

MEMORANDUM

TO: Alcoholic Beverage Control Board DATE: July 9, 2019
FROM: Erika McConnell, Director RE: 4353 No DBA (formerly Playhouse)

Requested Action: License renewal and transfer of ownership

Statutory Authority: AS 04.06.090(b): “The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title.”

AS 04.11.480(a): “A local governing body may protest the issuance, renewal, relocation, or transfer to another person of a license by sending the board and the applicant a protest and the reasons for the protest within 60 days of receipt from the board of notice of filing of the application... The board shall consider a protest and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application... If an application or continued operation is protested, the board shall deny the application or continued operation unless the board finds that the protest is arbitrary, capricious, and unreasonable.”

AS 04.11.510(b)(2): “The board may review an application for the issuance, renewal, transfer of location, or transfer to another person of a license without affording the applicant notice or hearing, except...(2) the board may, on its own initiative or in response to an objection or protest, hold a hearing to ascertain the reaction of the public or a local governing body to an application if a hearing is not required under this subsection;”

Staff Rec.: Hold a public hearing; rescind prior approval; deny the renewal with a 60-day abeyance period; postpone consideration of the transfer application to the next meeting

Background: This beverage dispensary license has not been operated since September of 2017, when it was surrendered due to the bar ceasing operations. Latin Connection Entertainment LLC, the transferor, filed to renew the license and submitted a waiver of operations (1st waiver) for 2018. The board approved the renewal with delegation at the last meeting.

The Municipality of Anchorage submitted a protest of the renewal shortly before the April meeting and too late to be on the April meeting agenda. In the protest, the Municipality of Anchorage makes the following findings: the licensee provided insufficient training to employees; the licensee failed to provide workers compensation insurance; the licensee operated an unsafe facility; the licensee failed to ensure the premises was safe for public occupancy.

At the last meeting, the board requested Mr. Ortiz, the transferor, to submit a letter to the board regarding his operation of the license. Mr. Ortiz did not submit any new correspondence. Mr. Fuller's lawyer instead refers the board to a February 15, 2019, letter that Mr. Ortiz wrote, which was provided to the board at the last meeting with the renewal application (and is also in this packet).

A transfer application was submitted after the last meeting, to transfer the license to Kenneth Fuller at no premises with no DBA. A response from the municipality on the transfer is still pending—the deadline is August 4, 2019. Objections to the transfer have been submitted by the Department of Labor – Workers Compensation, and by multiple creditors.

4 dispensary liquor license #4353 to be used for Playhouse, located at 333 W 4th Ave.,
5 Anchorage, Alaska, 99501; and
6

7 **WHEREAS**, the Assembly must enter any protest to AMCO within 60 days following
8 receipt of the application; and
9

10 **WHEREAS**, Anchorage Municipal Code (AMC) 2.30.120 and 3 AAC 304.145(d) require
11 the Assembly to hold a public hearing to provide the applicant an opportunity to defend
12 their application prior to exercising or waiving the right to protest; and
13

14 **WHEREAS**, the Anchorage Municipal Clerk received a copy of this application on
15 February 22, 2019 and has determined that the last day for the Assembly to file a protest
16 is April 23, 2019; and
17

18 **WHEREAS**, at the Regular Assembly Meeting of April 9, 2019, the Assembly reviewed

27 and
28

29 **WHEREAS**, the Assembly has provided the liquor licensee the opportunity to defend the
30 renewal application, has considered the testimony and evidence relevant to this liquor
31 license, and has considered the options of either protesting or waiving protest and
32 requesting the ABC Board impose conditions;

1
2 **NOW, THEREFORE**, the Anchorage Assembly resolves:
3

4 **Section 1.** The Anchorage Assembly finds the applicant and the Downtown
5 Community Council were given notice and a hearing was properly held on April 23, 2019
6 for purposes stated herein with relevant evidence presented as indicated in the public
7 records maintained by the Municipal Clerk.
8

9 **Section 2.** Per Anchorage Municipal Code section 2.30.125, in the exercise of its
10 powers and under AS 04.11.480 and 3 AAC 304.145 to protest issue, renewal and
11 transfer of alcoholic beverage licenses within the municipality, the assembly shall
12 consider whether the proposed license meets the factors and standards set forth in that
13 section, and those potentially relevant, pending the public hearing, to the renewal
14 application for license #4353 are listed below.
15

16 A. After review of the application and all relevant information, the Assembly finds that
17 **(only check items that apply):**
18

19 **Concentration and land use.** The transfer of location or issuance of the requested
20 license will negatively impact the community through an increase in the
21 concentration of uses involving the sale or service of alcoholic beverages within
22 the area affected and will conform to the separate standards of section 21.50.020.

