Statutory and Regulatory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

AS 04.11.400(d): "The board may approve

(1) the issuance of a new beverage dispensary or restaurant or eating place license without regard to (a) of this section if it appears that the issuance will encourage the tourist trade by encouraging the construction or improvement of

(A) a hotel, motel, resort, or similar business relating to the tourist trade with a dining facility or having kitchen facilities in a majority of its rental rooms and at least a minimum number of rental rooms required according to the population of the incorporated city, unified municipality, or population area established under (a) of this section in which the facility will be located, as follows:

- (i) 10 rental rooms if the population is less than 1,501;
- (ii) 20 rental rooms if the population is 1,501 — 2,500;
- (iii) 25 rental rooms if the population is 2,501 — 5,000;
- (iv) 30 rental rooms if the population is 5,001 — 15,000;
- (v) 35 rental rooms if the population is 15,001 — 25,000;
- (vi) 40 rental rooms if the population is 25,001 — 50,000; and
- (vii) 50 rental rooms if the population is greater than 50,000; or

(B) an airport terminal; and"

(2) the renewal or transfer of ownership of a beverage dispensary or restaurant or eating place license issued under (1) of this subsection if the

(A) holder of the license operates a hotel, motel, resort, or similar business relating to the tourist trade that

- (i) has a dining facility on the licensed premises or kitchen facilities in a majority of its rental rooms; and

(ii) maintains at least the minimum number of rental rooms that the hotel, motel, resort, or similar business had at the time of initial licensure or that were required at the time of initial licensure; or
(B) licensed premises are located inside an airport terminal.

AS 04.11.470: “A person may object to an application for issuance, renewal, transfer of location, or transfer to another person of a license, or for issuance of a permit, by serving upon the applicant and the board the reasons for the objection. The board shall consider the objections and testimony received at hearing conducted under AS 04.11.510(b)(2) when it considers the application...”

AS 04.11.510(b)(2): “The board may review an application for the issuance, renewal, transfer of location, or transfer to another person of a license without affording the applicant notice or hearing, except...(2) the board may, on its own initiative or in response to an objection or protest, hold a hearing to ascertain the reaction of the public or a local governing body to an application if a hearing is not required under this subsection;”

Staff Rec.: Consider tourism application; hold a public hearing to consider the objection from Department of Labor Employment Security.

Background: This is an application to transfer a Beverage Dispensary – Tourism license to Johnny & Genevieve Rabanal. AS 04.11.400(d)(2)(B) requires that the facility must be located in an airport terminal. Staff has determined that the license is compliant and is located in the Dutch Harbor airport terminal.

On February 15, 2023 AMCO received a notice of non-compliance from the Department of Labor Employment Security.

Alcohol In-House Policies

- It is everyone's job to ensure patrons who are buying or drinking alcohol are at least 21 years of age.
- We will request proof of age (I.D.) from any patron who appears 30 years of age or younger.
- We have the right to, and will, refuse service to any patron who cannot produce proper I.D.
- We may accept the following as proof of age:
 - California driver's license
 - California identification card
 - Military identification
 - Passport
- If we must refuse service, we will tell a supervisor.
- Management and supervisors will support servers' decisions to stop service to any patron. If they don't, the server might not act so responsibly in the future.
- We will discourage intoxication and not serve any person who looks or acts intoxicated, even if they are "ride-sharing" or have a "designated driver." This includes employees and regular patrons who may "always act that way."
- When a patron has been "cut off" in one person's station, that person will tell other employees.

Alcohol is stored in designated areas. The office has limited access and can be locked. The bar allows for only alcohol servers to have access. Overflow storage of alcohol is in a locked storage in the downstairs with access for permitted employees.

All alcohol servers will have current alcohol education cards.

I have included with this form a menu, or an expected menu, listing the meals to be offered to patrons. This menu includes entrees that are regularly sold and prepared by the licensee at the licensed premises.

I certify that the license for which I am requesting designation is either a beverage dispensary, club, recreational site, golf course, or restaurant or eating place license.

I have included with this application a copy of the most recent AB-02 or AB-14 for the premises to be permitted.

(AB-03 applications that accompany a new or transfer license application will not be required to submit an additional copy of their premises diagram.)
