

MEMORANDUM

TO: Alcoholic Beverage Control Board DATE: July 9, 2019
FROM: Erika McConnell, Director RE: 5821 Hump Island Oyster Company

Requested Action: New license application

Statutory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

Background: This restaurant or eating place license is being applied for on a floating barge within an oyster farm.

I am bringing this to the board's specific attention to review both the unusual premises situation, as well as for the board to evaluate whether the limited food offerings meet the requirement at 3 AAC 304.305(a)(2) that "a variety of types of food items appropriate for meals is available for sale as shown on a menu provided to patrons and filed with the board."

A temporary license has been issued.

Attachment: AB-02 Licensed premises diagram

New license application

Alaska Alcoholic Beverage Control Board Form AB-02: Premises Diagram

What is this form?

A detailed diagram of the proposed licensed premises is required for all liquor license applications, per AS 04.11.260 and 3 AAC 304.185. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing. If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.

The second page of this form is not required. Blueprints, CAD drawings, or other clearly drawn and marked diagrams may be submitted in lieu of the second page of this form. The first page must still be completed, attached to, and submitted with any supplemental diagrams. An AMCO employee may require you to complete the second page of this form if additional documentation for your premises diagram is needed.

This form must be completed and submitted to AMCO's main office before any license application will be considered complete.

Yes No

I have attached blueprints, CAD drawings, or other supporting documents in addition to, or in lieu of, the second page of this form.
