37 renewal application, has considered the testimony and evidence relevant to this liquor  
38 license, and has considered the options of either protesting or waiving protest and  
39 requesting the ABC Board impose conditions;

40

41 **NOW, THEREFORE**, the Anchorage Assembly resolves:

42

43 **Section 1.** The Anchorage Assembly finds the applicant and the Midtown Community  
44 Council were given notice and a hearing was properly held February 25, 2020 for  
45 purposes stated herein with relevant evidence presented as indicated in the public  
46 records maintained by the Municipal Clerk.

1  
2 **Section 2.** Per Anchorage Municipal Code section 2.30.125, in the exercise of its  
3 powers and under AS 04.11.480 and 3 AAC 304.145 to protest issue, renewal and  
4 transfer of alcoholic beverage licenses within the Municipality, the Assembly shall  
5 consider whether the proposed license meets the factors and standards set forth in that  
6 section, and those potentially relevant, pending the public hearing, to the renewal  
7 application for license #3219 are listed below.  
8

9 A. After review of the application and all relevant information, the Assembly finds that  
10 **(only check items that apply):**  
11

12  Concentration and land use. The transfer of location or issuance of the requested  
13 license will negatively impact the community through an increase in the  
14 concentration of uses involving the sale or service of alcoholic beverages within  
15 the area affected and will conform to the separate standards of section  
16 21.03.080D.  
17

18  Training. The applicant cannot demonstrate prospective or continued compliance  
19 with a liquor server awareness training program approved by the state alcoholic  
20 beverage control board, such as or similar to the program for techniques in alcohol  
21 management (T.A.M.). Until such plan is approved, training by a licensee's  
22 employees in the T.A.M. shall constitute compliance with this section. (This  
23 subsection is effective December 1, 1985.)

24  Operations procedures. The applicant cannot demonstrate prospective or  
25 continued compliance with operations procedures for licensed premises set forth  
26 in section 10.50.035.

27  Public safety. The operator cannot demonstrate the ability to maintain order and  
28 prevent unlawful conduct in licensed premises. In determining the operator's  
29 demonstrated ability to maintain order and prevent unlawful conduct, the assembly  
30 has considered police reports, testimony presented before the assembly, written  
31 comments submitted prior to or during the public hearing, and other evidence  
32 deemed to be reliable and relevant to the purpose of this subsection and in the  
33 record for AR 2018-134, As Amended, and this resolution. For purposes of this  
34 section and section 10.50.035 the term "licensed premises" shall include any  
35 adjacent area under the control or management of the licensee.  
36

37 1. Licensee acknowledged awareness of the conditions imposed on the  
38 license by the ABC Board in September of 2018, as requested by the  
39 Assembly in AR 2018-34, As Amended, and that licensee complied with  
40 the conditions for several months following their imposition. Licensee  
41 testified he consciously disregarded conditions after several months  
42 generally because he felt they were unfair since he learned other  
43 operators in the vicinity were not restricted by the same or similar  
44 restrictions and requirements. The Assembly finds that noncompliance  
45 for those reasons is not justified.

1  
2 2. On many occasions throughout 2019, sales of products at Mom & Pop's  
3 Grocery & Liquor violated conditions imposed on the license. Credible  
4 photographic evidence and an attestation was provided by Timothy Potter  
5 showing shooter size liquor bottles with receipts sold for less than the  
6 minimum price required by ABC conditions, and in quantities to a person  
7 in a day exceeding the number allowed by conditions. Conditions were  
8 imposed by legal process and compliance is required by law. The  
9 Assembly acknowledges that the alleged violations have not been  
10 adjudicated, including an ABC Notice of Violation dated 2/8/2020, but the  
11 totality of the allegations and admission of the licensee to sales practices  
12 in violation make them trustworthy and reliable for purposes of a protest  
13 to license renewal.

14  
15 3. The Anchorage Police Department Calls for Service report (AIM 32-2020)  
16 for calendar year 2019 are voluminous to the extent the licensed premises  
17 appear to be a magnet for unlawful conduct and the number of calls for  
18 police service are significant in relationship to other package stores in the  
19 Municipality. The Assembly recognizes that liquor licensees should not  
20 be discouraged from calling for police assistance when needed, but they  
21 also have a responsibility to implement operations and practices that  
22 mitigate the need for frequent police assistance. The conditions imposed  
23 on the license are one of the measures the licensee could have  
24 implemented but admitted in testimony he does not comply with. The  
25 Assembly finds the licensee's pattern of practices contributed to unlawful  
26 conduct and public safety concerns at the licensed premises.

27  
28  Payment of taxes and debts. Pursuant to AS 04.11.330, the applicant is delinquent  
29 in payment of taxes owed to the municipality for the payment of any debts or taxes,  
30 including any estimated taxes for the current year arising from the conduct of the  
31 licensed business.

32  Public health. The operator has engaged in a pattern of practices injurious to public  
33 health or safety, such as providing alcohol to minors or intoxicated persons,  
34 committing serious violations of state law relevant to public health or safety, or  
35 other actions within the knowledge and control of the operator which place the  
36 public health or safety at risk. The assembly has considered criminal convictions,  
37 credible proof of illegal activity even if not prosecuted, police reports, testimony  
38 presented before the assembly, written comments submitted prior to or during the  
39 public hearing, and other evidence deemed to be reliable and relevant to the  
40 purpose of this subsection and this resolution.

