

MEMORANDUM

TO: Bob Klein, Chair, and Members of the Alcoholic Beverage Control Board DATE: February 19, 2019

FROM: Erika McConnell, Director RE: 39 Alaska State Fair

Requested Action: License renewal

Statutory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

Staff Rec.: Deny the renewal

Background: This recreational site license does not appear to meet the statutory requirements of the license type:

Sec. 04.11.210. Recreational site license.

- (a) The holder of a recreational site license may sell beer and wine at a recreational site during and one hour before and after a recreational event that is not a school event, for consumption on designated areas at the site.
- (b) The biennial fee for a recreational site license is \$800.
- (c) In this section, "recreational site" includes a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season.

The Alaska State Fair has held a recreational site license since 1981. Some of the events held on the licensed premises may qualify as "recreational events" under the statute, but the majority of alcohol service during the 10-day long State Fair is not compliant with the statutory requirements. The following locations are areas of service at the State Fair:

- The Sluicelox
- The Oasis Beer Garden
- The Woodlot #1
- The Woodlot #2

- The Borealis Theater
- The Waterin' Hole #1
- The Waterin' Hole #2
- The Borealis Plaza Tent
- The Grandstands
- The Wine Bar at Colony Theatre
- Raven Hall

Of these locations, only The Grandstand could possibly be considered as a location that meets the definition of “recreational site.” Some locations have music concerts; others are simply places to eat and drink. The hours of operation do not relate to a recreational event.

The 2014 and 2017 legislative audits found that many businesses holding recreational site licenses did not qualify under the statute and recommended that licenses be issued in accordance with statute. The 2014 audit does not specifically call out the State Fair as one of the non-compliant businesses, but the audit only gives some examples—it doesn't provide a comprehensive list. During the 2017 audit, the auditors selected only 10 recreational site licenses to examine, of which the State Fair was not one. The fact that neither audit specifically mentions the State Fair cannot be used to conclude that the auditors determined that the State Fair meets the requirements of AS 04.11.210.

This recommendation does not come as a surprise to the State Fair although the board has heard testimony to the contrary. Representatives of the State Fair discussed how a recreational site license does not fit the alcohol service model of the State Fair at a meeting in my office on July 19, 2018, attended by Ms. Sheri Musgrave and Mr. Jerome Hertel of the Fair, and Ms. Sarah Oates. There were even discussions about resolving issues related to the State Fair license during the 2018 legislative session.

Senator Micciche has introduced SB 16, which creates a fair license, authorizing the holder, who must be a nonprofit organization that has been active for at least 10 years, to sell beer and wine at regional fairs and other events held on a fairgrounds. This bill has had one hearing in the Senate Labor and Commerce Committee as of February 12, 2019.

There is no current license type that fits the business model of the State Fair. A legislative fix is the best solution to allow the State Fair to continue operating as they have been.

Recreational Site License Statement

The Alaska State Fair has held a Recreational Site License since 1981. We host and serve alcohol at many sporting events that have defined seasons. The Scottish Highland Games are always the last weekend in June. Beer and wine is served at the games from 12 noon until 11:00 pm. The Alaska State Horse Show Association (Hunter/Jumper group) and Rodeo Alaska's season is from May through September. During their rodeo events held here, they have alcohol served from one hour prior to start through the time it ends. Usually this means from 12 noon – 5 pm. During the 2017-18 winter season, we hosted the Denali Destroyer Dolls Roller Derby in Raven Hall and provided beer and wine from 6:00 pm to 10:00 pm. Of course we also serve beer and wine during the annual August/September fair from noon to midnight each day.

Our Mission Statement includes, *"Alaska State Fair Inc. provides a center for the Alaskan community to gather in a dynamic and safe atmosphere throughout the year."*

We strive to fulfill that mission, but many events will not consider renting a facility unless we are able to provide beer and wine to their attendees.

Although many of the sporting events occur only in the summer, we hope to expand our facility rentals to host more indoor events in the winter season as well. Adding the Roller Derby was an example of a sporting event season that was added this year. Our facilities have been considered for mixed martial arts events with a defined season. If we are unable to offer beer and wine service, our facilities will not even be in the running to host these events.

We are a non-profit 501C3. We depend on additional income from our interim rentals. We sincerely hope you will grant the renewal of our Recreational Site License.

9 * **Sec. 8.** AS 43.60.040(a) is amended to read:

10 (a) Each brewer, distiller, bottler, jobber, wholesaler, or manufacturer is
11 primarily liable for the payment of the excise taxes on alcoholic beverages sold, and,
12 **except as provided under (i) of this section,** shall furnish a good and sufficient

18 * **Sec. 9.** AS 43.60.040(b) is amended to read:

19 (b) Upon receipt of the bond and its subsequent approval, the department shall
20 issue a license certificate authorizing the brewer, distiller, bottler, jobber, wholesaler,
21 or manufacturer, liable for the payment of the tax, to sell alcoholic beverages in the

23 **under (i) of this section, it** [IT] is unlawful for a brewer, distiller, bottler, jobber,
24 wholesaler, or manufacturer to sell alcoholic beverages in the state or to consign
25 shipments of alcoholic beverages into the state without first furnishing the required
26 bond and obtaining the license certificate or permit from the department. The license
27 certificate does not constitute permission to sell alcoholic beverages in the state or to
28 consign them to the state without having complied with other requirements of state or
29 federal law.

30 * **Sec. 10.** AS 43.60.040 is amended by adding a new subsection to read:

31 (i) The department may not require a brewer, distiller, bottler, jobber,

1 wholesaler, or manufacturer who has timely filed monthly tax returns and paid
2 monthly taxes to the department over the most recent three consecutive calendar years
3 to maintain a bond if the brewer, distiller, bottler, jobber, wholesaler, or manufacturer
4 remains in compliance with AS 43.60. The department shall notify the brewer,
5 distiller, bottler, jobber, wholesaler, or manufacturer of any noncompliance that
6 requires the brewer, distiller, bottler, jobber, wholesaler, or manufacturer to file a bond
7 under (a) of this section after three years. The brewer, distiller, bottler, jobber,
8 wholesaler, or manufacturer shall, within 30 days after receiving a notice of
9 noncompliance, file with the department a bond under (a) of this section.

Dear members of the Alcohol Beverage Control Board:

The Alaska State Fair has been educating, entertaining, and supporting Alaskans for over 80 years and having a beer or glass of wine has been a part of the attendee experience since 1981. To deny the Alaska State Fair an alcohol license would have a detrimental effect on the attendance, ticket sales, beverage sales and the eventual sustainability of the Fair.

It is important that you renew the Alaska State Fair's recreational site license for the following reasons:

The ABC Board has set a precedent by renewing the Fair's license in the past as a recreational license. During the last renewal cycle the ABC Board determined that the Fair met the qualifications for a recreational site license. On December 5, 2016 the Fair's application for renewal was evaluated and it was determined that the Fair qualified for renewal without conditions or restrictions.

The fact that the Legislature passed HB299, which repealed AS 04.11.537, implies that the Board take into consideration actions it has taken in the past. Past administrations of AMCO and the ABC Board have evaluated and renewed the Fair's license as a recreational site license and past precedent must be considered.

The Director of AMCO believes that recreational site licenses can only be issued to locations that host competitive events which includes a location where baseball games, car races, hockey games, dog sled racing events or curling matches are regularly held during a season. Though the statute includes those examples, it does not state that is specific to or limited to those locations or events. The Fair includes many events, activities, and competitions that qualify it as a recreational site and alcohol sales should be allowed during the Fair and seasonal events. In addition the Fair's license was not included by name or implied in the 2014 or 2018 audits of licenses that do not meet the qualifications of a recreational site license.

The condition that Ms. McConnell requested to limit alcohol sales to specific events that meet her definition of a recreational site should not be considered as the Alaska State Fair hosts a large variety of recreational events that meet the definition and should be allowed to serve alcohol at multiple locations as it has in past years.

The denial of the Alaska State Fair's alcohol license should not be based on legislation that hasn't occurred. While everyone may agree that a legislative fix is a viable solution, it fails to provide assurance that the Fair will be operating as it has for the past 37 years.

The Alaska State Fair also requests the approval of the revised license diagrams and the request for alternating premises that were submitted to AMCO last year with no response.

