Staff Rec.: Approve with delegation

Background: This application is for a new restaurant or eating place – public convenience license in the City of Wasilla. 3 AAC 304.335 requires approval of the local governing body and community support as expressed by a petition signed by a majority of the residents 21 years of age or older who live within one mile of the proposed licensed premises.

The applicant determined the number of signatures required by identifying the number of residences within a mile of the proposed licensed premises by using the U.S. Census website and the population figures posted on the AMCO website which was 528.

Using these methods, it was determined that the minimum number of required, valid signatures is 269. By examining all dates, addresses and searching for any disqualifying elements, staff verified that the applicant has provided at least the minimum signatures.

PETITION PROCESS FOR META & ROSE REPL APPLICATION

1. We accessed the April 2021 Population Estimates for the City of Wasilla on the AMCO website. The chart lists the population of Wasilla as 8963.
2. We accessed the US Census Under 18 population estimate number for Wasilla, Alaska at <https://www.census.gov/quickfacts/fact/table/US/PST045219> and determined that the percentage of persons under 18 listed there is 27.1%
3. We subtracted 27.1% (persons under 18) of 8963 (AMCO Wasilla population estimate), which was $8963 - 2429 = 6534$.
4. We accessed US Census data to determine the total square miles of Wasilla Alaska. We went to <https://www.census.gov/quickfacts/fact/table/US/PST045219> which stated that Wasilla is 12.38 square miles.
5. We divided the square miles of Wasilla (12.38) into the estimated number of adults (6534) to determine the estimated number of adults within a square mile of our proposed premises. The estimated number of adults within a square mile of 290 N. Yenlo St., Suite 37, Wasilla, Alaska, is 528.
6. 51% of 528 adults per square mile is 269 valid signatures.
7. We sent representative on foot to canvas the area within a radial mile of the proposed premises and speak with persons identified as 21 years or older about the petition for the REPL-PC license.
8. We presented each adult we contacted with our petition requesting a valid signature if they supported our REPL/PC application. We collected the following information from each adult:
