

MEMORANDUM

TO: Bob Klein, Chair, and Members of the Alcoholic Beverage Control Board DATE: August 14, 2018

FROM: Erika McConnell, Director RE: 3960 Alaskan Premier Seafood Express

Requested Action: License reinstatement and renewal; transfer of ownership

Statutory and Regulatory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

AS 04.11.040(a): "A license issued under this title may not be transferred to another person except with the written consent of the board."

3 AAC 304.160(e): "For the purposes of AS 04.11.540, if a license has expired for failure to file a complete application for renewal by February 28 or for failure to pay the required fees and penalty fees by that date, the board will consider a written request to reinstate the license if the request is accompanied by

- (1) a complete application;
- (2) all required fees and penalty fees; and
- (3) proof of good cause for the failure to file and pay by February 28."

3 AAC 304.160(f): "The board will deny a request for reinstatement submitted under (e) of this section if the board finds that the failure to timely file or pay was caused by

- (1) the licensee's failure to notify the board of a change of the licensee's mailing address;
- (2) a transfer of ownership of the business for which the license was issued without written approval of the board in violation of AS 04.11.040;
- (3) a lease of the licensed business to another person in violation of AS 04.11.450(c); or
- (4) any other action of the licensee whether active or tacit that the board finds constitutes a failure to lawfully operate the business for which the license was issued."

Staff Rec.: Reinstate and renew; approve transfer

Background: The licensee submitted a renewal application in the second half of November 2017. On December 6, 2017, the licensee was sent an incomplete notice stating that because the license ownership had been changed from a sole proprietor to a limited liability company without board approval, a transfer application was required in order to have a complete renewal application.

An incomplete transfer application was first received on February 22, 2018, and a temporary license was issued on March 6, 2018. After multiple reviews and incomplete letters, the temporary was rescinded and the license was expired for non-renewal on May 29, 2018.

Subsequently, a complete transfer application has been received, along with a request for reinstatement and renewal.

Note that 3 AAC 304.160(f)(2) states that the board will deny a renewal when ownership of the business was transferred without board approval. In general, this has not been implemented by the board, and it is possible that the intent was for when the license was transferred to an entirely different person or persons, rather than being transferred from two individuals to an LLC owned by the same individuals.