In conclusion, the Alaska State Fair requests the following actions:

- Approve renewal of the Alaska State Fair's recreational site license.
- Clarify that the Alaska State Fair meets the definition as a recreational site.
- Approve the revised license premises diagrams and the alternating premises request that will allow the Fair to operate as it has in the past.

Thank you for your cooperation and consideration.

Sincerely,

Jerome Hertel

Michelle LeKites	Anchorage, AK	2019-01-12	Legislation should help those that follow rules, rather than penalize all because I few do not. The State Fair has been a positive influence on so many factors that benefit out state and should be supported at all cost.
Meghan McNiven	Palmer, AK	2019-01-12	Because the fair will loose sooooo much money taking away alcohol
Alex Hutchins	Anchorage, AK	2019-01-12	So much lost revenue that will affect small businesses!
Cheryl Daniels	Anchorage, AK	2019-01-12	State Fair has a great track record of providing a safe venue where alcohol is involved. They have followed the laws and do a great job enforcing their commitment to ensuring that those under 21 do not have access to beer and wine.

Pamela Melin	Palmer, AK	2019-01-13	Why the h... would they even consider this!
Deborah Retherford	Palmer, AK	2019-01-13	This is a ridiculous waste of energy & resources for the ABC Board. Fix what you need to fix in the law and move on without causing all this concern. You know tbe intent was never to keep the Fair from having this license & you know Alaskans will not stand for pulling it - so why cause this uproar?! Just fix it.

Amie Haakenson	US	2019-01-13	All fair-goers should have the option of any food or beverage that they wish to enjoy. The fair staff takes great care in following all guidelines and offers a safe environment for those that wish to partake and those who do not.

James Isaacs	Fairbanks, AK	2019-01-13	Well you might as well cancel concerts because that's part of the experience, people would not go. I know it's not about the drink, it's people's prerogative if they want to drink or not. Wow people really need more to do in life.
Laurie Branstiter	Anchorage, WA	2019-01-13	The Fair has always had respectful places for those who choose to drink

Brooke Hartman	Anchorage, AK	2019-01-13	I've never heard of a state fair not offering beer or wine options. This is ridiculous.
Robert Gilmer	Anchorage, AK	2019-01-13	This would kill an already struggling fair and tradition
Emily Olsen	Wasilla, AK	2019-01-13	This is the most ridiculous thing I have ever heard. People like to drink beer. It's a part of the fair.
David Vernola	Wasilla, AK	2019-01-13	If you can drink at Disney World . . .
Trina Sanford	Soldotna, AK	2019-01-13	I support the Alaska State Fair and believe the events held onsite at the fairgrounds and during the Fair are recreational events and qualify them for a Recreational Site License. Having a beer or glass of wine at the Fair or an event at the Fairgrounds, is an important part of the experience!! I know I always do when I'm there!

William Schmidt	Wasilla, AK	2019-01-13	I've never even been old enough to drink until this coming State Fair and I still think it should be allowed. I'm signing this for the sake of the income it produces as well as the unique culture and atmosphere it carries.
Clarence Harding	Wasilla, AK	2019-01-13	Clancy Harding
Nick Byars	Palmer, AK	2019-01-13	I dont think this should be a dry fair. I love sitting at the little saloon with the train carts and listening to music play. The waitresses are always very nice .
Oscar Perez	Wasilla, AK	2019-01-13	Why, oh! Why is this even being considered!
Alycia Shaw	Anchorage, AK	2019-01-13	What's the purpose of making it a dry event?
Benjamin Toche	Palmer, AK	2019-01-13	No fun allowed.
Anita Underwood	Beaver, WV	2019-01-13	It's sold at other state fairs why not there.
Sean Owens	Soldotna, AK	2019-01-13	This venue clearly meets the approval requirements for the sale of alcohol.
Blake Brezinsky	Palmer, AK	2019-01-13	There is not reason to have government control even more than it already does... especially with the beer industry here in AK. The state fair will have far less people attend if there is not alcohol allowed. The money made from the concert alcohol sales is substantial in it of itself. Things like this should be based on what the public wants, not one individual in governmental power pushing their own agenda
Shinarew stephens	Soldotna, AK	2019-01-13	It's should be apart of it and support our growing number of local breweries!
Damon Lee	Wasilla, AK	2019-01-13	It is good for the local community and businesses!
Susan Brewer	Flowery Branch, GA	2019-01-13	Taking away from the 'State Fair' experience seems sacrilegious. For GOD sake, leave it alone. I don't drink & find this ridiculous ! Don't y'all have anything else better to do !!? You will single-handedly, curtail the attendance. Your dealing with adults here. We all know, there are the few that will, & do abuse this. But it has always been the case & will always be the case, no matter what. There are plenty of responsible drinkers, than not. It's a shame the responsible folks are ALWAYS punished, In everything ! Alcohol, guns, prescription medications. When will law-makers realize that? That's how you handle school children, literally. Good Grief get real !!
Tammy Kidd	Wasilla, AK	2019-01-13	Ridiculous to even think this is a good idea.
JENNIFER DEUTSCH	Anchorage, AK	2019-01-13	Everyone deserves a choice

Steven Pedersen	Anchorage, AK	2019-01-13	Alaska State Fair just isn't the Alaska State Fair without The SluiceBox!!
Caren Corcoran	Wasilla, AK	2019-01-13	The fair is a once a year event. In all the years it has been in operation, it has not gotten to a Detroit level of anything! It is a celebration of the summer crops being prosperous and an acknowledgement of all the work that went into that growing season. For bilateral surgery sake, the Amish do it!
Carol Fletcher	Thorne Bay, AK	2019-01-13	Beer gardens have been at MANY fairs, don't deny Alaska that right!
Johnny Ordonne	Lockport, LA	2019-01-13	Johnny Ordonne
Bern Johnson	Caloundra West, Australia	2019-01-13	Even though I live in Australia I have visited the Alaska State Fair twice now. Whilst neither my husband nor I have imbibed alcohol whilst at the State Fair, I am against banning it from the Fair. Alcohol in moderation hurts nobody. Plus allowing alcohol on the grounds allows Alaskan breweries to sell and promote their products.
Linda Olson	Palmer, AK	2019-01-13	Im signing because I believe the controlled serving of alcoholic beverages at the Alaska Fair is a recreational activity and should be allowed a license.
Dani Keschull	Soldotna, AK	2019-01-13	I'm signing because it's an Alaska Fair tradition. Every time I have been to the fair I have never seen inebriated people causing trouble nor have I witnessed underaged people drinking. I believe the people of the state can be responsible and we don't need more government enforcing rules and/or laws that are: a) not needed and b) not easily enforced. Why make criminals of responsible adults? It doesn't make sense.

Elijah Young-valladolid	Anchorage, AK	2019-01-13	I bring kids to the fair and need wine
Amanda Bowles	Palmer, AK	2019-01-14	Not only is it necessary for the Fair, but is part the livelihood of many vendors at the Fair and other events held at the Fairgrounds throughout the year. Not renewing their license would be detrimental to the Mat-Su Valley and State's whole economy.
Michelle Ose	Anchorage, AK	2019-01-14	It is a recreational site!!

Timothy Harris	Palmer, AK	2019-01-14	I enjoy having a beer with the great food at the fair. I also enjoy having beers at the various events I attend there every year. This all sounds like sour grapes and politics, and I'm tired of both.

