Action:** License renewal

**Statutory
Authority:** AS 04.06.090(b): “The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title.”

AS 04.11.480(c): “A local governing body may recommend that a license be issued, renewed, relocated, or transferred with conditions. The board shall consider recommended conditions and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the recommended conditions and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If the local governing body recommends conditions, the board shall impose the recommended conditions unless the board finds that the recommended conditions are arbitrary, capricious, or unreasonable. Staff Rec.: Renew with requested conditions

Background: The renewal of this license was approved with delegation by the board on January 23, 2018. We received a protest from the Municipality of Anchorage on February 14, 2018, within the 60 day protest period. On March 27, 2018, the Municipality of Anchorage lifted the protest but requested the following conditions be placed on this license:

1. No single-serving of beer or malt beverage may be sold or offered for sale:
 - a. in a container having a capacity of 18 ounces or less (or approximately 532 milliliters or less), or
 - b. in cans or bottle containers of 42 ounces or less (including 24 oz) with malt liquor with an ABV (alcohol by volume) content of 9.9% or more and under \$4.00.
2. No cheap wines or fortified wines less than \$6.00 may be sold or offered for sale.
3. No six-packs of beer for less than \$6.00 may be sold or offered for sale.
4. The package store shall be closed between 10 p.m. on Sundays through Thursdays and noon the following day, and between 11 p.m. on Friday and Saturday and noon the following day. The store shall not open before noon daily.
5. No single-serving of an alcoholic beverage other than beer or wine may be sold or offered for sale in a container having a capacity of 375 ml or less.
6. These conditions do not prohibit the licensee from selling or offering to sell multiple containers packaged and attached together as a unit by the manufacturer. The licensee is prohibited from dividing a manufacturer's package containing more than one container of beer, malt liquor, wine or other alcohol beverage, in order to sell an individual container.
7. All products sold as individual containers shall be labeled with a sticker or other identifying mark to identify the location of the point of sale.
8. The licensee shall execute and comply with that Memorandum of Understanding (MOU) between Mountain View Community Council (MVCC) and Liquor Stores USA North Inc. DBA Brown Jug dated March 16, 2018, and any reasonable successor agreement thereto mutually agreed upon by the parties; provided this condition will become null and void if the MOU is not ratified by the MVCC general membership as provided in Part 8 "Effective Date."
9. The conditions recommended by the Assembly herein shall only be applicable to license #759 while it is located at 119 Klevin Street in Anchorage. If the license is transferred to a different location all conditions shall be lifted from license #759; however this does not prevent the Anchorage Assembly from recommending the same or other conditions be imposed on the license at the time it reviews an application to transfer the location of license #759.

The board is required to hold a hearing to consider the conditions, and the hearing shall be conducted under AS 04.11.510(b)(2). Notice to the Mountain View Community Council was sent on May 18, 2018.

A temporary license was issued on January 4.
