

## MEMORANDUM

TO: Alcoholic Beverage Control Board      DATE: July 9, 2019  
FROM: Erika McConnell, Director      RE: 3409 Gold Creek Salmon Bake

**Requested Action:** License renewal

**Statutory Authority:** AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

AS 04.11.210(d): "The board may not deny an application for renewal of a license issued under this section or an application to transfer a license issued under this section to another person solely because the board determines that the licensed premises is not a "recreational site" as defined under (c) of this section if the applicant

- (1) held a license under this section or received a transferred license under this section that was valid at any time between January 1, 2018, and March 31, 2019 or holds a license that was initially issued under (e) of this section; and
- (2) operates the license under the same conditions required at the time of initial licensure."

**Staff Rec.:** Approve the renewal

**Background:** In February of 2017, the board indicated to this licensee that the 2017/2018 renewal would be the final renewal because the licensee did not meet the requirements to have a recreational site license under AS 04.11.210. Because of this, the licensee obtained a restaurant or eating place license (#851) and did not file a renewal application for 2019/2020 for the recreational site license.

With the passage of Senate Bill 16, the licensee would prefer to renew their recreational site license and work to sell their restaurant or eating place license. License 3409 was valid between January 1, 2018 and January 28, 2019, when it was expired due to the issuance of the restaurant or eating place license at the same location.