Jerome Glynn	Palmer, AK	2019-01-14	Fair is fair. The fairgrounds should have the license to sell alcohol for their two week event and any other special events.
Louis Amundson	Anchorage, AK	2019-01-14	Having a beer or two at the fair helps people cope with the crowds! Don't let a few people force their morals on you.
William perry	North Pole, AK	2019-01-14	I think this is stepping a little outside of what the ABC needs to worry about. I thought we were in a budget crisis and tax dollars are tax dollars.
Ralph Holcomb	Wasilla, AK	2019-01-14	Nothing wrong with a couple beers at the fair, especially at a concert!
kelly selmer	Palmer, AK	2019-01-14	To deny the Fair's ability to serve alcohol during the Fair and interim events is an overly strict interpretation of statute and disruptive to a local non-profit that contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.
Tracia Craig	Anchorage, AK	2019-01-14	If it has been fine all these years why all the sudden change the rules? I think it should be left as it has been for years. Let them serve alcohol.
Greg Pietsch	Fairbanks, AK	2019-01-14	The ABC board keeps coming up with strict interpretations the fly in the face of was has previously been seen as acceptable and there opinions seem unreasonable and unjustified

Holly Weir	Washington	2019-01-14	I love the fair and it wouldn't be the same with out the beer garden and ecta.
Chelsey Lord	Chugiak, AK	2019-01-14	We look forward to the beer tent.
Megan Ehret	Kenai, AK	2019-01-14	I believe that withholding beer and wine will greatly impact the future revenue of the Alaska State Fair grounds due to several paying venues serving alcohol as part of their contributions. The concert venue is a prime example, thousands of people are drawn to the concert not only for the music but also atmosphere. With lack of atmosphere not only with patrons relocate but so will the musicians who preform at these events, this doesn't just effect Alaskans but also those looking to experience it.

Robert Meili	Anchorage, AK	2019-01-14	The Alaska State Fair is a family oriented event. Alcohol sales undermines this and often brings consequences that outweigh the benefits of those sales.

Stephen Young	Palmer, AK	2019-01-14	Europe and the US has a long tradition of the "beer garden". Are we really going to deny our fellow Alaskans a tall cool drink?

Cyndy Moffitt	Anchorage, AK	2019-01-14	I enjoy a drink or two at the state fair and was disappointed to hear that the AK Chicks events were declined the opportunity to have a beer/wine bar. I do feel that most people have the common sense to practice responsible drinking.

Lynn Murphy	Anchorage, AK	2019-01-14	I am signing because I feel that having an option to purchase beer and wine at our local Fair and other events held at this location only enhances the experience. Kalea Myers	Palmer, AK	2019-01-14	The State Fair has been an annual recreational part of my life in Palmer for 36 years, and before that a part of my father's life. It is unreasonable to say the Fair, of all places, does not meet the criteria for a recreational license. The board will be setting a precedent for denying future entities that are uniquely Alaskan if they deny the Alaska State Fair now.
Michelle Duprey	Fairbanks, AK	2019-01-14	Every Fair in the freaking country has beer and wine..
vonice Larse	Anchorage, AK	2019-01-14	The fair is always a fun event. Alcohol served responsibly is perfectly acceptable. This is one event that should be allowed to serve beer and wine. They have always been proavtive about keeping fairground events peaceful and friendly.
Deonn Torkelson	US	2019-01-14	There is no reason To take away alcohol from the fair. It's part of the concerts and being able to go sit down and enjoy a glass of wine or beer before heading to spend more money on our children or grandchildren and even ourselves. Taking this from the event will detour people from coming and enjoying events.

Sara Jansen	Wasilla, AK	2019-01-14	The Fair has had a recreational license for nearly 40 years, has always worked with the state when asked, and clearly meets the definition of "recreational" which is an activity done for enjoyment when one is not working. For one person to decide that all of a sudden the Fair doesn't qualify seems a bit too arbitrary.

Candice Brown	Slidell, LA	2019-01-14	I dont drink but still feel it should be allowed. If the fair becomes dry I wonder how much ticket sales for the concerts would have to go up to support the bigger acts coming up here. Theres really no reason to ban it.

Please let them keep selling adult beverages. Not only should they be able to sell adult beverages but the hours should be expanded so that people that work at the fair have an hour to enjoy the entertainment and a beverage before getting kicked out.

			former valley bartender, we adults should be able to enjoy an adult beverage as we enjoy one of the greatest events of the year.
Teresa Denton	Wasilla, AK	2019-01-15	I like to have a drink at the fair
Jo Ballagh	Anchorage, AK	2019-01-15	If you take away the alcohol available for purchase, people are just going to find a way to bring it in. Please don't be daft.
Jocquelyn Elton	Anchorage, AK	2019-01-15	I like to enjoy beer at the fair
Noah Holland	Palmer, AK	2019-01-15	It is a recreation area! Keep the State Fair wet again!
Brian Hudgins	Jber, AK	2019-01-15	It should be an individuals choice if they want a drink or not at the fair.
charles Ritchie	Mascot, TN	2019-01-15	This is ridiculous. The fair has served beer for decades! If it doesn't count as a recreational site, what does? It makes no sense.
Colleen Keen	Coos bay, OR	2019-01-15	I go to the fair every year for the whole experience which includes having a glass of wine while visiting with friends at the fair. Another place the State is going to destroy the Alaskan experience.
Amy Hawrylak	Anchorage, AK	2019-01-15	Going to the beer tent is always a nice break when at the fair.
shannon mangis	Anchorage, AK	2019-01-15	I don't drink but I think it's ridiculous not to allow the Fair to have alcohol, there is a lot of money to be made there.
Perry Hicks	Las Vegas, NV	2019-01-15	Maybe for one year everyone in Alaska could stop buying liquor there and the top brass would be changed
Timothy McLain	Anchorage, AK	2019-01-15	This is ridiculous
Kathy Harmon	Palmer, AK	2019-01-15	This is a once a year event tourist are here people come to the fair to enjoy themselves vendors have an opportunity after working hard all day and not have to drink and drive this will hurt the fair tremendously
Michael Winders	Fayetteville, AR	2019-01-15	I believe it's true
Sandra Robinson	Palmer, AK	2019-01-15	I believe in the cause and the reasoning.
Annette Johnson	Palmer, AK	2019-01-15	Because not only for the fair and many venues there alcohol is a part of the atmosphere and venue profit. Making it possible to pay acts to be at the fair. A person has the choice to drink or not, the board shouldn't decide they can't.
James Shanklin	Anchorage, AK	2019-01-16	Seriously?!?! The State of Alaska legislators are really that short sighted??.....oh, I'm sorry that certainly should be deemed rhetorical, because it is, for the love of all that is holy, ie: beer made by monks!!! STOP!!!
Carrie Mitchel	Anchorage, AK	2019-01-16	The beer garden and bar was already confined to very small areas, it's ridiculous to cut it altogether.
Phillip Rode	US	2019-01-16	Freedom of choice,

Name	Location	Date	Comment
Sherri Lilly	Palmer, AK	2019-01-16	I think it should be allowed at this venue. It will limit future events not just the fair.
Richard Primmer	Wasilla, AK	2019-01-16	It's uncalled for, seriously wrong of the state!
Nancy stryken	Anchorage, AK	2019-01-16	It's the fair (recreational). Some people like to have a beer or a glass of wine. U want people sneaking it in? It's the fair food and drink
keith swinney	Lenoir City, TN	2019-01-16	When I am up there, it goes hand in hand. Not to excess but to relax a bit.
Sophia Willard	Kenai, AK	2019-01-16	As long as people are responsible I have no problem with serving alcohol at the fair
Elizabeth Ridenour	Anchorage, AK	2019-01-16	I don't think bringing prohibition to the State Fair is the right thing to do. It's not a small 1 day pie and jam contest event.
Fiona Robb	Tullibody, Scotland, UK	2019-01-16	One of my first memories of Alaska was the state fair in 2016, it was lovely to be able to meet new people and share a drink or two with them in the bar, I now have 2 lovely friends that I keep regular contact with, without the bar I would never have met them, I hope to come back to Alaska and be able to share good times in the bar again!
Nita Dukes	Wasilla, AK	2019-01-16	I work at the fair and this would have a devastating impact for not just staff but for local revenue and for the state revenue. I believe that you can find a way as to continue with beer and wine sells as to avoid this
Fiona Robb	Tullibody, Scotland, UK	2019-01-16	My first visit to Alaska was in 2016, the day after arriving we went to the State Fair and had a wonderful time, during our day we went the bar for a couple of drinks where we met new people and listened to an awesome band, If it we're not for that bar I would never have met my lovely friends Nita and Sarah jo, we still keep in contact and I have been back to Alaska since then to visit. Friends are made in places like this so why on earth would you want to destroy it, can't you see how good for the economy it is when people return to Alaska, and the bar in the state fair is where it all began for me and my partner. Hope to come back again soon and share a Scottish cup of friendship at the state fair with friends 💎💎💎💎💎💎💎💎
Amber Rose-Willis	Wasilla, AK	2019-01-17	I worked the beverage department for 18 years and know how much fun it is and how much the fair needs the alcohol license. People come to the gait to enjoy a nice cold beer and it would effect a whole bunch of peoples jobs. Not to mention the fair vendors would be affected by this as well. It would be devastating to not have the beer gardens at the fair for all sorts of people from patrons to jobs.
stevie collins	Wasilla, AK	2019-01-17	Yes.
Lee-Ann Schooler	Anchorage, AK	2019-01-17	I am an adult and have rights. Why are you trying to take them away?

