

## MEMORANDUM

TO: Board Chair and  
Members of the ABC Board  
FROM: Erika McConnell, Director

DATE: June 12, 2018

RE: #5642 Sockeye Saloon

This is an application for a new Beverage Dispensary – Tourism license in the Bristol Bay Borough.

AS 04.11.400(d)(1)(A) requires 10 rental rooms if the population is less than 1,501. The Bristol Bay Borough has a certified population of 887.

The applicant offers 16 rental rooms, eight of which include kitchenettes. Alcohol is not stocked in the rental rooms, and the establishment has a full-service restaurant.

**2018 Tourism Statement**  
**Kvichak Management Services, LLC,**

- 1. Explain how the issuance of a liquor license at your establishment has/will encourage tourism.**

The central focus of the business plan for the Sockeye Saloon involves catering to out of town tourists, local, and regional guests. The licensee will continue to run advertising in travel/tourism publications and directories as well as through electronic methods, including an online presence via property specific website and other relevant platforms. As the business develops we will expand our tourist services.

- 2. Explain how the facility was/will be constructed or improved in accordance with this application.**

This facility is located adjacent to the King Salmon Airport, on the Alaska Peninsula Hwy. As such it is ideal for travelers who want an overnight stay in a beautiful location conveniently located adjacent to the airport with easy access to air service to the Katmai National Park and numerous guide services. The Sockeye Saloon will be the only full service (bar, eating, lodging) provider in the Naknek/King Salmon area, providing facilities for the 50+ thousand tourists that come through each season.

- 3. Who operates the facility for which a liquor license is being applied?**

Kvichak Management Services, LLC operates the liquor license and restaurant. Mr. Jan Supler, Tim Smyer, and Robert Babiak are the Officers of the share-holding entity. Ms Amy Gibson is the manager that will be at the facility.

- 4. Do you offer room rentals to the traveling public? Yes.**

The facility has historically provided much needed lodging to tourists who are terminating in King Salmon, transitioning through King Salmon to other areas down the Peninsula (King Salmon serves as a hub for all villages between Lake Illiamna and Nelson Lagoon), and tourists and business people stranded in King Salmon while awaiting flights out.

**5. -If so, how many of these rooms are available? Do any of the rental rooms have kitchen facilities (defined as: a separate sink for food preparation along with refrigeration and cooking appliance devices, including a microwave)? If yes, how many of the rental rooms have kitchen facilities that meet this definition? Do you stock alcoholic beverages in guest rooms?**

There are 16 rooms for rent at the Sockeye Saloon. 8 of those the rooms are equipped with kitchen facilities. We do not stock alcoholic beverages in the rooms.

---

**6. Does your establishment include a dining facility?**

Yes. The Sockeye Saloon offers breakfast, lunch, dinner, and snacks daily in a comfortable setting.

**7. Are additional amenities available to your guests through your establishment (eg: guided tours or trips, rental equipment for guests, other activities that attract tourists)?**

Yes. The Sockeye Saloon does provide additional tourist type amenities to its guests. We have a retail store, including grocery, deli and gift shop, adjacent to the Sockeye Saloon. In addition, we facilitate car and boat rentals in King Salmon.

We have longstanding relationships with numerous tour and guide companies and have a list on our website of close by tours, trips, and rentals, for our guests. Sockeye Saloon will continue to operate the facility as a tourist facility. In short, all -of those things, which are routinely done by businesses in Alaska to encourage tourism, will continue to be done by the operators of the facility.

## Alaska Alcoholic Beverage Control Board Form AB-02: Premises Diagram

### What is this form?

A detailed diagram of the proposed licensed premises is required for all liquor license applications, per AS 04.11.260 and 3 AAC 304.185. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing. If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.

The **second page of this form is not required**. Blueprints, CAD drawings, or other clearly drawn and marked diagrams may be submitted in lieu of the second page of this form. The first page must still be completed, attached to, and submitted with any supplemental diagrams. An AMCO employee may require you to complete the second page of this form if additional documentation for your premises diagram is needed.

This form must be completed and submitted to AMCO's main office before any license application will be considered complete.

Yes No

I have attached blueprints, CAD drawings, or other supporting documents in addition to, or in lieu of, the second page of this form.
