TO: Alcoholic Beverage Control Board

DATE: November 09, 2023

FROM: Carrie Craig, RLS

RE: #6164 dba Frosted Axe Throwing

**Statutory &  
Regulation  
Authority:**

AS 04.11.480(a) A local governing body may protest the issuance, renewal, relocation, or transfer to another person of a license by sending the board and the applicant a protest and the reasons for the protest within 60 days of receipt from the board of notice of filing of the application. A protest received after the 60-day period may not be accepted by the board, and in no event may a protest cause the board to reconsider an approved renewal, relocation, or transfer. The local governing body may protest the continued operation of a license during the second year of the biennial license period by sending the board and the licensee a protest and the reasons for the protest by January 31 of the second year of the license. The procedures for action on a protest of continued operation of a license are the same as the procedures for action on a protest of a renewal application. The board shall consider a protest and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the protest and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If an application or continued operation is protested, the board shall deny the application or continued operation unless the board finds that the protest is arbitrary, capricious, and unreasonable.

AS 04.11.510(b)(1): "if an application is denied, the notice of denial shall be furnished the applicant immediately in writing stating the reason for the denial in clear and concise language; the notice of denial must inform the applicant that the applicant is entitled to an informal conference with either the director or the board, and that, if not satisfied by the informal conference, the applicant is then entitled to a formal hearing conducted by the office of administrative hearings (AS 44.64.010); if the applicant requests a formal hearing, the office of administrative hearings shall adhere to AS 44.62.330 — 44.62.630 (Administrative Procedure Act); all interested persons may be heard at the hearing and unless waived by the applicant and the board, the formal hearing shall be held in the area for which the application is requested"

3 AAC 304.145(h) "The board may uphold a protest of an application or continued operation with a single abeyance period not to exceed 180 days if the local governing body indicates that the protest is subject to rescission and that it will be withdrawn if the applicant meets conditions set by the local governing body. If the local governing body notifies the board within the period of the abeyance that the protest has been removed, the application or continued operation is approved when all other applicable requirements have been met. If the local governing body has not notified the board within the period of the abeyance that it has removed the protest, the application or continued operation is denied. The period of abeyance may not be extended or renewed."

**Background:** This new Recreational Site license application was approved with delegation by the ABC Board at the August 22, 2023 meeting. On October 11, 2023 the Municipality of Anchorage protested the new application pending certification from the Land Use Enforcement and an approval by the Assembly of a special land use permit.

**Staff Recommendation:** Reconsider the previous approval and the Municipality of Anchorage protest to determine if the protest is arbitrary, capricious and unreasonable.

RE: #6164 Frosted Axe Throwing

**Statutory &  
Regulatory  
Authority:**

AS 04.11.210 Recreational site license

- (a) The holder of a recreational site license may sell beer and wine at a recreational site during and one hour before and after a recreational event that is not a school event, for consumption on designated areas at the site.
- (b) The biennial fee for a recreational site license is \$800.
- (c) In this section, "recreational site" includes a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season.
- (d) The board may not deny an application for renewal of a license issued under this section or an application to transfer a license issued under this section to another person solely because the board determines that the licensed premises is not a "recreational site" as defined under (c) of this section if the applicant
  - 1) held a license under this section or received a transferred license under this section that was valid at any time between January 1, 2018, and March 31, 2019 or holds a license that was initially issued under (e) of this section; and
  - 2) operates the license under the same conditions required at the time of initial licensure.
- (e) The board may not deny an application for issuance of a new license under this section solely because the board determines that the licensed premises is not a "recreational site" as defined in (c) of this section if the applicant filed an application for a new license under this section between October 1, 2018, and the effective date of this Act [5/15/19].

AS 04.09.270. Sporting activity or event license.

- (a) A sporting activity or event license authorizes the holder to sell brewed beverages and wine at multiple noncontiguous locations at a sporting activity or event site during and one hour before and after a sporting activity or event that is not a school activity or event, for consumption on designated areas at the sporting activity or event site.
- (b) The biennial sporting activity or event license fee is \$1,250.
- (c) In this section, "sporting activity or event site" includes a location where baseball, hockey, rugby, soccer, or football games, car races, dog sled racing events, rodeos, skiing and snowboarding activities, bowling games or leagues, or curling matches are regularly held.

- (d) The holder of a sporting activity or event license who sells brewed beverages or wine off the licensed premises or during hours not authorized under (a) of this section or who permits consumption off the premises of brewed beverages or wine sold on the premises commits the offense of unauthorized sporting activity or event activity.
- (e) Unauthorized sporting activity or event activity is a violation.
- (f) The holder, on the day before the effective date of this section, of a recreational site license issued under former AS 04.11.210 who offered brewed beverages and wine for sale to the public for consumption on the licensed premises may continue to offer brewed beverages and wine for sale to the public for consumption on the premises until December 31, 2027, for a license renewing on an odd-numbered year, or December 31, 2028, for a license renewing on an even numbered year, if the holder of the license is otherwise in compliance with the requirements of this title as it read on the day before the effective date of this section.

**Staff Recommendation:**

Evaluate the attached application for compliance with AS 04.11.210.

To Whom it may concern

We have operated out of the Matanuska Brewing Eagle River location from May 2020 through October 2022 with over 60 events where the patrons were allowed to drink and throw axes. Over that time and countless throwers, we have succeeded with a spotless record and zero incidents.