Name	Location	Date	Comment
Donna Charles-vanasdoll	Wasilla, AK	2019-01-17	I feel the fair deserves the right to serve alcohol under supervision and laws.
Mike Peterd	Naknek, AK	2019-01-17	It's part of the fair!
Samantha Tillman	Anchorage, AK	2019-01-17	I like alcohol
Joshua Titus	Anchorage, AK	2019-01-17	I like the idea of being able to have a drink at the fair with my friends, it also makes me spend more money than I should at the fair
Charles Jordan	Anchorage, AK	2019-01-17	I like having the option.
richard kenealy	rex, GA	2019-01-17	Cause it's not a law, it's a tax pretending to be a law
torrie ruhle	Anchorage, AK	2019-01-17	It's a perk of the fair! Dont know if I'd go otherwise.
Kayla Starbird	Wasilla, AK	2019-01-18	I'll be 21 in July and would love to go too the sluice box/beer garden and be able to have one drink at concerts. I would never get completely drunk at the fair but definitely enough to have at least some fun. I think it should be allowed
Sheena Davidson	Savannah, GA	2019-01-18	I'm signing this because every state fair have beer. So why not this one?! I don't see the problem with it.
Ellen Sutphin	Anchorage, AK	2019-01-18	I need beer while listening to some great music in the watering hole saloon!
Samantha Reid	Anchorage, AK	2019-01-18	They should have it because every one needs to be able to have a drink if they want there
Renee Brown	Wasilla, AK	2019-01-18	Renee Brown
Elizabeth Rawlins	Anchorage, AK	2019-01-18	Holding the fair hostage, because a policy needs to be updated is ridiculous.
Mikalia Sheppard	Wasilla, AK	2019-01-18	I don't even drink but I think this is ridiculous.. people should be able to drink responsibly at a fair!
Terri Holbrook	Palmer, AK	2019-01-19	Need to renew the liquor license
Nick Thein	Anchorage, AK	2019-01-19	One of the best things at the fair.
Christine redick	Anchorage, AK	2019-01-19	I want to.
Kristina Flothe	Anchorage, AK	2019-01-20	When I go to concerts there it's nice to have a beer and/or wine while watching the shows
Kris Walston	Anchorage, AK	2019-01-20	I dont drink but it only right that there is a place to drink at a state fair every other state fair allows for beer gardens and other alcoholic beverages including wine
Andrew Nagapoollay	Ocala, FL	2019-01-21	I visit anchorage love the weather

Penelope Oswalt	Cordova, AK	2019-01-22	There are music, food and other events at the Alaska state fair that pair well with a nice glass of wine or a well developed beer! As long as all persons drink responsibly it's not a problem. It's a fair for all and people should be able to enjoy as they choose. We don't need prohibition at this event.
Julie Johnson	Anchorage, AK	2019-01-23	It's downright unAlaskan to not allow us to enjoy a beverage at the fair. I look forward to having a beer and hanging out at the Sluice Box while hearing a local musician play.
Carolan Ferreria	US	2019-01-25	It should be the Fair's choice as this is one of many important revenue streams for the Fair and the State.
Dianne Greenhalgh	Pikesville, MD	2019-01-25	Fairs and Carnivals RE Recreational whomever is trying to say different is simply flexing control muscle.
Amanda Bowles	Palmer, AK	2019-01-25	The economic impact it would have on the Alaska economy alone should be enough for them to realize this is a necessary thing! A LOT of vendors and business owners rely on this at the State Fair and events held there year around!
LaRay Ourricariet	San Martin, CA	2019-01-25	I support the Alaska State fair and believe it needs to continue to be considered a recreational event,
Lois Carr	US	2019-01-26	I agree with the petition.
Phillip Bates	Santa Clara, CA	2019-01-26	Fairs are the #1 recreational facility in almost every State!
Brian Larson	Brush, CO	2019-01-26	Right is Right
Robin Zimmer	Fairfield, CA	2019-01-26	You will lose revenue as serving alcohol is part of the fair experience. Give people what they want and don't lose revenue because of stupidity.
Judie King-Fatland	Clovis, CA	2019-01-26	Not a drinker but signed because it's right. A couple beers or glasses of wine just adds to the fair experience.
Lori Marshall	Brentwood, CA	2019-01-29	The Fair is a recreational site and alcohol should be allowed
Tyrone Palmer	Palmer, AK	2019-01-30	People look forward to having alcoholic beverages while enjoying the fair at the Sluicebox and Watering Hole. I believe it would hurt the fair in many ways if this changes. This is one of the only reasons I go to the fair. To enjoy AMAZING MUSIC while in an adult setting at the fair !!!!!
Melvin Kahunanui	Anchorage, AK	2019-01-30	Economy!
Beth Stimpfel	JBER, AK	2019-01-30	I enjoy the possibility of having an adult beverage at the Fair. We don't always have a beer or glass of wine, but why take that possibility away?
Traci Odom	Anchorage, AK	2019-01-30	Just redefine the license for the State Fair and renew their license please! It will kill the fair if there are no alcoholic beverages.
Hannah Cole	Indianapolis, IN	2019-01-30	This only results in more money for you.

Name	Location	Date	Comment
Tiffany Stroman	Wasilla, AK	2019-01-30	I'm signing because if we dont have beer gardens lots and lots of people will either not go and itll make it so we cant afford to have a fair in general or they'll just start bringing their own alcohol inside make it potentially dangerous.
Liberty Wright	Wasilla, AK	2019-01-30	I enjoy having a glass of wine with my husband and our friends during adult time.
jordan wolf	Kenai, AK	2019-01-30	Pulling their ability to serve alcohol at the biggest state event is a government overreach. Leave us Alaskans and our traditions alone.
Jessica Kelsey	Wasilla, AK	2019-01-30	I love going to the fair for a concert or something and being able to enjoy a drink with my mom.
Delight Lemaster	Elkridge, US	2019-01-30	I like to drink and have fun! 💎 I'm not stupid about it either .
Debra McKinney	Palmer, AK	2019-01-30	This would be a major blow to the financial health of the Fair, especially when it comes to music events, which is what draws me and most of my friends. Why would the board do this to our community?
LuLu Small	Palmer, AK	2019-01-30	I am a yearly performer at the Sluice Box, which brings in a LOT of money in sales of beer & wine! THIS IS a 'recreational venue'. Even Disney's California Park sells it (AND pre-mixed margaritas in a can!). The fair will LOSE a LOT of patrons and \$ if the ABC shuts it down. Totally ridiculous idea!!!
Alaska MusicMan	Anchorage, AK	2019-01-30	Stop using the Alaska State Fair and its patrons as a pawn to get legislative action you can't negotiate in good faith.
Robert Nash	Buffalo, NY	2019-01-30	Beer Gardens etc. have always been a tradition at fairs. It's ridiculous to remove them and hurts the income along with the overall experience of the fair.
Cynthia Izon	Anchorage, AK	2019-01-30	I would appreciate the opportunity to consume cannabis at the State Fair.
Terri Holbrook	Palmer, AK	2019-01-30	Have a glass of beer or wine during one of the many music events during the Alaska State Fair is as much of a traditional as seeing the giant pumpkin or eating funnel cake. Please renew the Alaska State Fair liquor license and keep the "spirits" of the Fair alive.
Gayle Allen	jamestown, NY	2019-01-30	Every state fair I've heard of serves alcohol. There is no reason why you shouldn't.
Christina Wilson	Anchorage, AK	2019-01-30	Christina Wilson
Dillon Irvine	Palmer, AK	2019-01-30	i work as a bartender at the ASF. i like that job. we make sure everyone is carded/21 and has a wristband, and are very strict about alcohol only being in certain areas. the fairgrounds also hosts events like the mighty matanuska brewfest and does so in a great professional way. so, dont delete my job.

