asked for more legible copies of the yellow invoices.

The licensee has not provided the requested information to date.

4. I am attaching cash register/point of sale system receipts showing all alcoholic beverage transactions on the premises of this establishment.

Requirement not met. The licensee did not provide cash register / point of sale system receipts showing all alcoholic beverage transactions on the premises. The licensee only provided a report from a book keeping software dated 03/07/2018 titled "Pizza Paradisos Inc", "Profit & Loss by Class January through December 2017", "G&P."

I asked the licensee for the information requested in the response, records from a cash register/point of sale system such as a "Z" tape.

The licensee has not provided the requested information to date.

5b. I am attaching documentation showing that seating was provided on the licensed premises of my beverage Dispensary for at least one-half of the maximum number allowed by the occupancy permit.

Requirement not met. The licensee submitted a copy of premises diagram of George's Casino from 11/01/1999. I asked the licensee if the purpose of the diagram was to show they provided the required seating on their premises. I also requested photographs of the inside of the premises to show the required seating.

The licensee has not provided a response or the requested information to date.

CONCLUSION OF FINDINGS FOR 2017 AB-30

Based on the information submitted with the AB-30 and the lack of cooperation from the licensee in providing additional requested information and clarification I have determined the licensee did not meet the burden of proof of required under 3 AAC 304.170(j).

ADDITIONAL FINDINGS:

In addition to the above information I discovered the following during the course of my investigation:

OPERATING WITHOUT A BUSINESS LICENSE

Upon search of the CBPL Business Licensing Database I discovered the business license for George's Casino Bar expired on 12/31/2011. A new business license was obtained for the new DBA, George's Nightclub on 10/09/2017. I asked the licensee to provide me with a copy of a valid business license for 2016 and all of 2017. To date I have not received the requested information.

FAILURE TO PAY LOCAL SALES TAX

The City of Kenai and the Kenai Peninsula Borough each have a sales tax on sales that applies to the sales of alcoholic beverages in both the city and the borough. The borough collects both the borough sales tax and the city sales tax from businesses required to pay.

According to the borough, George's Nightclub has a valid sales tax account with the borough and reports their sales on a quarterly basis. This account was opened in October 2017.

Kenai Peninsula Borough informed me the sales tax account for George's Casino Bar closed at the end of 2007. They advised me they did not report any sales of alcohol after 2007 until they opened the new account under George's Nightclub in October 2017.

I asked the licensee for copies of their sales tax returns for Kenai Peninsula Borough for 2016 and 2017. To date they have not provided the requested information.

RESPONSE FROM LICENSEE'S AGENT

I sent a request for additional information for this investigation to the agent of the licensee, Lori Woitel, who submitted the AB-30 forms to licensing and whose email address is listed as the contact in the licensing database. I detailed in my request the additional information I needed to help complete the Minimum Operating Requirements investigation in an email to her on 03/23/2018 at 10:43 a.m.

Woitel replied to my message on 03/23/2018 at 11:57 a.m. stating; "I will do the best I can. I am the accountant for the businesses. I will have to get with staff to assist in finding additional records."

I replied back to her on 03/23/2018 at 12:04 p.m. and told her "OK, thanks. Your email address is the only one listed in the license file for this license so I appreciate your assistance."

On 03/23/2018 at 12:09 p.m. Woitel replied back to me: "Mike, What happens if I cant find all of the proof? Not that I am not going to try, I am but I need to know what ramifications are To help motivate staff at restaurant and bar to help find the old records."

I replied back to her with what the regulations required and why I needed the information requested.

I never received any further communications from Woitel or the licensee directly.

CONTINUING INVESTIGATION

Based on information obtained during the course of the Minimum Operating Requirements investigation I found information relating to possible statute or regulation violations. Based on those findings I will be conducting a separate investigation into those possible violations.

Carrie,

I am assuming you have the originals of everything else sent. The AB-30 form submitted under 2018 was in fact for the last few months of 2017 not 2018.