Partnering with other local Alaskan companies such as Main Event Grill, Serranos, The Bridge, Odd Man Rush and Matanuska Brewing we have been allowed during multiple events over the years to obtain a special event permit from AMCO to allow alcohol during our events for team building, corporate events, birthday parties, Halloween events and much more. During these events we have had no issue or close calls at any time and have seen that it lowers the risk as we can control the flow and amount of alcohol consumed and greatly reduces the risk of patrons attempting to sneak in or drink prior to the event! This allows us to better provide safety to our patrons and other guest under our supervision.

Our professionally trained staff has maintained the highest level of safety and instruction possible under the guidance and leadership from the owner of Frosted Axe Throwing Michael McCormick. With over 23 years of experience, he has created his own training program and certifies every staff member with the skills necessary to instruct new and experienced throwers in over 20 different throwable items.

What is an Axe Master? Think range safety officer and party host combined into one, the main objective is to guide and instruct groups through all of our items all while keeping them safe. Frosted Axe offers FREE training prior to the each and every session to guarantee all participants can safely throw and fully understands the danger factors and most importantly what not to do. During the session the staff carefully monitors all the groups to make sure everyone is safe and confident in what they are doing.

How many people have been injured???

Throughout the last 4 years of business and thousands upon thousands of throwers Frosted Axe Throwing has had ZERO injuries occur at any of their events or venues. With over 1,500 axe throwing venues worldwide there has been ZERO insurance claims from any venue regarding an injury. Thus making axe throwing a ZERO claim industry and showing that it can be done safely even with alcohol being allowed.

To whom it may concern

I am writing this letter to recognize Frosted Axe Throwing as a premier axe-throwing venue. I can confidently attest to their outstanding safety record and unwavering professionalism in the sport of axe throwing.

Safety is paramount in any sporting activity, more so in a sport such as ours, and Frosted Axe Throwing has consistently demonstrated a commitment to maintaining a clean safety record. They have implemented rigorous safety protocols and procedures to ensure the well-being of their patrons. Their staff members are trained extensively in safety guidelines and diligently enforce them.

In addition to prioritizing safety, Frosted Axe Throwing maintains an atmosphere of professionalism that contributes to the overall enjoyment of the sport. Their staff members exhibit exceptional customer service, always providing clear instructions, guidance, and encouragement to participants. They create a welcoming and inclusive environment that caters to individuals of varying skill levels, fostering a sense of camaraderie among participants.

I am confident that the addition of an alcohol license to Frosted Axe will not impact that attention to safety, and they are fully capable of adhering to all local and state laws regarding the consumption of alcohol in a facility. In our experience, it will not put patrons at any additional significant risk and is a benefit to the business without risking the safety of patrons.

Best regards,

*Mike Morton*

## World Axe Throwing League

Frosted Axe Throwing has been a proud member of the World Axe Throwing League since 2019, with multiple affiliates worldwide and a dedication to bringing friends together to compete and test one another in the newly found recreation sport!

Our League members have had the privilege of being not only multiple time regional champions but even taking 3<sup>rd</sup> in the world and being featured on ESPN 1 while representing Alaska!

We are honored to note that 3 of our competitors are ranked on the pro circuit and in the top 100 competitors in the world including Frosted Axes very own Marie Sophie Boggasch who is not only a phenomenal competitor but the UAA head gymnastics coach!

With 5 different League seasons a year and a growing league presence in Alaska it is proof that this recreational sport is ever growing and not going anywhere soon! What makes Axe Throwing League unique is there are no age or gender divisions it is an all-inclusive sport.

To whom it may concern, My name is Jason Kearney, owner of Got Wood Axe Throwing in Oklahoma. I also have shares in several other axe throwing facilities throughout the United States. We opened our first venue in December of 2017 and obtained a license to sell beer and wine at that venue in March of 2018. We have a perfect track record, with zero claims of injury since opening our doors. With proper training and due diligence, you can safely serve alcohol at axe throwing venues without jeopardizing the safety of patrons or employees .

I've known Mike McCormick from Frosted Axe Throwing for approximately 4 years. We regularly talk and discuss the ins and outs of axe throwing and I know him to be a responsible and competent venue owner. I'd feel extremely confident in recommending him and Frosted Axe to receive a license to sell alcohol in Frosted Axe Throwing.

Thank you for your time.

Below contains a list of only a small percentage of the thousands of axe throwing venues worldwide that are allowed to sell alcohol to their patrons while participating.

This list does not contain hundreds of other venues that are not affiliates as well as none of the venues that are affiliated with the International Axe Throwing Federation which is the rivals to the World Axe Throwing League.

In total worldwide there are over 3000 venues with 95% of them providing alcohol.

# Form AB-02: Premises Diagram

### Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all liquor license applications, per AS 04.11.260 and 3 AAC 304.185. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing. If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.

The second page of this form may not be required. Blueprints, CAD drawings, or other clearly drawn and marked diagrams may be submitted in lieu of the second page of this form. The first page must still be completed, attached to, and submitted with any supplemental diagrams. An AMCO employee may require you to complete the second page of this form if additional documentation for your premises diagram is needed.

This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete.

Yes No

I have attached blueprints, CAD drawings, or other supporting documents in addition to, or in lieu of, the second page of this form.