			about alcohol only being in certain areas. the fairgrounds also hosts events like the mighty matanuska brewfest and does so in a great professional way. so, dont delete my job.
Sammy Afe	US	2019-01-30	It's how people enjoy the fair. Why would we take that away from them?
David Knopf	Wasilla, AK	2019-01-30	I am signing this because the right to enjoy recreational events open to the public should not be restricted by government, political standards, or conservative views. The right to enjoy all legal substances within responsible reason should not be infringed upon.
Cassandra DeBaets	Anchorage, AK	2019-01-30	It IS a recreational site.
Alison King	Anchorage, AK	2019-01-30	I'm signing because I am increasingly alarmed at how much our behavior is beginning to be regulated by government, local or otherwise. Also, the fair is attended by families certainly, but adults also enjoy it, and when kept in a local spot, the alcohol consumption at the fair has never been, in my experience, a problem.
Jean Carter	Palmer, AK	2019-01-30	I have never drank at the fair, but I believe as long as others are responsible as well as the places that serve it at the fair. It should be allowed for everyone to enjoy.
Sara Zwink	Spokane, WA	2019-01-30	Let's be honest, attendance would be down without it and that's not good for anyone!
iris caldentey	Kodiak, AK	2019-01-30	There are bars and specific areas for people to drink within the fair. Those areas do not interfere with my family time at the fair.
Paul Henderson	Sacramento, CA	2019-01-30	Paul Henderson
Kenneth Barney	Franklin, MA	2019-01-31	Kenneth Barney

Will McBride	Anchorage, AK	2019-01-31	Alcohol is not a problem at the State Fair.
Ronny Gray	Anchorage, AK	2019-01-31	No.. people who abuse it is the problem!! And honestly parents who have uncontrollable children who run amuck has been a huge problem!!
Lórien Harrison	US	2019-01-31	Because it's not gonna kill you to have a drink
Bruce Mjelde	Spokane, WA	2019-01-31	It makes sense.
Matthew Gerwin	Phoenix, AZ	2019-01-31	Fully agree, and makes so much sense.

Dorothy Jackson	San Antonio, TX	2019-01-31	Every theme park and entertainment area has alcohol. As long as they are controlling themselves and having a good time, why not.
Ceresa Tolley	Anchorage, AK	2019-01-31	Taking the beverage license will kill the Alaska State Fair. I'm not a big drinker and usually don't drink at the fair but I am a designated driver for several friends and family and those folks would most likely skip the fair all together if they weren't able to enjoy and adult beverage while the kids enjoy the rides.
Glenda Blaylock	Anchorage, AK	2019-01-31	An adult should be able to have a beer or a glass of wine when visiting the fair. Sometimes you just want to sit and relax for a bit before continuing your enjoyment of all the activities.

Re: Renewal of the Alaska State Fair's Recreational Site License

Dear members of the Alcoholic Beverage Control Board:

It is essential that you renew the Alaska State Fair's recreational site license for a multitude of reasons – the Fair meets the qualifications of a recreational site license, the ABC Board set a precedent during the last renewal cycle when it determined that the Fair qualified for its license type, and it is in the best interests of the public.

On December 5, 2016, the ABC Board reviewed its first written statement from a recreational site licensee when it evaluated the Alaska State Fair's license renewal application for qualification as a recreational site as defined in AS 04.11.210. On that date, it determined that the Fair's events, including the Scottish Highland Games and the rodeo events, qualified it for renewal without conditions or restrictions.

Since then, the Fair has added Alaska Roller Derby to its list of events that are regularly held during a season, adding to its eligibility. Ms. McConnell has made a list of factors that she believes qualify a recreational site for this type of license, but those factors are not found in either statute or regulation. The Fair's license was not included by name or implication in either the 2014 or 2018 Legislative Audit list of licenses and recreation types that do not meet the qualifications for licensure.

Last year, the Legislature passed HB 299 which, in part, repealed AS 04.11.537 that had read:
In determining whether issuance, renewal, transfer, relocation, suspension, or revocation of a license is in the best interests of the public, the board need not conform to or distinguish its decision from any action it has taken in the past on applications presenting similar facts, but may instead base its decision only on the particular facts before it.

In effect, and as clearly intended by the Legislature in hearings, the ABC Board is now required to apply precedent.

Because the Board evaluated the Fair for license renewal in 2016 and determined that it met the qualifications for a recreational site license, and because the Fair is arguably more qualified now than in 2016, the Board is bound by the precedent it set in 2016 to renew this license through 2020.

Ms. McConnell has requested that if the Board chooses to renew this license, that it do so with the condition that alcohol service be limited to those specific events that qualify the Fair for licensure. The actual Alaska State Fair is nearly a two-week event in and of itself that includes many shows and competitions throughout – many of which qualify the Fair for its recreational site license. For that reason, the Board should specifically allow for alcohol sales to take place during the hours of the Alaska State Fair, as has occurred for decades.

While the Fair does qualify for special events permits under AS 04.11.240, it is limited to five per calendar year. The Fair has already had to use one of its five unnecessarily because its repeated requests to have the licensed premises extended and modified to be alternating premises have been unanswered by Ms. McConnell for nearly six months. The Fair typically uses these permits for events that clearly do not fall within the guidelines of the recreational site statute, or that are in locations outside of the licensed areas. With there being only four permits remaining for 2019, the Fair will lose much-needed revenue if required to use another permit (or permits) for alcohol service during the Alaska State Fair.

In summary, I urge you to take the following actions today:

- approve the renewal application of the Fair’s recreational site license;
- clearly state for the record that the fall Alaska State Fair itself is a qualifying event for the license that would not require a separate permit; and
- approve the revised licensed premises diagram and alternating premises request that was repeatedly submitted to AMCO last fall.

Thank you for your consideration.

Respectfully,

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

We are writing to you in support of renewing the Alaska State Fair's Recreational Site License, as the Alaska State Fair is one of the State's largest recreational sites. The Alaska State Fair and many of the interim events held onsite at the fairgrounds and during the Fair are recreational events, and thus qualify the Fair for a Recreational Site License. We cannot imagine going to the Fair without having a beer or glass of wine, to us it is an important part of the experience.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations such as ours.

We urge you to renew the Fair's Recreational Site License immediately.

Re: #39 addition to Board Packet 2019

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

I want to express my support for renewing the Alaska State Fair's Recreational Site License as the Alaska State Fair is the State's largest recreational sites. Not only does it hold The Alaska State Fair events during the 12 days in August and September each year but also provides facilities for many interim events including Equestrian, Livestock, Camping and Baseball. The Alaska State Fair certainly qualifies for a Recreational Site License.

Adult recreation participation often includes having a beer or glass of wine at an event on the Fairgrounds, is an important part of the experience.

Please do not deny the Fair's ability to serve alcohol during the Fair dates and at organized interim events as this is a very narrow interpretation of statute and would be extremely disruptive to this local, non-profit organization who contributes a significant social and economic impact of over \$23 million dollars to the State and Local businesses.

I urge you to renew the Alaska State Fair's Recreational Site License at your earliest opportunity.

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

My name is Jeni McDaniel and I am with the Alaskan Scottish Club a local non-profit organization. We host the annual Alaskan Scottish Highland Games, which will be celebrating our 38th event this year at the Alaska State Fairgrounds. I, along with the Board of Directors from the Alaskan Scottish Club and the Games Planning Committee for the Alaska Scottish Highland Games support renewing the Alaska State Fair's Recreational Site License, as the Alaska State Fair is one of the State's largest recreational sites and is the site where we host our annual event. The Alaska State Fair and many of the interim events, like our own, held onsite at the fairgrounds are recreational events, thus qualify the Fair for a Recreational Site License. Having a beer or glass of wine at our event on the Fairgrounds is an important part of the experience at the Highland Games. Our event brings out over 7000 attendees and participants from all over the state along with competitors from around the world. We host several competitive events ranging from athletics, to dancing, and even musical competitions, just to name a few. The denial of the Fair's Recreational Site License would effect our event dramatically and would be a devastating blow to our games.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, like our own, is an overly strict interpretation of statute and is disruptive to a local, non-profit organization who contributes significantly socioeconomically to the State and many local businesses and organizations. This disruption will have ripple effects to many other local, community minded non-profits like the Alaskan Scottish Club.

