Agenda Item 8

PDMP Report

Time: 11:30 AM

Ms. Sherrell notified the Board that dental providers are not using the PDMP after initially registering for it. From March to July of 2020, the usage of program by dental providers is only a 2.74% compliance rate. When the surgical specialties are included, the rate went up to 10.16%.

Ms. Sherrell informed the Board that from October 2019 – March 2020, there are 1,436 patients being treated with over 90 MME’s a day and 473 patients with over 120 MME’s a day. She also said that 882 patients are being treated with dangerous combinations of opioids. Options for delegates to sign up for the PDMP, free of charge was shared. Delegates can help dentists who are too busy to use the PDMP.

The Executive Administer for the Board of Pharmacy, Ms. Laura Carrillo shared with the Board of Dental Examiners that the Board of Pharmacy shall set the time frame of 30 days grace period for dental licensees to apply with the PDMP at their next meeting. She recommends for the Board Dental Examiners communicate with their licensees to not prescribe controlled substances to their patients since they cannot review their patients’ history. There are only 2 dentists who view the history of their patients 100% of the time.

TASK:

Ms. Christianne Carrillo will reach out to Ms. Laura Carrillo to get the board on the List Serve.

The Board decided to go through more of the agenda before lunch while they have a quorum and move on to Old Business.

162 **Agenda Item 11** **Old Business** **Time: 12:00 PM**

163

164 PDMP Dental Penalty Matrix

165

166 Dental's PDMP penalty matrix was looked over. Ms. Carrillo shared that there were around 11 pending
167 PDMP applications that await approval. The Board felt that it would be unfair to the pending applicants
168 who have not yet been approved for PDMP access to adopt the penalty matrix that would put them out of
169 compliance. They decided to table the subject of adopting the PDMP penalty matrix until there are no more
170 pending applications.

171

172 Modifications of Renewal Dates During COVID-19

173