23 **Training.** The applicant cannot demonstrate prospective or continued compliance
24 with a liquor server awareness training program approved by the state alcoholic
25 beverage control board, such as or similar to the program for techniques in alcohol
26 management (T.A.M.). Until such plan is approved, training by a licensee's
27 employees in the T.A.M. shall constitute compliance with this section. (This
28 subsection is effective December 1, 1985.)

29 **The Assembly found that the training was insufficient. Employees were**
30 **found without proof of server education and applicant did not have current**
31 **server education.**

32 **Operations procedures.** The applicant cannot demonstrate prospective or
33 continued compliance with operations procedures for licensed premises set forth
34 in section 10.50.035.

35 **The Assembly found that the applicant failed to provide workers**
36 **compensation insurance.**

37 **Public safety.** The operator cannot demonstrate the ability to maintain order and
38 prevent unlawful conduct in licensed premises. In determining the operator's
39 demonstrated ability to maintain order and prevent unlawful conduct, the assembly
40 has considered police reports, testimony presented before the assembly, written
41 comments submitted prior to or during the public hearing, and other evidence
42 deemed to be reliable and relevant to the purpose of this subsection and in the
43 record for this resolution. For purposes of this section and section 10.50.035 the
44 term "licensed premises" shall include any adjacent area under the control or
45 management of the licensee.

1 **The Assembly heard testimony from Police Chief Doll including four**
2 **incidents that were charged against various employees of the applicant.**
3 **Shootings, assault and weapons on premises. The applicant is found to**
4 **operate an unsafe facility.**

- 5 **Payment of taxes and debts.** Pursuant to AS 4.11.330, the applicant is delinquent
6 in payment of taxes owed to the municipality for the payment of any debts or taxes,
7 including any estimated taxes for the current year arising from the conduct of the
8 licensed business.

9 **Notice of possible protest.** There appears to be a readily identifiable pattern or
10 practice of recurring violent acts or unlawful conduct in a licensed premises. If
11 notice that that the applicant must submit and implement a plan for remedial action
12 or be in jeopardy that a protest will be filed to any renewal, transfer of location or
13 transfer of ownership sought by the licensee has been issued to the licensee, the
14 assembly in applying the standards set forth above shall consider:

- 15 Whether a plan has been submitted;
16 The reasonableness of any plan that has been submitted; and
17 The diligence and effectiveness of the licensee in implementing remedial
18 measures.

- 19 **Security for payment of debts and taxes.** The applicant is delinquent in payment of
20 taxes owed to the municipality, and adequate security for the payment of debts
21 and taxes has not been received. Security for payment may be in the form of:

- 22 Escrowed funds sufficient to pay the debts and taxes claimed and any
23 escrow fees;
24 Actual payment of debts and taxes claimed; or
25 A guarantee agreement in accordance with this subsection. Any guarantee
26 agreement under this subsection shall be in writing, shall be signed by the
27 transferor, transferee and municipality, and must include:
28 Acknowledgment and acceptance of responsibility by the transferee
29 for the debts and taxes due to the municipality;
30 Recognition of the municipality as the beneficiary of the agreement;
31 and
32 Recognition of the municipality's remedies for breach of the
33 agreement including:
34 A civil suit for enforcement of the agreement;
35 Protest of a subsequent renewal for nonpayment of taxes
36 arising from conduct of the licensed business or breach of the
37 guarantee agreement; and
38 Any other remedies or claims that the municipality might have
39 asserted against the transferor.

- 40 **Public health.** The operator has engaged in a pattern of practices injurious to public
41 health or safety, such as providing alcohol to minors or intoxicated persons,
42 committing serious violations of state law relevant to public health or safety, or
43 other actions within the knowledge and control of the operator which place the
44 public health or safety at risk. The assembly has considered criminal convictions,
45 credible proof of illegal activity even if not prosecuted, police reports, testimony

1 presented before the assembly, written comments submitted prior to or during the
2 public hearing, and other evidence deemed to be reliable and relevant to the
3 purpose of this subsection and this resolution.