We urge you to renew the Fair's Recreational Site License immediately.

RE: #39 Addition to Board Packet, Alaska State Fair Recreational Site License
Renewal

Dear Chairman Klein and members of the Alcoholic Beverage Control Board:

As the Mayor of Palmer, I am disheartened to learn that the board would even consider not renewing a license for a franchise that has nothing short of an outstanding record, maintains a prominent place in the community and has a national reputation as a recreational event as THE ALASKA STATE FAIR, especially after 37 years of continued licensing that this board has approved previously.

The City of Palmer is home to the Alaska State Fair and can attest to the fact that events held on the grounds are recreational in nature, the Fair itself is unquestionable as a recreational event, not to mention numerous shows, sporting events, concerts, and gatherings throughout the year. To describe them as anything otherwise would be overly strict, an inaccurate interpretation, and be disruptive to the organization and the community it supports with jobs, the influx of dollars, and as a recreational outlet.

In 2018, the Alaska State Fair has contributed within the city limits alone over \$5 million dollars in sales, not to mention over 400 smaller vendors that participate in the annual state fair activities which contribute jobs locally within the city limits of Palmer. The State Fair accounts for over \$23 million in contributions to the state economy. Anything that takes away from attendance, enjoyment, and recreational participation at the Alaska State Fair reduces the contribution it makes to the economy at both a state and local level.

The City of Palmer urges you to renew the Fair's Recreational Site License immediately, without further interruption. If future legislation is deemed appropriate, the precedence of the past 37 years must be considered in how the future of the Fair License is crafted, but current operations must not be delayed while those discussions are held.

Sincerely,

Edna B. DeVries
Mayor

I see no reason that the state fair would be denied their license when they have held it for the prior 37 years.

The Alaska State Fair hosts many recreational events on the grounds through out the year and denying their recreational use license would greatly impact our community and state as a whole.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.

Dear Chairman Klein and member of the Alcoholic Beverage Control Board,

I am writing this letter in support of the Alaska State Fair's Recreational Site License Renewal.

Golden Wheel Amusements, has been providing rides, games, and attractions as part of one of the State's largest, and most professionally managed recreational events for over 40 years.

The Fairgrounds is Alaska's most heavily used recreational venue, and truly embodies the definition of the word. People from all over the State gather at the fairgrounds throughout the year to renew, create, and enjoy!

The Alaska State Fair is a responsible non-profit organization and an excellent public partner that annually contributes over \$ 23 million dollars to the State's economy.

Regardless of individual predilection for serving alcohol at any public event, alcohol consumption has become a part of the social habits of our society and contributes to the enjoyment of many recreational events and gatherings. As evidenced by the attendance in the venues throughout the fairgrounds, the patrons agree.

For these reasons, I urge you to approve the renewal of the Fair's Recreational Site License without delay.

Sincerely,

Jacqueline Leavitt

Re: #39 Addition to Board Packet, Alaska State Fair Recreational Site License Renewal

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

As the Alcoholic Beverage Control Board considers the future of the Alaska State Fair's Recreational Site License, the City of Wasilla encourages you to renew the Fair's license just as you have for the last thirty-seven years. Precedence must be considered and the Alaska State Fair *is* one of the State's largest recreational sites. The Fair and many of the interim events held onsite at the fairgrounds are recreational events, thus qualify the Fair for a Recreational Site License.

Having a beer or glass of wine at the Fair, or at an event on the Fairgrounds, is an important part of the attendee experience. The Alaska State Fair and Fairgrounds are an asset to State and local economies. Many of the vendors and entertainers are Wasilla area residents. To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization which contributes significantly socioeconomically to other community programs. Additionally, the Fair contributes over \$23 million dollars to the State as well as many local cities, businesses and organizations through direct and indirect funds.

The City of Wasilla urges you to renew the Fair's Recreational Site License immediately, without interruption.

Respectfully,

RE: #39 Addition to Board Packet, Alaska State Fair Recreational Site License
Renewal

Dear Chairman Klein and members of the Alcoholic Beverage Control Board:

As the Mayor of Palmer, I am disheartened to learn that the board would even consider not renewing a license for a franchise that has nothing short of an outstanding record, maintains a prominent place in the community and has a national reputation as a recreational event as THE ALASKA STATE FAIR, especially after 37 years of continued licensing that this board has approved previously.

The City of Palmer is home to the Alaska State Fair and can attest to the fact that events held on the grounds are recreational in nature, the Fair itself is unquestionable as a recreational event, not to mention numerous shows, sporting events, concerts, and gatherings throughout the year. To describe them as anything otherwise would be overly strict, an inaccurate interpretation, and be disruptive to the organization and the community it supports with jobs, the influx of dollars, and as a recreational outlet.

In 2018, the Alaska State Fair has contributed within the city limits alone over \$5 million dollars in sales, not to mention over 400 smaller vendors that participate in the annual state fair activities which contribute jobs locally within the city limits of Palmer. The State Fair accounts for over \$23 million in contributions to the state economy. Anything that takes away from attendance, enjoyment, and recreational participation at the Alaska State Fair reduces the contribution it makes to the economy at both a state and local level.

The City of Palmer urges you to renew the Fair's Recreational Site License immediately, without further interruption. If future legislation is deemed appropriate, the precedence of the past 37 years must be considered in how the future of the Fair License is crafted, but current operations must not be delayed while those discussions are held.

Sincerely,

Edna B. DeVries
Mayor

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

The Greater Palmer Chamber of Commerce supports renewing the Alaska State Fair's Recreational Site License. The Alaska State Fair is one of the State's largest recreational sites. The Alaska State Fair and many of the interim events held onsite at the fairgrounds and during the Fair are recreational events, thus qualify the Fair for a Recreational Site License. Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is an important part of the experience.

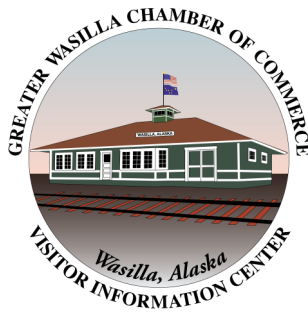

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute. Denial of license should not be based on legislation that hasn't occurred. This denial would be disruptive to a local, non-profit organization who contributes significantly to our regional economy and contributes over \$23 million dollars to the State and many local businesses and organizations.

Our mission at the Palmer Chamber is to provide leadership that fosters growth and prosperity by ensuring the Greater Palmer area is the best place to operate and grow a business, as well as the most desirable place to live, work, play and visit. Now is not the time to implement an overly restrictive policy that will hurt our communities and economy. We urge you to renew the Fair's Recreational Site License immediately.

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

I support renewing the Alaska State Fair's Recreational Site License. Alaska State Fair has a long history as a recreational site not just for the Community, but as it has been defined for the past 37 years by the Alcoholic Beverage Control Board for their Recreation Site License. As the Alcoholic Beverage Control Board has for the past 37 years issued a Recreation Site License to the Alaska State Fair, a precedent has been created. The Alaska State Fair itself, as well as many of the events held onsite at the fairgrounds throughout the year are recreational events. Having beer or wine at the Fair or at events held at the fairgrounds is as much a part of the experience as carnival rides or cotton candy. The fairgrounds has a long standing history of proper alcohol management at their events and has proven year after year that they can handle the responsibilities of a Recreational Site License. Denial of the Alaska State Fairs License is an overly strict interpretation of statute, and disruptive to local businesses and organizations in addition to the Alaska State Fair themselves.

Sincerely,

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

The Mat-Su Convention & Visitors Bureau Board of Directors supports renewing the Alaska State Fair's Recreational Site License. The Alaska State Fair is a year-round benefit to our community, contributing more than \$23 million in economic impact to the Mat-Su Borough through various community events hosted on the Alaska State Fairgrounds. The Alaska State Fair hosts recreational events such as concerts, dances, receptions and other social functions all year, and having a glass of wine or a beer at these events is part of the experience.

The Alaska State Fair has held a Recreational Site License for 37 years, and the license has been renewed every two years since first issued in 1981. The Alcoholic Beverage Control Board has previously determined that the Alaska State Fair meets the licensing renewal guidelines set forth in the state statute, establishing precedence for their renewal this year.

