**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**NARRATIVE STATEMENT**

**BOARD MISSION**

The board adopts regulations to carry out its mission to protect the public health, safety, and welfare through the regulation of the practice of architecture, engineering, land surveying, and landscape architecture by:

- ensuring that those entering these practices meet minimum standards of competency, and maintain such standards during their practice;
- requiring licensure to practice in the State of Alaska; and
- enforcing both the licensure and competency requirements in a fair and uniform manner. (Dated 2/15/00)

Board Meetings: The Board of Registration for Architects, Engineers and Land Surveyors held four 2-day meetings in FY 08. The board met in August and November 2007 in Anchorage; February 2008 in Juneau and May 2008 in Fairbanks.

Board Appointments: There were no new board appointments during FY 08. There are currently two vacant seats on the board; one architect seat and the public member seat.

Application Review: During FY 08 the board reviewed 438 applications for registration and/or examination. Five applications were denied and 22 were found incomplete.

For complete statistical information refer to the Statistical Overview beginning at page four.

Investigations/Disciplinary Processes. The AELS Board considers investigation procedures and enforcement to be one of its most important responsibilities. During FY 08 the board continued its policy of the Technical Review Committee, a committee of two board members, meeting monthly with division investigators to determine merit and disposition of complaints.

The board's Disciplinary Action & Process committee has introduced a document titled "Guidelines for Disciplinary Sanction, or Penalties, for Violations of Statutes and Regulations of the AELS Board" for the board as a whole to review and comment upon. This is being done so that consistency can be maintained when assessing penalties for violations.

The board assessed a civil penalty in the amount of \$36,000 against a registrant and the registrant's company for repeated unlicensed practice.

Board Committees: Following are the current committees of the board:

Special Committees:

- Additional Engineering Disciplines
- Disciplinary Action/Process
- Incidental Practice
- Exemptions to Required Registration
- Establish Board By-Laws
- Research NCEES reexamination requirements
- Research stamping of permits and preliminary drawings

Standing Committees:

- Technical Review Committee
- Reference Manual for Building and Planning Officials
- Legislative Liaison
- Emeritus Status
- Board By-Laws

National and Regional Meetings: To keep abreast of national trends, other states' standards for registration and emerging issues, board members and staff attended meetings and conferences sponsored by the following national organizations:

- National Council of Architect Registration Boards (NCARB)
- National Council of Examiners for Engineering and Surveying (NCEES)
- Council for Landscape Architect Registration Boards (CLARB)
- Western Council of Architect Registration Boards (WCARB)

Following completion of board-related travel the attending members write in depth reports for presentation at board meetings, so that all board members benefit from attendance at these meetings.

Also, many of the board members serve on committees of these national organizations:

- Mark Morris – Uniform Procedures and Legislative Guidelines (NCEES)
- Craig Fredeen – Bachelors + 30 (NCEES)
- Clifford Baker – Law Enforcement (NCEES)
- Richard Heieren – National Testing for Surveyors (NCEES)
- Harley Hightower – Architect Registration Exam (NCARB)
- Boyd Brownfield – Exam Development (NCEES)
- Burdett Lent – proctors the Landscape Architect Registration Exam (CLARB)

- Lance Mearig, Emeritus (former member) - Uniform Procedures and Legislative Guidelines

To encourage board member and staff attendance at meetings, partial funding is provided by the national organizations through the dues structure paid for membership.

Regulations Adopted: The following regulations were adopted during FY 08:

- 12 AAC 36.040(c) – exempt AKLS from 5x5 rule
- 12 AAC 36.103, .105(a), and .109 requiring new applicants to complete a jurisprudence questionnaire prior to registration
- 12 AAC 36.500 and .550 –continuing education for architects, engineers and landscape architects
- 12 AAC 36.910 – board member absences
- 12 AAC 36.061 – adoption of the 2007-08 NCARB education standard
- 12 AAC 36.195 – site adaptation/field alterations
- 12 AAC 36.090 – waiver of fundamentals of engineering examination

Regulation Projects in Progress:

- 12 AAC 36.062, .063, .064, .065 – changes to the FS/PS and FE/PE education requirements
- 12 AAC 36.105 – changes to the comity regulations
- 12 AAC 36.055 – change in requirement to sit for the Architect Registration Exam (ARE)

Board Policies Adopted in FY 08: The board adopted the following policies during FY 08:

- a policy to include an explanation with proposed changes to regulations when public noticed
- a policy requiring applications for the Architect Registration Examination (ARE) to complete the Intern Development Program before being allowed to sit for the BD and BT sections of the ARE. (This will likely be rescinded in light of new information.)

