Hello,

Attached are the AB-29 forms for the Alaska Catamaran vessels that did not operate due to Covid.

#5074 – Baranof Dream – 2021

#5073 – Alaskan Dream – 2022

We understand that not operating in 2022 would typically be a strike against Alaskan Dream, however, this vessel did not operate due to the lingering effects of Covid. A large amount of repairs and maintenance needed to be done on this vessel before we could get a COI, and we were unable to complete the work due to supply chain issues and a lack of shipyard laborers. We respectfully request that the Alcoholic Beverage Control Board consider waiving the strike and penalty fee for not operating the Alaskan Dream in 2022 since it was due to Covid's effects.

Please let me know what decision is made. If we owe the fee for the Alaskan Dream, please have someone call me and I'll give a credit card number over the phone.

Thank you for your consideration,
