RE: Licensing Report

### Staff Changes

The vacant Occupational Licensing Examiner position was offered to Nathan Hall and his first day with AMCO was July 22nd. Nathan comes from Department of Public Assistance and he has a great deal of experience working with statutes and regulations requirements. He also has a lot of experience processing and reviewing applications for accuracy and working within deadlines and stressful situations.

Since his first day, Nathan has been learning our internal processes and reviewing Title 4 as well as a variety of applications. He was also extremely valuable with the preparation for today's board meeting.

On the record, I want to recognize the Licensing staff for their hard work and dedication - especially during the last few months. Thank you from the bottom of my heart.

### Alcohol Application Statistics

There are 8 new applications and 31 transfer applications to be considered on this agenda.

### Permit Application Statistics & Information

Since June 1st to August 1st, we have received a total of 60 permit applications for events around the state. Out of the 60, only 6 of those were canceled. Licensees for 4 of those applications opted to apply for the AB-15: Temporary Licensed Premises Change. the remaining 2 canceled their events due to the rise in positive cases of Covid-19.

Detailed information regarding the AB-15 applications are forthcoming in its own tab.