Staff: During FY 08 there were no changes to the AELS staff.

# FISCAL YEAR 2008 STATISTICAL OVERVIEW

Program: Architects, Engineers, and Land Surveyors

AS 08.48

12 AAC 36

Name of Individual Completing Report: Richard V. Jones

Date: June 30, 2008

CATEGORY	ISSUED DURING FY 08	TOTAL AS OF 6/30/2008	NOTES
<b>A. Current Active Licenses, Permits, Endorsements, Courtesy Licenses, Apprentice/Student Permits, etc.</b> (List type and if issued by examination or credential, as applicable)			
1. Architects	21	539	Comity - 18 Exam - 03
2. Landscape Architects	04	45	Comity - 04 Exam - 00
3. Land Surveyors	11	478	Comity - 04 Exam - 07
4. Chemical Engineers	06	103	Comity - 04 Exam - 02
5. Civil Engineers	135	2755	Comity - 75 Exam - 60
6. Electrical Engineers	27	581	Comity - 20 Exam - 07

Total	2,896,112.00		334,790.55

This chart shows the figures in the state accounting system on the day the chart was prepared. Some bills are not received and entered in the system for several months after the expense occurs. Figures are in thousands of dollars and are rounded to the nearest hundred. For example, \$1.3 means \$1,300.00.

Contractual Expenses indirect have an increase due to the payments made to Administrative Services for the first half of the fiscal year. Administrative Services contract with use to provide IT and direct Fiscal support along with facilities (an increase in facility rental space from DOA).

Case Age	1	No Action – Insufficient Evidence	1
Compliance	20	No Action – No Violation	23
Incomplete Complaint	2		
No Action – Unfounded	1		
No Action – Lack of Jurisdiction			
Stipulation		<b>TOTAL</b>	<b>81</b>

**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**CONTINUING EDUCATION ENFORCEMENT REPORT**

One case of noncompliance by a land surveyor that requested an exemption, but failed to provide documentation to support the exemption request. This is still pending and is being handled by the division paralegal

**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**SUNSET PERFORMANCE AUDIT RECOMMENDATIONS  
(From the 2005 Audit)**

**Recommendation No. 1: Continuing Education (CE)**

*Prior Audit Recommendation No. 1, a current recommendation that the board either develop appropriate mandatory CE requirements for its professional registrants or the legislature considers making such requirements mandatory by statute.*

Continuing education was required for land surveyors as a condition of registration renewal on 12/31/07. Land surveyors are required to complete 30 hours of continuing education as a condition of registration renewal.

Architects, Engineers and Landscape Architects will be required to have earned 24 hours of continuing education in health, safety and welfare as a requirement of registration renewal on 12/31/09.

**Recommendation No. 2: Expand Engineering Disciplines Offered**

*BRAELS should arrange for a comprehensive study regarding the public benefits and related offsetting costs that may be involved with recognizing additional engineering specialties in the State's licensing structure.*

The board has voted to begin registering structural, environmental and fire protection engineers. The special committee assigned is now addressing issues such as regulation changes, definitions and grandfathering of civil engineers.

This committee, as a secondary charge, will also be discussing and making a recommendation to the board on the issue of changing to a non-discipline specific engineering registration.

**Recommendation No. 3: Consider adding a permanent voting Landscape Architect Board member.**

*The Legislature should consider making the landscape architect representative to the BRAELS a full, voting member.*

The board voted to introduce legislation to make the landscape architect representative a permanent, voting member. A bill was introduced with this language and two other legislative changes last session but landscape architect portion was pulled. It was feared this portion of the bill would stall the entire bill. It will be introduced again next session.