41  
42 1. The record of this location demonstrates to the Anchorage Assembly as  
43 a matter of general public policy there is a negative impact greater than  
44 that anticipated from permitted package stores generally, on the  
45 neighboring properties and parks, to the sense of safety and welfare to

1 nearby residents, and on health and safety of customers the licensee  
2 caters to, as a result of the licensee's pattern of practices and  
3 operations procedures.

- 4
- 5 2. The licensee's practices and catering to chronic inebriate customers,  
6 including selling shooter size bottles of hard alcohol for low prices that  
7 are below the \$1.70 minimum price condition for shooters, evidenced by  
8 pictures and testimony of at least two individuals, substantially  
9 contributed to negative impacts on the area, including,
- 10 a. increased costs to nearby property owners in damages and loss, and  
11 increased costs for security and security improvements, particularly  
12 Mallory Place apartments, and concerns for safety of tenants and  
13 security of their buildings. Denali Commercial Property Management  
14 provided credible photographic evidence and testimony of empty  
15 liquor containers littered on its properties on various dates, persons  
16 incapacitated on its property and inside its laundry facilities and a  
17 vacant apartment unit. While each instance cannot demonstrate  
18 conclusively the customers or product litter was purchased at  
19 licensee's store, in the totality of the circumstances it is sufficient to  
20 show many product purchases from the licensee significantly  
21 contributed to these impacts to the area.
- 22 b. being a significant contributing factor to chronic inebriates littering,  
23 trespassing and becoming publicly incapacitated (passing out) in the  
24 area.
- 25
- 26 3. The licensee failed to mark containers as a litter prevention and  
27 identification measure. Photos provided the Assembly credibly  
28 demonstrate shooters purchased at licensee's store were not marked or  
29 labeled as required so they could be identified as originating from that  
30 store when discovered as litter. Compliance with that condition could have  
31 exonerated or implicated licensee of responsibility of litter of empty  
32 shooter bottles in the area.
- 33
- 34 4. The practices have continued after the State ABC Board imposed  
35 conditions on the license September 4, 2018. The Assembly finds by a  
36 preponderance of the evidence submitted that such practices violating  
37 conditions imposed on the license occurred in June, July, August,  
38 November, December of 2019, and January of 2020. The Assembly  
39 concludes the foregoing practices and violations of conditions are known

1 to the licensee and under its control, and continue to place the public  
2 health and safety at risk.

3  
4 B. The Midtown Community Council has requested a hearing and provided a resolution,  
5 which is attached, recommending non-renewal of package store license #3219 and to  
6 revoke the conditional use permit for alcohol for 601 W 36<sup>th</sup> Ave., Ste 3 & 4, due to  
7 significant non-compliance with restrictions as agreed to in the signed Memorandum  
8 of Understanding, which is included in AR 2018-134, As Amended, as well as non-  
9 compliance with conditions placed on the license by the State of Alaska.

10  
11 C. The Anchorage Assembly, based on the evidence and information provided and its  
12 findings as stated in this resolution, hereby **protests** the renewal of liquor license  
13 #3219.

14  
15 D. Should AMCO uphold the protest, the Assembly recommends that the licensee  
16 be allowed to transfer the license to another licensee. The Assembly further  
17 recommends that a package store license will not be allowed at this location by  
18 this operator.

19  
20 **Section 3.** The Municipal Clerk shall provide a copy of this Assembly Resolution to  
21 AMCO as proof that the Anchorage Assembly, as the local governing body, has stated its  
22 **protest** of the renewal of package store liquor license, #3219.

**Subject:** Protest of renewal of Liquor License #3219

Dear ABC Board:

I am writing to add additional, very current information to the Anchorage Municipal Assembly's Protest of the renewal of Liquor License #3219 for Mom & Pop's Grocery & Liquor. I am copying this email to the Manager of the family business, Eddy Lee. I understand that this renewal will be on your next meeting agenda, March 31 and April 1, 2020 in Anchorage.

I have been talking with Mr. Lee since 2016, attempting to get him to operate his business in a responsible manner by being a good neighbor to those of us who live within a few blocks of his store. We contend with many empty shooters and fortified and cheap beer containers tossed on the street and our property between his store and Arctic Benson Park, where public drinking happens daily through the warmer months of the year. Working through Midtown Community Council, we developed an MOU that he agreed to in 2018, which limited the

number of shooters to sell to two per day per person and to mark his store initials, MP, on the bottom of these targeted containers, among other restrictions. These restrictions were also imposed by your body at the September 2018 meeting. At Assembly testimony regarding this renewal last month, multiple instances of violations of this agreement were reported. At the Assembly Meeting on March 10, 2020, Mr. Lee admitted that he did not abide by the two shooter limit if the person didn't appear to be drunk. He did say, though, that they always marked the bottoms of the containers with MP.

On March 11, a friend of mine stopped by the store and purchased four shooters, which were not marked with MP on their bottoms. Below is a photo of them and the receipt.

So, not only is Mr. Lee's store in violation of the MOU and conditions placed upon his license, he also lied directly to the Assembly about the marking of the containers.

This operator has shown his intent over the last years to not follow conditions he agreed to, that were placed on him by the ABC Board, to lie about his business practices regarding these conditions, and to not be concerned about the impact of his business practices on the neighborhood. For those reasons, I urge you to not renew this license, but allow the owners to sell it to a responsible operator.

Sincerely,

Peggy (Margaret) Robinson
