Re: Coghill's License #263

Dear Folks:

On July 9, 2019, at the AMCO Board meeting you were kind enough to grant us and extension, to August 14, to file for transfer of stockholders for our license #263.

The Estate of John Coghill is still not settled. I would like to respectfully ask for an extension until November 14, 2019. I am confident at that time, or before, we will have the shareholder disbursement settled. I will have my paperwork in as soon as I can give the names of shareholders and percentage held by each person.

Thank you for your consideration.