4 **The Assembly heard testimony from Fire Chief Hettrick that the applicant**
5 **has failed to apply for or schedule a fire inspection to ensure the facility is**
6 **safe for public occupancy.**
7

It has been brought to the attention of AMCO Investigators by members of the Anchorage CAP Team, that from June 4th to June 8th, four summonses were issued for failing to maintain server education at your establishment. Manager Tahjimsi Wyam Carmen-Harrison, aka TJ Carmen, received a summons on June 7th for expired server education (TAPS expired 8-14-15). Further when CAP Team members attempted to enter the club on the night of June 2 into early morning of June 3, Manager TJ Carmen attempted to block their access, advising them that Playhouse was a private club. On the evening of May 19th into the morning of May 20 and evening of June 3rd into the morning of June 4th, members of the Anchorage Police report that they smelled both burnt and unburnt marijuana within your premises. When licensee Hector Ortiz was later interviewed, he admitted that he has also smelled the odor of marijuana within the licensed premises. You were issued a citation for violation of AMC8.35.416.150, licensee responsible for violations.

See page two for further.

1. My manager T.J. Carmen was delegated the responsibility to over see the TAP program and failed to this. I never work the bar, made a mistake in thinking that and I had an oversight in this. However I obtained a card shortly after the occurrence. I had delegated responsibility for the TAP compliance but obviously we failed in that area.
2. It was never brought to my attention that anyone under the age of 21 was served alcohol. Only cleaning staff remains past 3:00AM on premises to clean.
3. The bar was closed for operation on 29 June and we had no employees to cover under Workman's compensation. I don't intend to open again. I spoke to Workman's Compensation and reported the investigator.
4. I had a conversation with the police about the smell of Marijuana and reasoned that the smell of marijuana, while I do not condone it, is prevalent in all clubs where young people attend. They use it outside or in their cars and bring the smell into the club. I don't recall the citation for this.
5. I have in the past always maintained good rapport with APD. We have had our problems like any other club that serves young people. I do not condone anyone impeding the police from entering the premise, especially if they are conducting an investigation. Apparently according to witnesses and the manager the police came to arrest an unregistered sex offender with what the manager thought they should have and a warrant. He apparently was in her way and she entered the club. I feel that if it was

Received by AMCO 4.23.19

6. serious enough for a citation she should have been arrested on the spot.. I consider that very serious offense.
7. I realize that I am responsible because it is my Corporation, Club, Lease and License. Unfortunately I trusted a manager to run the operation who instead ran it into the ground by not doing his job. He took the businsss to the ground and alieniated the city against me. I am presently out of business and will reiterate that I do not have any plans to continue.
8. I have a 5 September court date for violations issued by the police. My lawyer is awaiting instructions or information from the authorities to proceed.
9. I am in very poor health right now and the constant hospitalizations and appointments have caused me to be remiss in meeting responsibilities and dead lines. Please understand that I have been overwhelmed with all this business and all the recent occurrences. I have a good record of civic involvement and cooperation with the city.
10. Please be advised that I am no longer associated T.J Carmen. An audit indicates that he was seriously embezzling cash and became a heavy drug user. He broke in the premise stole and sold a bunch of club property and left town without notice. I am launching an investigation with the police.
11. if possible I would like to meet with you at you convenience.

Re: Incomplete Renewal Application for License # 4353 DBA Playhouse

Dear Mr. Church:

The purpose of this letter is to respond to your January 30, 2019 letter concerning the above referenced matter, and to supplement the Renewal Application for License # 4353 DBA Playhouse. You acknowledged my the listing of the "NOV" in response to the inquiries set out in "Section 6 - Violations and Convictions" but request additional information concerning "convictions". There is no additional information concerning any convictions, because there were no convictions, other than the fact that licensee received a *citation* for the NOV and paid a \$500 fine, as explained in the continuation sheet to the Section 6 answers. In making those answers and certifications on Form AB-17 of the renewal form I was only attempting to be complete and truthful in my answers because the NOV I mentioned resulted in a "citation" which was resolved by payment of a \$500 fine.

Enclosed with this letter is a new signed and notarized Form AB-17 for AMCO to insert into the Latin Connection Entertainment LLC Renewal License Application as a supplement.

Sincerely,

Hector J. Ortiz