Denying the fair's ability to serve alcohol at the 12-day Alaska State Fair and throughout the year at recreational events is a strict interpretation of the statute and would negatively impact the nonprofit organization that does so much for our community. Many local businesses and nonprofit organizations use the Alaska State Fairgrounds to host events, and denying the license would greatly impact them. We urge to you renew the Recreational Site License immediately.

Respectfully,

Mat-Su Convention & Visitors Bureau Board of Directors

Dear Chairman Klein and member of the Alcoholic Beverage Control Board,

I am writing this letter in support of the Alaska State Fair's Recreational Site License Renewal.

Golden Wheel Amusements, has been providing rides, games, and attractions as part of one of the State's largest, and most professionally managed recreational events for over 40 years.

The Fairgrounds is Alaska's most heavily used recreational venue, and truly embodies the definition of the word. People from all over the State gather at the fairgrounds throughout the year to renew, create, and enjoy!

The Alaska State Fair is a responsible non-profit organization and an excellent public partner that annually contributes over \$ 23 million dollars to the State's economy.

Regardless of individual predilection for serving alcohol at any public event, alcohol consumption has become a part of the social habits of our society and contributes to the enjoyment of many recreational events and gatherings. As evidenced by the attendance in the venues throughout the fairgrounds, the patrons agree.

For these reasons, I urge you to approve the renewal of the Fair's Recreational Site License without delay.

Sincerely,

Jacqueline Leavitt
Vice President

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

Although it may seem a bit unusual that a letter of support for the renewal of the Alaska State Fair's Recreational Site License would be coming to you from someone not a local citizen, I feel it is important to lend our voice of support to the matter.

The Alaska State Fair is one of the State's largest recreational sites. Further, it has long been considered one of the top 75 fairs in the IAFE membership (including the top fairs of the US, Canada, and Australia). The fair has been long celebrated within our Association as one with innovative programming, extraordinary marketing campaigns, and looked to quite often as the unparalleled state fair in terms of the landscaping and beautiful flowers on the grounds. I know dozens of people from other fairs who intentionally travel to Palmer to see this amazing state fair first hand (count me in that number)!

The fairgrounds site is also home to a multitude of year-round recreational events, yet another point that the Fair should qualify for a Recreational Site License.

Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is an important part of the experience and is very common throughout our membership. From the San Diego County Fair with its world-class beer and spirits festivals as part of their fair, to the "best of the state" experiences featured in the wine and beer sales at the Indiana and North Carolina State Fairs, and every style of service in between (from dedicated beer or wine gardens to walk-around beverages).

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.

I urge you to renew the Fair's Recreational Site License immediately.

Sincerely,

The Alaska State Fair and many of the interim events held onsite at the fairgrounds and during the Fair are recreational events, thus qualify the Fair for a Recreational Site License.

Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is a part of the event experience. Serving beer and wine at Fairs and Fairground hosted events is very common across our extensive membership. To deny the Fair's ability to serve alcohol during the Fair and at interim events, appears to be an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.

Fairs and Fairgrounds serve as a safe place for community celebration, therefore I urge you to renew the Fair's Recreational Site License immediately.

Re: #39 addition to Board Packet, Alaska State Fair Recreational Site License Renewal

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

As the Alcoholic Beverage Control Board considers the future of the Alaska State Fair's Recreational Site License, The Mat-Su Valley Frontiersman, The Anchorage Press and The Eagle, strongly encourage you to renew the Fair's license just as you have every other year since 1981.

Denial of license should not be based on legislation that hasn't occurred and precedence must be considered. The current statute, as written, uses the word, "includes," which was added in 2005, meaning includes, but not limited too. The Alaska State Fair *is* one of the State's largest recreational sites. The Fair and many of the interim events held onsite at the fairgrounds are recreational events, thus qualify the Fair for a Recreational Site License.

Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is an important part of the attendee experience, without which the Fair's economic impact to the Greater Palmer Area will be adversely affected. The Alaska State Fair and Fairgrounds are an asset to State and local economies. Many of the vendors and entertainers are Palmer area residents. To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization which contributes significantly socioeconomically to the community. Additionally, the Fair contributes over \$23 million dollars to the State's economy including local cities, businesses and organizations through direct and indirect funds.

Wick Communication urges you to renew the Fair's Recreational Site License immediately, without interruption.

Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is an important part of the experience. I see no reason that the state fair would be denied their license when they have held it for the prior 37 years.

The Alaska State Fair hosts many recreational events on the grounds through out the year and denying their recreational use license would greatly impact our community and state as a whole.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.

Re: #39 Addition to Board Packet, Alaska State Fair Recreational Site License Renewal

Dear Chairman Klein and members of the Alcoholic Beverage Control Board:

I am entirely bewildered at the possibility of the Alaska State Fair not having their license renewed this year. The Alaska State Fair has had this license since 1981 – that's 37 years of an outstanding record and continued support from your board.

My town comes alive when events are held on the Alaska State Fairgrounds. Local business owners, like myself, depend on the traffic the fairgrounds bring to our community. I own a bed and breakfast and the impact these events have on our town are instrumental. Beverage sales produce a very large portion of the tax revenue coming to our city and we all depend on it. Eliminating the ability to serve alcohol on the fairgrounds would be entirely detrimental not only to their organization, but to Palmer as a whole.

The fairgrounds are a recreational site. Don't allow politics to get in the way of granting a license to a worthy organization. I urge you to renew the Alaska State Fair's recreational license immediately. If legislation is required to fix a process in the future, do it with due diligence and without using a reputable business as a pawn in the game.

Re: #39 addition to Board Packet 2019

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

I want to express my support for renewing the Alaska State Fair's Recreational Site License as the Alaska State Fair is the State's largest recreational sites. Not only does it hold The Alaska State Fair events during the 12 days in August and September each year but also provides facilities for many interim events including Equestrian, Livestock, Camping and Baseball. The Alaska State Fair certainly qualifies for a Recreational Site License.

Adult recreation participation often includes having a beer or glass of wine at an event on the Fairgrounds, is an important part of the experience.

Please do not deny the Fair's ability to serve alcohol during the Fair dates and at organized interim events as this is a very narrow interpretation of statute and would be extremely disruptive to this local, non-profit organization who contributes a significant social and economic impact of over \$23 million dollars to the State and Local businesses.

I urge you to renew the Alaska State Fair's Recreational Site License at your earliest opportunity.

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

I support renewing the Alaska State Fair's Recreational Site License as the Alaska State Fair is one of the State's largest recreational sites.

I think that it is in the public's best interest to renew the Fair's Recreational Site License because, first and foremost, putting the Fair out there as an example to highlight a poorly written and enforced regulation is a slap in the face to all Alaskans, tourists, and citizens who participate in, benefit from, and enjoy the Fair each year.

The Fair has been in compliance with the laws, rules and regulations as understood and accepted by all parties involved for the last 35-plus years. This move to call their long-standing license into question is capricious and arbitrary, not a very positive example of good governance.

I care about the Alaska State Fair's Recreational Site License being renewed because the inclusion of a Beer Garden and a Wine Bar are a traditional part of the Fair's offerings for responsible adults who come to the Fair to relax and unwind.

The Fair is a recreational site because every aspect of the Fair is about offering a wide range of recreation options for people of all ages.

The Fair and all on-site events on the Fairgrounds should be events where responsible adults can enjoy beer or wine as part of their overall experiences like they are able to do at major Fairs and Fairgrounds in the Lower 48.

Denying the Alaska State Fair's Recreational Site License would be disruptive, not to mention insulting, to a beloved local, non-profit organization that contributes over \$23 million dollars to the State and to many local businesses and organizations.

I urge you to renew the Fair's Recreational Site License immediately and without penalty.