**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**GOALS AND OBJECTIVES**

**GOALS**

The goals of the Board will be the framework through which specific objectives are enunciated. The goals of the Board are to:

- ***Protect the public by:***
  - √ promptly investigating and adjudicating law violations;
  - √ effectively discouraging violations of the statutes and regulations before they occur;
  - √ providing information and education;
  - √ fostering relationships with other state agencies; and
  - √ ensuring registrants meet minimum standards of competency, and maintain such standards during their practice.
- ***Promote statutes and regulations that are clear, relevant, unambiguous and functional***
- ***Increase public and professional awareness of the Board's:***
  - √ Mission;
  - √ Activities that protect the health, safety and welfare of the public; and
  - √ Services to the public and registrants.
  - √ Make registrants aware of the regulations and statutes governing their professions.
- ***Foster relationships with NCEES, NCARB, CLARB and other Member Boards.***
- ***Ensure all materials used to establish competency in professions are appropriate.***

- ***Continue to appoint committees to work on issues of concern to the Board and the public.***
- ***Ensure adequate fiscal and human resources are available to maintain an effective operational structure so that the Board can meet its Mission and Goals.***

## Objectives for Fiscal Year 2009

Goal	Objectives
<ul style="list-style-type: none"> <li>● Protect the public by:               <ul style="list-style-type: none"> <li>- promptly investigating and adjudicating law violations</li> <li>- effectively discouraging violations of law before they occur</li> <li>- providing information and education</li> <li>- fostering relationships with state agencies</li> <li>- ensuring that registrants meet minimum standards of competency and maintain such standards during their practice</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>● Pursue investigator training</li> <li>● Develop Policies &amp; Procedures for investigators to follow</li> <li>● Active board participation in investigations and sanctions</li> <li>● Continue to foster working relationship with State Fire Marshal's Office</li> <li>● Enhance the Board's website by ensuring information is relevant and current</li> </ul>
<ul style="list-style-type: none"> <li>● Promote statutes and regulations that are clear, relevant, unambiguous and functional</li> </ul>	<ul style="list-style-type: none"> <li>● Pursue legislation to change landscape architect seat on board to full voting seat</li> </ul>

**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**BUDGET RECOMMENDATIONS FOR FY 2008**

Board Meeting Travel. AS 08.48.051 requires that the board shall hold a minimum of four board meetings per year. The board holds one meeting in Juneau, one meeting in Fairbanks and two meetings in Anchorage (or the Mat-Su Valley). The meetings outside of Anchorage are important in order to reach as many registrants as possible statewide. Board meetings are two days with a full agenda. A portion of the meeting is devoted to dealing with administrative issues such as approving applicants for examination and registration and dealing with correspondence and disciplinary issues. The balance of the meeting is devoted to dealing with the changes in the professions.

Committee Meetings. The board has several committees that meet between quarterly board meetings.

Out of State Travel:

- NCARB – National Council of Architect Registration Boards
- WCARB – Western Council of Architect Registration Boards
- CLARB – Council of Landscape Architect Registration Boards
- NCEES – National Council of Examiners for Engineers and Surveyors

The board considers participation by board members and the Executive Administrator at annual and zone meetings a high priority, providing the framework for issues this board addresses.

Requested travel:

- CLARB Annual Meeting – landscape architect and Executive Administrator to attend.
- NCARB Annual Meeting – two architects and the board's Executive Administrator to attend.
- NCARB Member Board Chair conference – one architect to attend.
- NCARB MBE Workshop – Executive Administrator to attend.
- WCARB Regional Meeting – one architect and the Executive Administrator to attend.
- NCEES Annual Meeting – five engineers, two surveyors, the public member and the Executive Administrator to attend.
- NCEES Western Zone Meeting – five engineers, two surveyors, the public member and the Executive Administrator to attend. Board investigator to attend this or another appropriate meeting.
- NCEES President's Assembly – Board Chair and Executive Administrator to attend. (This meeting occurs once every two years.)

- NCEES Member Board Administrator Workshop (Executive Administrator to attend)

**BOARD OF REGISTRATION FOR ARCHITECTS,  
ENGINEERS AND LAND SURVEYORS**

**LEGISLATIVE RECOMMENDATIONS**

1. Change board composition to make the Landscape Architect seat on the board a permanent, voting seat.
