# Lodge

A **lodge** is an inn where travelers stay overnight. If you're in need of a night's sleep while traveling an out of the way country road, you're more likely to find yourself at a *lodge* than a fancy or chain hotel.

A *lodge* can also be a cabin in the woods; like an inn, it's usually a temporary accommodation. But if you join your local lodge, you'll be expected to be a regular visitor, at least at the monthly the meetings. *Lodge* is also a verb, meaning to stay temporarily, or to give someone a place to stay. If you lodge a toothpick between your teeth, though, you'll probably hope it won't stay there too long.

Primary Meanings of

## lodge

1.   a small (rustic) house used as a temporary shelter
2.  put, fix, force, or implant
3.  file a formal charge against
4.  a formal association of people with similar interests

**Note: This is not an accusation or a criminal complaint.**

On 6-18-19, an inspection was conducted at your establishment. Initially I made contact with a server who advised me she was employed under 30 days. She then directed me to the cook who she stated served the alcohol. The cook looked at me, and walked out the back door. I assumed he was getting his server card but he never came back. I then made contact with Karl Wurlitzer, licensee. Wurlitzer was asked to provide proof of server education (in the form of a card issued to him) to which he replied, "I haven't had one in years". I noticed that the establishment did not have the alcohol license displayed and there were no required signs posted. A review of your past renewals of Section 7: Alcohol Server Education, you checked that you certify that all licensees, agents and employees who sell or server alcoholic beverages or check identification of a patrons have completed a server education course.

A check with Alaska CHARR going back to 2012, revealed they had no records of you taking a class. I also checked with TIPS and they have no record of you possessing a server card.

Your attention is directed to AS 04.21.025: Alcohol server education, AS 04.21.030: Responsibility of licensee, agents and employees, AS04.16.150: Licensee responsible for violations, AS 04.21.065: Posting of warning signs, AS 04.11.630: Accessibility of license and licensed premises to inspection, 3AAC 304.185: Licensed premises, and AS 04.16.210: Penalty for making false statements

Re: AMCO Case # 19-1138

Hello,

I am in receipt of a Notice of Violation dated July 23, 2019 (received in mail on July 26). It appears that the area designated in my permit on record does not include added summer seating in the front fenced dining area.

We have ceased serving beer or wine in that area at this time.

How may I go about updating my permit to allow an increased designated area?

Thanks in advance for your help. I may be contacted directly via my cell number at 907-315-8469 or email: [trisha@talkeetnroadhouse.com](mailto:trisha@talkeetnroadhouse.com)

On 7-30-19, an inspection was conducted at your establishment. Ki Chang Yum was identified by himself and server Kauy Thang Xayachack as the manager. Yum was asked to provide proof of server education to which he acknowledged he has not received server education because he doesn't serve alcoholic beverages. Xayachack was asked to provide proof of server education. She provided TAP Card #129478 with an expiration date of 6-30-17. She stated she has current server education. Contact was made with Alaska CHARR, the entity that issued Xayachack her server card. They stated she last received the above mentioned card, nothing current. Both employees have been working at the establishment for more than 30 days. On 8-5-19, I returned to the establishment and made contact with licensee Monica Wirtz. Wirtz was asked to provide proof of current server education. She stated she had current server education but could not provide proof. I later contacted Alaska CHARR and learned that she does have current server education, TAM 160752, exp. 2-10-21.

Your attention is directed to AS 04.21.025: Alcohol server education course, AS 04.21.030: Responsibility of licensees, agents, and employees, 3AAC 304.465: Alcohol server education course, AS 04.16.150: Licensee responsible for violations and Anchorage Municipal Code 10.50.015(R) which states you must have server education prior to initiating work.

NOTE: Wirtz has received a similar notice of violation in the past, case #09-2203, for the same violations. A conviction of no server education was adjudicated by the Alaska court system. The Alcoholic Beverage Control Board suspended the alcohol license for 30 days, with all 30 days suspended and issued a fine of \$500.00.

**You are directed to respond in writing to this Notice of Violation within 10 days of receipt to explain what action you have taken to prevent a re-occurrence of this violation. FAILURE TO RESPOND TO THIS NOTICE OF VIOLATION WITHIN 10 DAYS WILL RESULT IN YOUR APPEARANCE, EITHER IN PERSON OR TELEPHONICALLY, BEFORE THE ABC BOARD AT THEIR NEXT REGULARLY SCHEDULED BOARD MEETING.**

**\*Please send your response to the address below and include your alcohol license number in your response.**

3 AAC 304.525 (B) provides that upon receipt of a Notice of Violation, a licensee may request to appear before the Director and be heard regarding the Notice of Violation.