During 2016 and 2017 G & P Inc liquor license was utilized within the banquet room during special occasions. It did meet requirements on an as needed basis. As you can see from the 2016 Profit and Loss and the taxes filed with IRS during 2016 it was utilized more. During 2017 with staff changes it became more difficult to meet the approved arrangements between AMCO and license holder. When the Liquor license was used during 2016 and most of 2017 it was George's Casino.

Much of the liquor used was purchased through Pizza Paradisos to be sold in the Casino during 2016. During 2017 liquor was purchased on an as needed basis from Country Liquor.

I am attaching a picture of the old signage. However, additional signage and the actual bar used in the banquet facility had already been removed and I could not obtain a picture for you. The same signs covering what was available to purchase to drink were the same as previously used have already been provided.

Ofc (907) 262-1834 Fax (907) 262-5358

March 7, 2018

In fall of 2017 it was established with AMCO that the license would be utilized to reopen the previous bar location next door. This location was remodeled and opened as full public bar with a dedicated staff for the running of George's Nightclub. All information for the future running of the bar has already been established.

When Joe the investigator for AMCO did the walk through of George's Nightclub he personally observed all aspect of the change of operation.

The locations for Pizza Paradisos and G& P dba George's Nightclub are a huge building taking a good portion of a block with interconnecting hallways. George's Nightclub will have additional hours as the year progresses, and staff additions and training allow.

Sincerely,

Lori Woitel

MEMORANDUM

TO: Sarah Oates
Program Coordinator

FROM: Joe Hamilton
AMCO Investigator

DATE: January 12, 2017

RE: George's Casino, License #204

In August of 2012 I completed a routine inspection of George's Casino which appeared to be not operating and is located in the same building as Pizza Paradisos. I learned that Pizza Paradisos and George's Casino are both represented by Joanna Pitsilionis for owner George Pitsilionis. Ms. Pitsilionis advised me that she had made an arrangement with then Director Douglas Griffin, to move George's Casino to one of Pizza Paradisos banquet rooms in a letter dated 10-12-07 from Griffin to Ms. Pitsilionis. The letter made it clear "that this change is temporary and transitional in nature".

Ms. Pitsilionis stated that they had operated the license for 30 days as required under 3AAC304.170 in 2012. I requested Ms. Pitsilionis provide receipts as proof they were operating. I mentioned that there wasn't a sign advertising George's Casino. Ms. Pitsilionis did send receipts as requested. The receipts were general in nature, meaning there was nothing on the "z tape's" that said George's Casino. I gave them the benefit of the doubt that they had operated.

In a letter dated September 11, 2012, then Licensing & Records Supervisor Christine Lambert drafted a letter to George Pitsilionis for then Director Shirley Cote'. The letter stated in part, "After careful review of your premise diagram Ms. Cote' recommends that you send us a new premises diagram with the entire building space outlined in red". Ms. Lambert went on to write that doing that would allow her to serve alcohol in any location and they could put the bar at a location selected by them. This still did not solve George's Casino's issue because now there are two separate licenses being operated at the same address.

On 12-28-16 I completed another routine inspection with Ms. Pitsilionis. Ms. Pitsilionis pointed out that there was a sign on the door advertising George's Casino. Other than the sign, nothing else had changed regarding the operation of George's Casino. In speaking with Ms. Pitsilionis and another unidentified "long time" employee, I learned that George's Casino is operated mainly as a banquet room. Ms. Pitsilionis admitted that the functions did not last 8 hours nor

were there more than 30 events all year. It was also learned that they wheel in a portable bar stocked with Pizza Paradisos alcohol.

George's Casino is not operating the license in accordance with 3AAC304.170 and the arrangement made with Douglas Griffin was a temporary solution to their situation. George's Casino is Sole Proprietor owned and Pizza Paradisos is owned by a Corporation.

RE: Liquor License #204, Renewal

Please be advised that it was in error that Section 6 – Violations and Convictions in the first question was altered incorrectly. There in fact was a NOV on January 13, 2017 for liquor license 204. The situation was addressed and has been since remedied by the opening of the nightclub.

Sincerely,

George Pitsilionis
President