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

My name is Jeni McDaniel and I am with the Alaskan Scottish Club a local non-profit organization. We host the annual Alaskan Scottish Highland Games, which will be celebrating our 38th event this year at the Alaska State Fairgrounds. I, along with the Board of Directors from the Alaskan Scottish Club and the Games Planning Committee for the Alaska Scottish Highland Games support renewing the Alaska State Fair's Recreational Site License, as the Alaska State Fair is one of the State's largest recreational sites and is the site where we host our annual event. The Alaska State Fair and many of the interim events, like our own, held onsite at the fairgrounds are recreational events, thus qualify the Fair for a Recreational Site License. Having a beer or glass of wine at our event on the Fairgrounds is an important part of the experience at the Highland Games. Our event brings out over 7000 attendees and participants from all over the state along with competitors from around the world. We host several competitive events ranging from athletics, to dancing, and even musical competitions, just to name a few. The denial of the Fair's Recreational Site License would effect our event dramatically and would be a devastating blow to our games.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, like our own, is an overly strict interpretation of statute and is disruptive to a local, non-profit organization who contributes significantly socioeconomically to the State and many local businesses and organizations. ATTN: Chairman Klein and Members of the Alcoholic Beverage Control Board

As a small business owner in Alaska and a mother of four young adults, I write to you requesting the renewal of the Alaska State Fair's (ASF) Recreational Site License. The following list of factual reasoning is only the beginning of my support:

- ASF has applied for renewal within the allotted timeframe
- ASF falls well within the mandate to offer "recreational events" as defined by the existing statutes
- ASF grounds serve our community far beyond offering the 12-day fair annually, and many of those offerings require a license to serve
- Historical precedent of renewing the license, coupled with no blatant violations of that license, should be reason enough

It appears to me, as an educated member of our community, that certain individuals are basically holding ASF up as an example to make legislators in our state define the statute differently or make an exception for ASF. While the inherent support of ASF remains in that goal, I would have to assume the implications are doing the polar opposite. ASF runs a major event, the annual state fair, that requires a full year to plan and produce, if not longer. Decisions, contracts, negotiations and more need to be entered into well in advance. If the liquor license is not secured, the ability to fully execute and manage the event is at risk.

- Vendors will question committing
- Entertainers will consider cancelling tours
- Events will seek alternative venues

Additionally, the fair grounds are utilized throughout the year for so many other community support events that will also be at risk.

I urge you to renew this license and let the legislature figure out the details later.

Thank you

I am SO sorry to hear this. I too have fought (and lost) against the ABC Board. They are not in the business of wanting to keep small operators in business and in doing so, create hardships and hoops to jump through that make it extremely frustrating.

I was the manager of Cyrano's Crepes and Books, which was the permit holder for Cyrano's Theatre Company. In 1998 Sandy sued the ABC and won her case to keep her Restaurant License so that she could continue to sell beer and wine and have it brought into the theatre. Of course now they have created the new "Theatre License" which allows only beer and wine to be served in the lobby and not in the theatre itself. In the summer of 2017 I had to call in to a meeting to please my case for forgiving almost \$2,300 in fines for not being open 30 days for 8 hours per day as defined by their criteria. However, the fact that we operated a total of 1500 hours over the year didn't matter to them, only the 8 hours per day. Anyway, we were soundly denied any kind of financial relief; while waiting 3 hours for my turn to come up heard case after case of small business such as yourselves being turned down because they didn't "meet the criteria."

I stand behind you 100% and feel very strongly that the ABC has lost all touch with beer and wine licensees such as ourselves. When the sale of beer and wine is only supplementary to what is actually offered, it seems like they are even more inclined to reject the application.

I hope that you will be able to convince them, but knowing the new ABC Board I highly doubt it. Of course, if you think that there is anything I can do to help I would be happy to do it and I will cross my fingers and hope that they pull their heads out of their asses and realize that sometimes even just the availability of beer and wine increases the appeal of recreational sites such as yours.

Good luck and please feel free to contact me anytime.

Re: Renewal of the Alaska State Fair's Recreational Site License

Dear members of the Alcoholic Beverage Control Board:

It is essential that you renew the Alaska State Fair's recreational site license for a multitude of reasons – the Fair meets the qualifications of a recreational site license, the ABC Board set a precedent during the last renewal cycle when it determined that the Fair qualified for its license type, and it is in the best interests of the public.

On December 5, 2016, the ABC Board reviewed its first written statement from a recreational site licensee when it evaluated the Alaska State Fair's license renewal application for qualification as a recreational site as defined in AS 04.11.210. On that date, it determined that the Fair's events, including the Scottish Highland Games and the rodeo events, qualified it for renewal without conditions or restrictions.

Since then, the Fair has added Alaska Roller Derby to its list of events that are regularly held during a season, adding to its eligibility. Ms. McConnell has made a list of factors that she believes qualify a recreational site for this type of license, but those factors are not found in either statute or regulation. The Fair's license was not included by name or implication in either the 2014 or 2018 Legislative Audit list of licenses and recreation types that do not meet the qualifications for licensure.

Last year, the Legislature passed HB 299 which, in part, repealed AS 04.11.537 that had read:
In determining whether issuance, renewal, transfer, relocation, suspension, or revocation of a license is in the best interests of the public, the board need not conform to or distinguish its decision from any action it has taken in the past on applications presenting similar facts, but may instead base its decision only on the particular facts before it.

In effect, and as clearly intended by the Legislature in hearings, the ABC Board is now required to apply precedent.

Because the Board evaluated the Fair for license renewal in 2016 and determined that it met the qualifications for a recreational site license, and because the Fair is arguably more qualified now than in 2016, the Board is bound by the precedent it set in 2016 to renew this license through 2020.

Ms. McConnell has requested that if the Board chooses to renew this license, that it do so with the condition that alcohol service be limited to those specific events that qualify the Fair for licensure. The actual Alaska State Fair is nearly a two-week event in and of itself that includes many shows and competitions throughout – many of which qualify the Fair for its recreational site license. For that reason, the Board should specifically allow for alcohol sales to take place during the hours of the Alaska State Fair, as has occurred for decades.

While the Fair does qualify for special events permits under AS 04.11.240, it is limited to five per calendar year. The Fair has already had to use one of its five unnecessarily because its repeated requests to have the licensed premises extended and modified to be alternating premises have been unanswered by Ms. McConnell for nearly six months. The Fair typically uses these permits for events that clearly do not fall within the guidelines of the recreational site statute, or that are in locations outside of the licensed areas. With there being only four permits remaining for 2019, the Fair will lose much-needed revenue if required to use another permit (or permits) for alcohol service during the Alaska State Fair.

In summary, I urge you to take the following actions today:

- approve the renewal application of the Fair’s recreational site license;
- clearly state for the record that the fall Alaska State Fair itself is a qualifying event for the license that would not require a separate permit; and
- approve the revised licensed premises diagram and alternating premises request that was repeatedly submitted to AMCO last fall.

Thank you for your consideration.

Respectfully,

Dear Chairman Klein and members of the Alcoholic Beverage Control Board,

I support renewing the Alaska State Fair's Recreational Site License, as the Alaska State Fair is one of the State's largest recreational sites. The Alaska State Fair and many of the interim events held onsite at the fairgrounds and during the Fair are recreational events, thus qualify the Fair for a Recreational Site License. Having a beer or glass of wine at the Fair or at an event on the Fairgrounds, is an important part of the experience.

To deny the Fair's ability to serve alcohol during the Fair and at interim events, is an overly strict interpretation of statute and disruptive to a local, non-profit organization who contributes significantly socioeconomically and contributes over \$23 million dollars to the State and many local businesses and organizations.

I urge you to renew the Fair's Recreational Site License immediately.

Respectfully,

To the AMC BOARD

The idea that the Alaska State fair is not recreational is absurd. Whether you are watching a concert, dancing in the Sluicebox, watching a rodeo or monster trucks show, all these things are considered recreation. Just walking for miles to see all the vendors and exhibits is recreational depending on your definition, just ask my fitbit!

To be the only State fair to not have alcohol, would be ridiculous. We already have some of the strictest beverage laws by which the state fair goes above and beyond to comply with. In most lower 48 states you can walk around with your beverage. Here we corral patrons into designated areas with security watching their every move. The fair takes pride in hiring staff that will uphold all of the AMC rules and regulations. Double carding when questionable and refusing service to intoxicated individuals.

I have worked for the fair in beverage for 15 years. To not serve alcohol at the St. Fair will only cause more problems. It is not going to keep people from drinking. They will bring it in and we won't have eyes on it thus not being able regulate it. At least with qualified servers and plenty of security, there is some sort of control. After all isn't this what it's all about?
